

# Ohio Lions Sight & Hearing Foundation

F-6

The Ohio Lions Sight and Hearing Foundation is alive and well and working with MD13 Lions to provide advanced sight conservation procedures to individuals with no health insurance or who cannot afford their insurance co-payments or deductibles.

The following data are as of 09/30/24 for the 2024-2025 year:

- Donations from clubs of \$100.
- We have operating assets of \$23,770.
- We closed a case for aid to a woman in District OH7 by helping her acquire a hearing aid. She needed a hearing aid in one ear and was \$500 short of paying for it.

Since our founding, we have provided financial aid to individuals in districts OH 1, OH 3, OH 5, OH 6 and OH 7. This consisted of six cataract surgery procedures, a series of child vision therapy sessions, low vision glasses for a woman and a hearing aid for a woman.

We feel it is critical for a local MD 13 Lions Club to sponsor every aid application. This lets the club build their visibility and reputation in the local community, as well as Lions Clubs International.
