

OH5 District report
DG Toni Gray
November 9, 2024

Supporting Guiding Lions, Stu Kobel and 1VD Governor Carl Gass along with CC Mike Kerek on rebuilding the Delaware Lions Club. Met with a group of people in Delaware that are interested in joining the club. After speaking with the current club treasurer, she is willing to work with the new treasurer for an easy transition.

Happy to attend the Laura Lions 75th Charter Night. Fun group, working hard in their community.

West Milton Lions are a small group of Lions that are trying to hold onto their charter. They do good community work and also work with the Laura Lions.

I am much stronger after using a potato slicer to make fresh cut French fries at the Groveport Apple Butter Festival! Happy to help the Canal Winchester Lions with this incredibly busy fundraiser!

Checking in with Lions Clubs that are behind on reporting activities in the portal.

Attended Pizza Training in Marion. Good turnout. Good information from GMT Gary Holloway and CC Mike Kerek.

Spoke at the Bexley Lions 84th Charter Night.

Attended the COLEB 50th anniversary at the Boat House.

Plans are underway for the March 28th & 29th District Convention to be held at Deer Creek State Park. Deer Creek is well aware of the problems

that we encountered last year and are doing everything they can to make it right. We have some new ideas for the weekend!

Respectfully submitted,
DG Toni Gray
