Dear Governor Toni and Cabinet,

Visits have been completed to Canal Winchester and Hilliard, and a visit is rescheduled for this month for Southeast. Contact has been made with Inner City about a possible visit.

1. **Bexley**: requested to host 3rd Zone meeting, ZC Club visit tbd, awaiting response. 21 members.
 2. **Canal Winchester**: ZC Club visit completed. 23 Members.
 3. **Inner City**: ZC Club visit proposed, awaiting response. 11 Members.
 4. **Southern Pines**: ZC visit proposed, awaiting response. 12 Members.
 5. **Southeast**: ZC visit planned for 11/21, requested to host 2nd Zone meeting, awaiting response. 67 members, **+12 YTD!!**
 6. **Hilliard**: ZC visit completed. 6 members.
- 2nd Zone meeting (membership) is Thursday November 14 at Columbus Metropolitan Library main branch on Grant
 - 3rd zone meeting (leadership) tentatively week of February 23.
 - A Zone newsletter and calendar are being sent to the President and Secretary every other month
 - I want to highlight Columbus Southeast Lions- they are bringing in new members every month. Besides their service and fundraising, they are very active in holding social events to introduce people to Lions and membership, and with hosting events in partnership with other local groups, and leading to new members that way. *This strategy is working!* I think they may be the largest club in the district at this point.

Respectfully submitted,
Lion Christina Beargie
