2ND VDG REPORT

OCTOBER 31, 2024

Greetings fellow Lions. It is with great humility I put forth this report. I have spent a great deal of time in my first four months as a Council of Governors' member learning to manage my time. Between my duties as 2 VDG, Region Chair, Zone Chair and Secretary of the London Lions Club I stay quite busy. Throw in various training and zoom meetings, learning time management skills is essential and will help me as I move forward to the ultimate goal of being a successful OH-5 Governor.

I have visited fourteen (14) clubs to date. I enjoy representing the District during these visits and look forward to visiting the remaining clubs in my region this Lions year.

I have been involved in the induction of nine new members so far. Six (6) at Columbus Southeast, two (2) at Gahanna, and one (1) at Columbus Northern during their 75th anniversary celebration.

I am looking forward to whatever lies ahead this Lions year and beyond.

Yours in Lionism,

2VDG/ZC Gary Likens
