### From District Governor Joe Jackson:

With the COVID numbers finally dropping, Lions activity is picking up. This newsletter is full of opportunities for Lions to get involved, as individuals or with your club. Check out the flyers for upcoming activities at the end of the newsletter (including a few coming up this weekend).

BE SURE to check out the information on pages 3-7 about all the plans in place for the District OH5 convention, next weekend (March 11-12) at Deer Creek State Park. We promise fun, food, fellowship – and service! – will be the focus of our time together.

I also wanted to highlight the new “Peace Contests” from LCI. This year’s theme is “Lead with Compassion.” Why not get started now, and plan to support youngsters from your community in the Peace Poster or Peace Essay contest!?! Learn more at [lionsclubs.org/peaceposter](https://lionsclubs.org/peaceposter).

Order your contest kit at:

<https://lionsclubsinternational.myshopify.com/collections/peace-poster-kits>

The deadline to submit a poster or essay to the District Governor is November 15, 2022.

### See you at Deer Creek!

### March – In like a Lion or Lamb?

With the mask mandates going away and life starting to get a little bit back to normal, I’m thinking “in like a Lamb.”

Thinking about getting ready for spring planting, realizing that there may be a little more cold weather, but the sun looks great during the day, feeling the warmth on your face; giving us the feeling of renewed HOPE!

As we shake off winter coats and enjoy those occasional warmer temperatures, why not begin to take the temperature of your club and your communities. If we’ve learned anything over the year and a half, it’s we have a lot of people that need help in our areas. They need food, help with kids; older folks need to no longer feel isolated. And that’s where you come in... what can you and your club do differently that will make a difference in their lives? Maybe, you have a member that you haven’t heard from in a while, reach out, they maybe struggling to get back to normal.

Let’s see what we can all do go out of March “like a Lion”!! As baseball great, Jackie Robinson said, *“a life is not important except in the impact it has on other lives.”*

See you at the convention!!!

1VG Debbie Luttrell

## TOGETHER, We Make A Difference...

I was so excited at our last Cabinet meeting. A lady, Stephanie, who after a disastrous house fire was catering our meal; her first catering job. Her older niece, 11 year old Kelly, had brought 20 pillows she had made a "Krafts by Kel" business, hoping someone would buy 1-2 of them. Both of them still in the process of rebuilding their lives after the fire had taken everything from them and the other children involved...everything, that is, except hope and determination to overcome. Taking the fact that everyone survived the fire as a solid foundation, they have dug in and worked hard over the last six months to make life now not where it was, but better.

The meal was delicious, generous portions, well worth the \$10 per plate served by Stephanie and her friends who were there to assist and support her. Kelly sold all 20 of her pillows, and there wasn't a happier kid in the world at that moment. Both of them deserved the accolades they received by the Lions present.

But they have not forgotten.

At the end of the meal, Stephanie asked for and was given the floor. "I'm going to try to say this without crying," she said, and after mentioning the house fire, went on. "I just want to thank you. If it hadn't been for the Lions, I don't know what we would have done."

She thanked the Lions. Not a specific person, not a specific club. That wasn't important to her. It was the Lions who reached out and helped her after the fire, and again at Christmas.

That's as it should be. Everything we do as a Lion, or as a Lions Club, is tied with every other Lion. We signed on to help other people. To serve. Not for praise, awards, recognition, but to make a difference in the lives of others.

I have been thanked by total strangers for saving their brother's vision, for transforming the life of their handicapped daughter with some device, for making it possible for them to go to camp 25 years ago...I had no part in any of these events personally, but I am a Lion, I am a part of the organization that did these things. When I hear these stories, it makes me proud to be a Lion. It makes me feel good that I am associated with others who want to, and do, touch so many people's lives in a positive manner. It gives me the incentive to make my own opportunities to do the same.

I'm looking forward to the district convention. To surround myself with like-minded individuals who understand what it means to be a part of something bigger than themselves. Even when I visit other clubs, I have that same sensation.

We are Lions. Regardless of the club. Regardless of the individuals who make up the clubs: of age, race, gender, sexual orientation, political or religious belief. At the core, at the heart of every Lion, the only thing that really matters is service to others. Who gets the credit is secondary, because in the end, we all do.

PDG Mike Kerek

### **Friday Night of the District Convention**

#### **THE CLASS OF '54**

Roley City Times August 5, 1959

Roley High Reunion To Feature Rock N. Roley

#### **Description of the event:**

Roley City High School Class of 1954 celebrates its fifth reunion this month with a weekend of activities highlighted by a rock & roll concert featuring the class' most illustrious graduate, Rock N. Roley. The two-and-a-half-hour performance will begin at 3:00 p.m., Saturday, August 15, and is expected to fill the Roley City Municipal Auditorium. "Rock has fond memories of Roley High," said the star's business manager, Joseph K. Awledge, "and he's looking forward to seeing many of his old friends again." While the Class of '54 has much to celebrate, it will not eagerly recall the outcome of the 1954 Homecoming game. The Big Game with rival Lowe Valley was lost by the Roley Rollers 24 - 21, the first ever loss to the Lowe Riders. Homecoming was also marred by the tragic death of Becky Sue Lamour, a student at Roley High who was killed near midnight after the Homecoming dance, when the car in which she was a passenger stalled on the railroad tracks at Back Road Crossing and was struck by a freight train. The driver, Rock N. Roley, escaped without injury. Reunion activities will commence at 9:00 a.m. Saturday with a tour of the new gymnasium, after which Principal R. Anton Ravon will make his remarks.

#### **CHARACTERS**

## District OH5 - Past, Present, and Yet To Be!!!

### Troy Lions Send Joy and Love

In February, the Troy Lions helped celebrate Valentine's Day by delivering 155 Valentine's Day cards to residents of area nursing homes. This new "Card Shower" project was started during the shut-down of the pandemic. The Troy Lions wanted to cheer up the residents that were cut off from their loved ones visiting and it was an easy project for the Lions to work on from home. It was originally planned as a one-time event. But the staff and residents of these facilities so enjoyed and appreciated the cards that the Troy Lions Club members continued the project over the next several holidays. The project recently was expanded to include even more facilities.

### Northeast Lions – Still Serving, Pandemic or Not!

The Columbus Northeast Lions have gathered over 800 pair of glasses and eyeglass cases, and donated \$895.00 to the Columbus Salvation Army.

*No time is better spent than that spent in the service of your fellow man.*

### The Tri-Village Lions Are Staying Busy and Involved

During the enforced separation of the last two months, during the COVID Omicron spike, the Tri-Village Lions initiated two different activities to keep members engaged. First, we outlined a series of Do-It-Yourself-At-Home service projects that Lions could do independently or with just one or two others. Lions sorted eyeglasses, made sack lunches for the homeless, collected plastic bags, tied off no-sew blankets, and more, adding up to an impressive number of service hours clocked for our monthly activities report.

Meantime, recognizing that our Board generally makes decisions about where to direct our philanthropic giving, we decided it was time to let our members have some say as to where/how the money they raise is spent. Each month from now until June, the members of the Tri-Village Lions will be presented with descriptions of three local organizations in need of support and asked to vote which group they would like to see a \$250 contribution sent to for the month. In January, the Lions voted to send a check to Huckleberry House (a safe haven for troubled teens in Columbus). In February, we sent a check to the Military and Service Heroes (M.A.S.H.) Pantry. Best of all, more than 80 percent of our members are voting on a monthly basis. That is 80% of our members who were *actively* involved in a project each month!

## Columbus Beechcroft Lions Present Breakfast With the Bunny

### March Madness Begins – And the Olentangy Lions Are Ready!

Welcome to the NCAA Basketball Season. The Olentangy Lions Club would like to invite you to participate in our 2022 March Madness fund raiser. No basketball skill or knowledge required.

The game is the same as in previous years. Your \$20 buys a square on a 10 x 10 grid. Names will be added to the grid at random. Numbers will be added to the grid so that each square has a winner and loser value from 0 to 9. The number combination for each square you purchase will be emailed to you prior to the start of the tournament. If your winner/loser combination matches the final score of the game, you are the winner for that game.

You'll find more information and a sign-up form on page \_\_\_\_\_. Join the fun!!!

### The St. Paris Lions Need Your Help

The St. Paris Lions are holding their pancake breakfast this Saturday, March 5... and they need help! If you are available to help out, please contact Lion President Jason Hoelscher, 937-869-8040.

### Our Neighbors in Kentucky Reach Out for Relief

The devastating storms in Kentucky in early December left too many folks with the task of rebuilding their lives and their homes. The Lions of Kentucky have reached out to surrounding states to ask for help. That includes us!

Clubs and individuals can send checks to OLF with memo Kentucky relief. Donations of anything from personal care, household goods or furniture can be sent to Millersport Lions, stored in their office. You can e-mail Tamarra Parker-Stephens at [liontamarra@gmail.com](mailto:liontamarra@gmail.com) or CC Kerry Parker at [kep121@msn.com](mailto:kep121@msn.com) for further info. If you can supply logistics, trucks etc. please let them know.

## ZONE 4 LIONS CLUBS

### WORKING TOGETHER TO MAKE A DIFFERENCE

Recently the Green Camp, LaRue, Marion Evening, Pleasant, Prospect, and Ridgedale Lions Clubs joined resources to provide a basic visual evaluation at the Ohio State University College of Optometry for 18 year old, Brandon Scolten. Brandon is a senior at River Valley High School in Marion County. This spring he will graduate from Marion Technical College with an Associate of Science Degree in Cyber Security and plans on attending Kent State University next fall. Brandon lives with his mother Toni and younger brother Austin.

Brandon was born with ocular albinism and his low vision has prevented him from acquiring a driver's license. The results of a recent eye evaluation determined Brandon would benefit from a bioptic telescope device. With this new device Brandon will be eligible for the night bioptic training program at the Ohio State University Low Vision Rehabilitation clinic. The evaluation also certified that he can now get a day-restricted driver's license. Brandon must first complete a year of day-restricted driving without accidents before he can apply for the fitting of a bioptic telescope glasses system.

Currently the Zone 4 Lions Clubs are helping the family with the cost of this evaluation and the night bioptic driving program as these expenses are not covered by insurance. The pre-evaluation cost was \$250.

The first part of the program is the bioptic device and fitting. The device costs between \$1,000-\$4,000 and fitting costs approximately \$750 per visit. The second part of the program involves driver training with the bioptic device. Driver training by the OSU Occupational Therapy Driver Rehabilitation Program cost \$275 per hour. Training usually requires 10-20 hours (\$2,750 - \$5,500).

The Zone 4 Lions Clubs plan to apply for funds to help with these expenses and include the OH5 District Lions Eye Care Fund, other eye related grants, fundraising events, and donations secured from businesses and individuals interested in making a donation and a difference in Brandon's life.

*In the words of Helen Keller~ "Alone We Can Do So Little, Together We Can Do So Much"*

*Zone 4 Chairpersons ~~ Lions Diana & Tom Myers, Green Camp Lions Club*

## Ohio Lions Eye Research Foundation

Never before published!

...or maybe published but knowledge certainly not wide spread? Undesignated funds to the Ohio Lions Eye Research Foundation go towards, as you would expect, eye research in Ohio. However, if you would like to designate, you can have your funds go to specific types of research... diabetes or age-related macular degeneration.

Depending on your level of contributions, you can receive a plaque in honor of the donation...since some people "have enough plaques" you could ask for a nice shirt with the OLERF logo on it instead. Maybe a swell shirt would be a nice change of pace?

At our next board meeting we are going to discuss payment options for some of the larger dollar figure awards. Some of the larger awards payments might be able to be spread out over four years! Stay tuned, I'll let you know if this becomes a reality.

PDG Lion Jeff Sweeney

## "Learn to Roar"

**"Learn to Roar"** is back in-person! Our district's club officer and general Lion training will return to the Der Dutchman in Plain City on **Saturday, June 11th**.

There will be 12 different classes in total, three different ones scheduled each hour. There will be one required class for each officer and three electives. Any Lion can take any class. Therefore, you can pick and choose topics of interest or check out potential future positions for yourself.

In addition to the officer classes (Pres-Sec-Treas-TT-Membership) there will be classes on Marketing and Communications, Service Projects, Fundraising, Youth, Goal Setting, Legal Compliance, and more. All classes have been updated and will present new material.

Think how better your club could operate with all this new information. Have all your officers and key Lions come, learn, and get their questions answered.

At the very least, each club should consider sending three students so all the information in these classes can be brought back. Save the date now. The registration form and class schedule will be coming out soon. We will see you at Learn to Roar!

## Even LITTLE Contributions Can Make a Big Difference!

Lions are asked to give money all the time to worthy causes, whether a little or a lot. Did you ever wonder if those contribution really make a difference? As shown here, small contributions can add up to make huge difference. The research that lead to the Salk vaccine and the end of the polio epidemic in the 1950's grew from this original pot of money from the March of Dimes. Never doubt that your contributions count!

When Franklin Roosevelt started a foundation to fight polio, Comedian Eddie Cantor came up with the "March of Dimes", asking people to mail a dime to the White House. They were soon overwhelmed with 2,680,000 dimes mailed to them, literally truckloads, mostly from children. These dimes went directly to research that resulted in the Polio vaccine. This is why Roosevelt is on the U.S. dime.

### Lions Eye Bank of West Central Ohio

Since 1982, the Lions Eye Bank of West Central Ohio has facilitated the gift of sight to cornea recipients in Dayton and around the world. LEBWCO is a non-profit organization dedicated to relieving human suffering through the recovery and provision of ocular tissue for sight-restoring transplant surgeries, medical research, and education.

The LEBWCO mission is to serve families, the medical communities, and recipients in communities nationally and internationally through education, research, and the gift of sight.

LEBWCO's vision is to provide sight to our community and across the world.

The LEBWCO had 1141 donors last year (2021) and 1521 sight restoring surgeries.

There are many ways you can volunteer to help LEBWCO. If you are interested in volunteering, visit the site: <https://donatesite.org/volunteer>

Donations. Funds will be used for humanitarian purposes in helping underprivileged community members receive the gift of sight, bereavement services, and ensuring continuing education of cornea tissue donation. You can give by mail to:
