Arcanum Lions Golf Scrambler (P. 17-18)

Bulleted Reminders from District Governor Joe Jackson:

- Eye Bank Support

Our District is fortunate to have two Eye Banks:

Central Ohio and West Central Ohio

Both Eye Banks can provide excellent programs and encourage clubs and club members to donate for local program operation.

- Peace Poster/Essay

Clubs should consider buying Peace Poster kits now. Remember that all students ages 11-13 are eligible to participate.

- Club Finances

Consider reviewing your club budget and examine how many CD's the club has paying little interest. Many of our clubs are in small communities with no presence of any LIONS Club.

- Learn to Roar

We live in changing times for club officers: Learning to Roar is an opportunity to be current with the procedures to make a club more efficient. June 11, Der Dutchman, Plain City.

Come with an open mind and any questions!

- License Plates

Yes, a reminder to go online and order your LIONS license plates; proceeds go to the Ohio Lions Foundation. We depend on the OLF to assist with flood and fire disasters. If you are uncertain how to help a victim of flooding or fire, contact me at: shoelessjj71@gmail.com

DG Joe

Spring – a time for new beginnings!

I'm always looking for new adventures; new restaurants, new (at least to me) flowers, of course, new ways to serve. Each month I'd like to highlight new opportunities to serve, and you can help me. Is your club looking at trying something new? Share what that is, how it went.... we can all benefit from your experience and more importantly our communities will also benefit.

This month I'd like to tell you about a new to me project that needs our help. It's called **Tough Enough to Wear Pink** – a horse show fundraising project that supports cancer patients in many ways. I'll have more information soon, to include how to sign-up and type of help they need, but I do know that they will need lots of volunteers to help make this a success, and I'm hoping lots of OH5 Lions will be there.

Here's what I know so far:

SAVE THE DATE:

SEPTEMBER 22 – 25, 2022

Where:

Champion Center, Springfield OH

This event is a fund raiser to provide funds to OhioHealth Cancer Foundation, 100% donated to cancer patients - no administrative fees.

I look forward to hearing about *your* new projects!

DGE Debbie

You Can Do It!

As I have visited various clubs in the district, I hear recurring themes. The two most prevalent are:

1. We don't have enough members to do our projects anymore
2. We don't have any money since COVID took our fundraisers away

I wanted to address those concerns the same way I have made my responses to them in the meetings.

First, why are you putting this pressure on yourself? So you can't do the pancake breakfast or man the gates at the county fair, at least not at this time. You have the opportunity to start fresh. Find new projects, new fundraisers. Look to the active members for things that have not been tried that sound fun and worthy. FORGET about the past at this point and look forward to what you CAN do...and you can do plenty, regardless of the size of your club or the ages. There are a bunch of projects available for any club to pick up and do – clubs just have to reach out and ask. Even projects where some members can work on the projects at home but still be engaged as Lions.

If you look for the problems in every idea, nothing will work. If you look at the ideas and come up with solutions for the challenges you might face, every idea has a chance of being a success. Even ones that are tried but are not exactly executed as planned are a success, for they provide the lessons learned the next time you try something. Look for partnerships and relationships – churches, scouts, other civic organizations, Bubba's extended family at the end of the street. Not only will you expand your ability to provide more opportunities for service, you'll forge new relationships that could potentially lead to new members down the road.

Bummed about no money? Guess what – nowhere in Lionism does it say that philanthropic donations are required. Until you have a chance to get a couple of fundraisers going again, you have a resource that is just as valuable – time. Whether picking up trash, helping senior citizens with yard work or snow removal, Meals on Wheels, book donations or sock drives for homeless shelters...the list is endless, hampered only by the club members' drive and creativity.

Only have a little money? I'm reminded of the Widow's Mite story in the Bible. It isn't the size of the gift, it's the act of giving what you can. Money, time, effort, caring. They all matter.

If I come to your meeting and you tell me you can't do something, I'm going to ask you why not? If you say you guys tried something before and it didn't work, I'm going to ask you how it went the second time you tried. Right now, we need to be solution-based as individuals, clubs, as an association. Set goals that are achievable and work toward accomplishing those goals. Even if you start small, success will breed success.

If I ask you what the last new project was that you tried, what will you tell me?

Peek your head outside the box and let's get back to being Lions again. "We Serve" is what we should be doing. Work together as clubs, ask if you need help. If you are an active club still, reach out to your fellow Lions and offer assistance to struggling clubs. The ultimate beneficiaries of our collective efforts are the 50+ communities we serve as a district!

From GST Ben Dawson

Thank you all for getting us to 100% reporting. Keep reporting, I want to see all clubs reporting every month. You have meetings every month – report that! But most important report a service, for that is what we are all about. I will keep emphasizing MYLION till everyone has registered. Not only using to report but to learn more about LIONS. A new fiscal year approaching, let's make the best ever. Retain and increase membership and keep service a priority

Want to learn more about how to report on MYLION? Check out the ppt slides put together by Lion Ric Houser, attached to this newsletter.

From LCIF Coordinator PCC Dave Risen

I am pleased and proud to report that I received a check in the amount of \$5,000.00 from the Columbus Southeast Lions Club Foundation in support of the Ukraine humanitarian effort. This is the largest donation that I have personally received to date and reaffirms that our Lions and our clubs are at the forefront when help is urgently needed.

Words cannot properly express how grateful and proud I am to inform LCIF of this donation.

During these past weeks many of our District OH5 Lions and clubs have financially supported this most urgent financial need. The lions of District OH5, as well as MD-13, continue to support LCIF to include its purpose and its needs.

We can all be proud of these efforts!

Westerville Trex Project

The Westerville Lions recently were mentioned in a local news broadcast for their Trex bench project. Here, Lion Howard Baum presents the Westerville Lions Trex/Plastics Recycling Program to the Westerville City Council on April 5th. They will soon have their fifth bench in place in the Uptown area.

Your Efforts Pay Off!

PDG Ric Houser and VDG Randall Kloutz, of OH6, joined DG Joe Jackson in presenting this LARGE Steps Donation check to the Dayton Children's Hospital.

OUR NEIGHBORS IN KENTUCKY REACH OUT FOR RELIEF

Our Kentucky relief project is an ongoing statewide project through June 30, 2022. As victims are slowly beginning to get their insurance claims dealt with, they are trickling back to the affected towns. Clubs, individual Lions, and our community partners can participate in one of three ways -

1. pack plastic totes with household items - sheets, kitchen utensils, tools, anything from the list. District service coordinators can arrange pick up points for the totes. Millersport Lions are allowing us to collect all the totes in their clubhouse, to be taken to the Kentucky Lions distribution centers. See the message below re: collection at the state convention, and the next page for information about what is needed by our neighbors in Kentucky.
2. Monetary donation to help buy 2"x4"s, 2"x6"s and plywood to help with repairs for the uninsured and the many UNDER-insured. These folks are just now able to start patching roofs and walls now that the insurance adjusters have been out. Instead of collecting wood, we are collecting money to purchase the wood closer to Hopkinsville and get it delivered to the distribution center.
3. --Money can be sent to Ohio Lions, Inc 4074 Hoover Rd., Grove City OH 43123 or there is a Paypal link for donations on ohiolions.org.
4. Sending thoughts and prayers for those struggling to make ends meet, to secure housing, to cope with the depression and PTSD that are affecting their families.

With the disastrous events unfolding in the Ukraine, the world has turned its attention there. This is not to negate efforts to help internationally. But our neighbors in Kentucky are also displaced and desperate, just without the continued media coverage. We want to show them the heart that Lions have.

Discover the Lion in You! “Learn to Roar”

“**Learn to Roar**” is back in-person! Our district’s club officer and general Lion training will return to the Der Dutchman in Plain City on **Saturday, June 11th**.

There will be 12 different classes in total, three different ones scheduled each hour. There will be one required class for each officer and three electives. Any Lion can take any class. Therefore, you can pick and choose topics of interest or check out potential future positions for yourself.

In addition to the officer classes (Pres-Sec-Treas-TT-Membership) there will be classes on Marketing and Communications, Service Projects, Fundraising, Youth, Goal Setting, Legal Compliance, and more. All classes have been updated and will present new material.

Think how better your club could operate with all this new information. Have all your officers and key Lions come, learn, and get their questions answered.

At the very least, each club should consider sending three students so all the information in these classes can be brought back. Save the date now. *The registration form and class schedule are on the pages that follow.*

We look forward to seeing you at Learn to Roar!

THIS Is What It Means To Be A Lion

LCI has invited each District to submit a story – their story – of service to the community, in order to receive a \$500 grant to be used to expand the reach of our service. This is the submission sent in from the Lions of OH5. It makes you proud to be a Lion!

In October 2015, 14 Lions leaders from around Ohio, participating in a Regional Lions Leadership Level 3 program, were tasked with coming up with a legacy project for Ohio that would help celebrate 100 years of Lionism. After much deliberation, childhood cancer was chosen as the cause and a series of 5K walk/runs across the state named “STEPS” walks with at least one per district, was decided upon as the project. Allowing for planning, the first events were to be held in the Fall of 2017.

Three of the RLLI participants were from District OH5; two of them, GMT/1VDG Mike Kerek and Kirby Witmer, co-hosted their STEPS 5K during September 2017 in Worthington, OH. This first event was made even more meaningful to attendees from the Reynoldsburg Lions Club because two months earlier an eight year old boy named Braxton Long passed away from cancer. He was friends with one of the Reynoldsburg Lions’ son.

Braxton’s well-publicized fight with cancer before losing the battle resonated with everyone in the area. Super Braxton shirts appeared everywhere in Reynoldsburg and outlying areas. He was a cheerful, upbeat little boy who loved Legos, police officers, and God. Even toward the end he greeted everyone with a smile, and he always asked for extra Legos to be brought to Nationwide Children’s Hospital’s oncology ward so his new friends wouldn’t be bored. When he passed away, his coffin was filled with no less than a dozen police badges from surrounding departments; thousands of Lego sets were brought in lieu of flowers; the Pataskala Police Department named their new building wing after him; new awards were given in his memory at his old elementary school.

The following year, DG Mike Kerek appointed Lion Debbie Bolyard, the parent of the son who lost his friend, as the first OH5 Pediatric Cancer Chair. The 5K moved from Worthington to Reynoldsburg, and with the blessing and participation of the Long family, the event was renamed the “Super Braxton 5K.” (SB5K.) DG Mike and Lion Debbie became the co-coordinators. While this event remained an OH5 Lions district event, it became known in the Reynoldsburg community as well, and the 5K went from 35 attendees to almost 200. Four area pediatric cancer foundations came out in support. Police and fire departments donated their time. About 15 Star Wars reenactors and princesses joined them to cheer everyone on. Local fast food stores donated food. About 50 Leos Club members volunteered. A finalist in “America’s Got Talent” sang the National Anthem. Emberly Long, Braxton’s twin sister, started the race for everyone. What had occurred was magical; this event, now being held in Braxton’s memory, was also raising everyone’s awareness of the disease, in addition to much needed money for research. (100% of the net proceeds from the SB5K go to Nationwide and Dayton Children’s Hospitals for cancer research.)

It also lit fires across the OH5 district. The Lego Drive became an OH5 project as well, with clubs and zones competing against each other to collect the most sets. (The Long family, who coordinates the Lego Drive, now have so many donations coming in from Lions and other sources that they are donating to Nationwide, Dayton and Cincinnati Children’s Hospitals, with a surplus in stock!)

Frustrated by the distance from the far west side of the district to get to Reynoldsburg, the Arcanum Lions Club started a “Fun Walk” at Brumbaugh Fruit Farm that raised over \$15,000 for research at Dayton Children’s Hospital in three years before COVID shut it down. There is now a room named after the OH5 and OH6 Lions at this hospital, due in large part to their efforts.

Clubs around the district started donating to various pediatric cancer causes, including foundations and other programs, in addition to supporting the SB5K. The Sam Bish Foundation,

named for Sam Bish who passed away at the age of 9 in 2010, was helped in cash and in-kind donations not only by OH5 Lions, but at the state convention as well. When the Ohio Lions Pediatric Cancer Foundation was started in 2019, it raised \$25,000 its first year alone, and has steadily grown every year – it could hit \$100,000 in its first three years of existence. At the 2022 OH5 District Convention in March, despite frigid temperatures and snow, a STEPS walk to raise money for pediatric cancer raised \$1000 in donations from attendees.

In 2017, few Lions clubs even thought of childhood cancer. Today, over half the OH5 clubs are reporting at least some sort of donation to a pediatric cancer cause, with the trend continuing up each year. Just the OH5 5K Walks and the Fun Walks alone have raised over \$75,000 for childhood cancer research; with other club donations to various worthy programs, that number exceeds \$100,000. Thousands of people have participated in events and have been educated about childhood cancer during this time frame.

The OH5 GST considers the SB5K to be the most successful District service project they've had. But in addition to the obvious benefits, it also has produced in other areas. Thanks to the STEPS 5K/SB5K, seven new Lions have joined. Four Lions have moved into leadership positions within the district after volunteering on the SB5K committee. A couple of them have taught at "Learn to Roar" District OH5 Leadership Training. The SB5K has also opened doors to new partnerships with the city, various foundations, and corporations. It has also brought new relationships with Lions Club members who participate.

In November 2022, it will be the 6th pediatric cancer walk for OH5, and the 5th SB5K. Brittany Long, Braxton's mom, wants this to be a celebration event. Super Hero costume contest for kids and adults, special awards, special food. Already over 20 reenactors have said they were coming out, with more to come. Super Heroes from the comics will be there. Police from three different departments and EMS are planning on being there. Star War's R2D2 will be making an appearance. The Summit Station High School's robotics program will be demonstrating their robots. Special Kids Run. News media will be invited, along with local dignitaries and perhaps even some other special guests. It should be quite the event.

But underneath it all is the reason the Lions continue to pull it together, year after year. A message that is stated to the members and all volunteers before opening the doors to the public for registration. This event is not about us. It's not about the Lions, or the Leos, or the other foundations and volunteers who help out. This is about the children who have cancer and their families.

We will never stop childhood cancer. But our ultimate goal is one day, if a doctor has to tell a parent, "I'm sorry, your child has cancer," the next words out of his or her mouth is, "But we have the cure."

SAVE THE DATE! UPCOMING ACTIVITIES

Troy Lions Club 80th Anniversary

The **Troy Lions Club** will be celebrating **80 years** of community service with a short informal party on Saturday, **May 14th**. The celebration will be held at the Brukner Nature Center in Troy and will feature an “**Animal Encounter**” with the naturalist staff. Doors open for this free family-friendly event at **2:00pm** and light refreshments will be served during this social time. A continuous video display will show off the proud history of the club. The Animal Encounter will begin at 3:00pm and we will adjourn by 4:00pm. The Brukner Nature Center, located at 5995 Horseshoe Bend Road in Troy, is truly a gem of Miami County. Come early or stay afterwards to check out their Interpretative Building or walk one of the many nature trails. Reservations are recommended. Leave a message with Lion Steve Kaplan by **May 8th** at skpk1984@aol.com or (937) 335-7345 indicating the number attending. Children welcome.

PROSPECT LIONS CLUB

Serving the Prospect Community Since 1945

On May 21, 2022 the Prospect Lions club will hold its 2nd Annual Golf Scramble Fundraiser at Kings Mill golf Course, Wado, Ohio, to raise funds for student scholarships, community food bank, charities and other community, state and national projects who yearly rely on funding from Prospect Lions Club.

The Prospect Lions Club, for many years, have sponsored a multitude of community fundraisers including our Summer Saturday Hamburger Stand, 4th of July in the Prospect Park, NASCAR Auction & Dinner, Car Show in the Prospect Park, and this Golf Scramble at Kings Mill.

The funds raised each year generates revenue to sponsor community events such as Breakfast with the Easter bunny, Halloween parade and Breakfast with Santa. We support local youth groups; Prospect Baseball for Youth, Elgin Athletic boosters, Elgin Music boosters, 4-H club, student scholarships and eye exams and glasses for students and adults. We also donate to local food pantry and personal needs pantry, Pilot dogs, Inc., Ohio Lions Eye Bank, Central Ohio Diabetes Association, Chapel Hill House and many more.

The entry fee is only \$75.00 per golfer and includes a cart, food, and various prizes. **Registration starts at 11:00 AM. Lunch will be served at 11:45 AM. Shotgun start begins at 1:00 PM.**

We are asking for your HELP. Sponsoring a hole with your business name placed on a banner for \$50.00 and /or organizing a foursome of your golfing friends to join you in playing as a foursome for \$300.00.

Please provide the names of your foursome & their contact information:

Cost is \$240 per 4 person team and includes greens fees, electric carts, sandwiches, chips and beverages. More information can be found on the enclosed form. Please return your completed forms to Winston Brumbaugh by August 3, 2022 along with a check payable to the Arcanum Lions Club. Thank you for your support!

The Lions Club is a service organization. Money received from our golf outing and several other fund raisers go directly into our projects fund. This money must be used to help others and for nothing else.

We rely on donations from businesses and people such as yourself along with our various projects to enable the Lions Club to exist. We support things such as the Lions Club International Foundation, Central Ohio Lions eye bank, seeing-eye dogs. Glasses for those in need, disaster relief funds, scholarships, youth music programs and also civic and school needs just to name a few.

Thank you so much for taking time to consider contributing to the Arcanum Lions Lonnie Norris Memorial Golf Scramble.

(Tee sponsorship is acknowledged with a sign placed on the course.)

Major tee sponsorship is \$125.00

Minor tee sponsorship is \$25.00

If you choose to donate, remove the slip for your 2022 tax purposes and mail your contribution to the address on the slip. If possible, plan on joining us at Stillwater Valley Golf Club on **August 7th at 1:30 p.m.** with your four person team.

Thank you again for assisting us in our mission as Lions. WE SERVE!
