# OH5 Pride Report

***District Governor Jason Gray***

**Stronger  
Together**

Happy November Lions!

Please don't forget that stage one of the Zone competition ends on November 21<sup>st</sup>. Please make sure you get all points reported to your zone chair, and copy me, by November 21<sup>st</sup>. We don't want you to miss out on any points, but we need you to report them to make sure you get all your points.

Please check the last page of the directory for activities that earn your club points, and a copy of the bracket. If you do not have a paper copy of the directory, an electronic version can be found on the district website: District13OH5.org on the left hand side you look for the tab resources, the directory is password protected, it is case sensitive: District13OH5

In the next few weeks, we will start mailing out New Lions Workbooks to any Lion that joined this year. We hope that by filling out this workbook, the new Lion will gain a better understanding of Lions and hopefully have some fun.

On that note, I would like to send a very special welcome to the new members that joined in October and a very special thank you their sponsors!

PLAIN CITY LIONS CLUB: **Lion JOYCE E CLARK** (Sponsor: Lion PAULA WILLIAMS) and **Lion MARION STENNER** (Sponsor: Lion CHARLES STENNER)

PROSPECT LIONS CLUB: **Lion RITA D BURNS** (Sponsor: Lion CATHY HILL)

REYNOLDSBURG LIONS CLUB: **Lion JEREMY HARPER** (Sponsor: Lion WILLIAM RAPER)

TRI VILLAGE LIONS CLUB: **Lion LARRY RADFORD** (Sponsor: Lion JANE JARROW)

\*\*\*LCI has waived the initiation fee for any new member that joins before December 31, 2020\*\*\*

The final planning for the convention is coming together with the hopes that we will have horses for the Night at the Races for sale in the next few weeks. Please mark your calendars and plan to attend the district's Night at the Races fundraiser on March 12<sup>th</sup> at the Double Tree in Worthington. We hope to have fun and raise a lot of money to go to the winner's OH5 charity of choice.

One final note, the Grove City Noon Lions club just informed of me a great community service project they are doing. It is called a reverse advent calendar (see page 6). Everyday you set aside the item listed for that day, and at the end of November you donate the items to a food pantry or an organization in your community. The Grove City Noon Lions Club has partnered with the Franklinton Lions Club to commit to donating at least 25 baskets in their communities! This is a great way to get members involved that are not comfortable joining meetings. Create teams, make it fun, and help the community!!!!

As always, please let me know if there is anything we can do to help.

Thank you for being a LION!  
Jason Gray

### Christmas Shoebox Project

This year's collection of shoeboxes with donated items for children is November 16-23. Boys and girls in many countries have nothing to enrich their lives at Christmas. Franklin Graham, President of Samaritan's Purse, has organized this donation program.

Shoebox gift ideas are: toys, non-liquid hygiene items, school supplies, accessories, and "wow" items such as shoes, stuffed animals, and dolls. Donations are best placed in plastic containers with a 6 quart capacity that allows packing items for shipping and using these containers to carry or store water.

For more information, contact Samaritan's Purse at 1-800-353-5949 or [samaritanspurse.org/occ](http://samaritanspurse.org/occ).

## 2<sup>ND</sup>'S THOUGHTS! 2ND VDG DEBBIE LUTTRELL

### Career Change vs Service Change

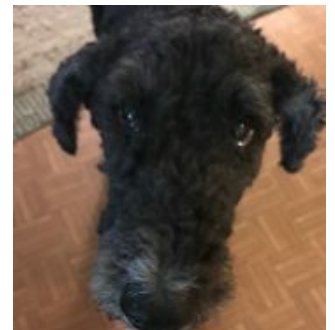

Our family has two Career Change Pilot Dogs, Lily and Rio, both standard poodles. A career change dog is one that did not meet the standards to be an effective guide dog. Lily did not make the program because she is way too shy. Rio came to us when we were puppy raisers, but it was determined that he was not up to the challenge of being a Pilot Dog. Instead, Rio was put in the in breeder program and had a total of 9 puppies that did become successful guide dogs. It was not the original plan for either of them, but they adapted and have become great family dogs.

Perhaps as Lions we need to look at being Service Change Lions – meaning we need to adapt our service projects to see how we can better serve our communities. With Thanksgiving coming soon, there are lots of folks in our areas that need help due to Covid-19. People are out of work, nutritious meals are needed, parents with children being home schooled needing a break, etc. How can we change to meet those needs?

You are resourceful group of people that are very service minded; that is why you became Lions, you wanted to make a difference. I know that you will come through and serve as many people as you can and those receiving that help will remember that it was the Lions that were there when help was needed the most.

While this Thanksgiving may look a little different, it still is a day to be thankful. I am very grateful for the Lions of OH5!! You take up the challenge of "where there is a need there's a Lion" every day!! Thank you for all your hard work and sacrifices. You do make a difference!!!

Keep up the good work,  
2<sup>nd</sup> Vice Governor Debbie

## REMINDERS FROM AROUND THE DISTRICT

### SIGHT AND HEARING COMMITTEE

For those who don't know it, I am your new Sight & Hearing Chair this year. I hope you all are staying healthy and still in contact with your clubs. Covid-19 does not mean everything comes to a halt! There are still needs within our communities as was shown these last couple of months with 6 requests for eyeglass assistance. There is still much we can do as a volunteer organization to help our communities and all kinds of new ways to do so as my own club has shown since July 1st in the new ways we are helping our community. It's fun and exciting to learn new ways to succeed and do what needs to be done.

Please don't forget to let me know if your club is doing eye screenings and make sure I get your screening information so I can report those services at the State level so they know you all are still active and doing what needs to be done in your communities. You can still collect eyeglasses as well. I believe SVOSH is back to collecting those glasses.

If your club is making donations to any sight-related agency - Pilot Dogs, Newsreel, VOICECorps, Paws with a Cause, Prevent Blindness or the Sight & Hearing Foundation, please be sure I am kept informed of your donations for state financial reporting. You can send donations directly to these organizations and send me an email letting me know what you have sent or you can send those donations directly to me at 6728 Cherry Bend, Canal Winchester, OH 43110.

If your club is meeting in person and would like to be training on the District's eye screening equipment please don't hesitate to let me know. I would be happy to come out and train anyone who would like to be trained and I'm happy to provide any club with any information they may need about vision screening.

I am here for you so please don't hesitate to contact me: 614-530-1861 or [pdgjackie@gmail.com](mailto:pdgjackie@gmail.com)

### BASIC DISASTER SUPPLIES KIT

*(From Lions ALERT Chair, Debbie Horn)*

With winter coming, are you prepared for the weather? Do you have a Disaster Supply Kit? Do you know what you should have in your kit???

To assemble your kit, store items in airtight plastic bags and put your entire disaster supplies kit in one or two easy-to-carry containers such as plastic bins or a duffle bag. A basic emergency supply kit could include the following recommended items:

- [Water](#) (one gallon per person per day for at least three days, for drinking and sanitation)
- [Food](#) (at least a three-day supply of non-perishable food)
- Pocket Knife
- Battery-powered or hand crank radio and a NOAA Weather Radio with tone alert
- Flashlight
- First aid kit
- Extra batteries
- Whistle (to signal for help)
- Dust mask (to help filter contaminated air)
- Plastic sheeting and duct tape (to [shelter in place](#))
- Moist towelettes, garbage bags and plastic ties (for personal sanitation)
- Wrench or pliers (to [turn off utilities](#))
- Manual can opener (for food)
- Local maps

Cell phone with chargers and a backup battery.

With wildfires raging in California and hurricane winds hammering the gulf coast, we are reminded that COVID-19 is not the only disaster we must be prepared for! Stay safe, everyone!

## Don't Forget!!!

The deadline to file IRS and Attorney General returns is November 15th (for clubs using the standard fiscal year of July 1 to June 30). Instructions are available on the Lions district website. If you need any additional assistance, contact Lion Steve Kaplan at [skpk1984@aol.com](mailto:skpk1984@aol.com).

## THE STATE OF THE DISTRICT

(From Lion Ben Dawson, District GST Coordinator)

Below are the metrics for activities posted to MyLion between June 2020 until now. If you look at our District 13 OH5 the numbers are from 19 out of 53 clubs. Tough times, but we can do better. Fortunately, those with meeting places and ones using Zoom or other media are doing well. If you are only meeting once a month, I implore you to rethink this as your only option. E-mail or message or call when an idea for a service or fundraiser appeals to you for your club. The next month may be too late.

For the Fall Into Service initiative, eight clubs posted on MyLion during the week of 10/4 thru 10/10. Thank you for helping Ohio clubs shine. If anyone needs help in reporting or has ideas to share with other clubs, please contact me. I will pass on gladly any service ideas from clubs or members.

## WHAT'S COOKING?

After all these months at home, we figure folks have had plenty of chance to experiment and to hone their skills in the kitchen. The Tri-Village Lions invite you to share your favorite recipes with us for inclusion in the *Tri-Village Lions Friends and Family Cook Book*.

Tri-Village Lion Katie Foley is ready to interview you to find out why this is your favorite recipe, and to write up all the ingredients and steps in preparation. Lion Anice Ellis will serve as our "quality control" expert, editing the write ups and checking to be sure someone didn't (inadvertently!?) leave out the key ingredient or skip a vital step. All we need now are the recipes for YOUR favorite foods.

### HERE IS WHAT YOU NEED TO DO:

1. Think about a recipe for a favorite dish or directions for your creating your favorite dessert (or snack!). Can't decide between two favorites? Why not offer them both! There are no limits here.
2. Contact Lion Katie Foley ([FoleyKatie@att.net](mailto:FoleyKatie@att.net), 614-481-7866) and set up a time to get on the phone and share your recipe (and your reminiscences!).

Come on... join in! Here's something everyone can be part of, and all of us will enjoy.

## At Thanksgiving You Can EAT WELL and DO GOOD With the Tri-Village Lions!

Order pies from the famed Der Dutchman Restaurant and Bakery to serve to your family and friends as part of your Thanksgiving feast. Consider ordering more pies to be donated, in your name, to Thanksgiving dinners offered by churches and shelters throughout Central Ohio for folks who are less fortunate.

This is a fundraising event for the Tri-Village Lions. The price for the each pie is set to include roughly \$5 for the Tri-Village Lions. We will use that money to support the many service and philanthropic activities for which the Lions are known.

Please let us know how many pies, of which variety you would like to order for your own use, and how many pies you wish to donate.

Sun December 6 - Sun December 13 2020

\$25 Registration ends December 6, 2020 at 2:00pm EST

### Description

The Westerville Lions Rudolph Run/Walk 5K is a family-encouraged 5K event which typically kicks off the Westerville Lions Children's Christmas Parade in early December. Due to the COVID-19 pandemic, this year's 5K Run/Walk is going virtual! The parade itself has been cancelled with plans to resume in December of 2021. The Rudolph 5K Run/Walk will generate funds to benefit Westerville area organizations.

### Westerville Lions Club

The [Westerville Lions Club](#) was founded in 1928 as the community's first service club. It is comprised of local men and women who individually and jointly volunteer their time to provide service to the Westerville community. All profits from any Lion event will go toward Lions charitable organizations that will fight the major causes of preventable and reversible blindness.

### Giveaways

We have a select number of keepsake knitted caps printed by [Rising Moon Custom Apparel](#) that will be included in race bags with a few lucky randomly-selected registrants. Additionally, all participants will receive a pair of Christmas socks, as well as a pair of gloves with finger-tabs that allow you to text. Race bags will also include local restaurant coupons and other handouts.

*YOU CAN MAKE A DIFFERENCE!*

Braxton Long lost his 3 year battle with cancer on July 24, 2017 at the age of 8 years old. He loved life, was optimistic and kind by nature, and had a smile on his face to the end.

Each year in the U.S., the parents of approximately 15,300 kids will hear the words "your child has cancer." Across all ages, ethnic groups and socio-economics, this disease remains the number one cause of death by disease in children.

Yet less than 4% of funds raised for cancer research goes to pediatric cancer.

## FAQ (Frequently Asked Questions)

### What is the Super Braxton Pediatric Cancer 5K Run/Walk?

This is a fun event that allows for competition, opportunities for friends and families to spend quality time together, and give everyone a little exercise, all the while knowing that every person who participates is helping to fight pediatric cancer.

There are seven events available state-wide that will be held this Fall as part of the STEPS Walk program sponsored by the Ohio Lions Pediatric Cancer Foundation, of which this is one of.

### Where do the proceeds of the walk/run go?

100% of the net proceeds will go to pediatric cancer causes through two programs. **STEPS: Lions for Pediatric Cancer Research** is a statewide Lions Clubs initiative that focuses on donating to Children's Hospitals across Ohio for the specific purpose of pediatric cancer research. There are six children's hospitals we donate to as a state; in OH5, we concentrate on Nationwide and Dayton. **Run4Ruth** is a Leos program that helps families of pediatric cancer patients.

### Are our donations tax deductible?

If you register for a race, no, though you are still providing for a very worthy cause, and we would love to see you! However, if you donate or are an event sponsor, and you donate through the Reynoldsburg Lions Charitable Fund, a 501(c)3, these are tax deductible donations.

### What is the schedule?

We will have registration open from 8:00-9:00am. Kids Fun Run (see below, it's free!) will start at 9:00am. The 5K Run/Walk will start at 9:30am.

### Who are the Ohio Lions?

We invite you to visit our "About Us" are, and even better, check out the Ohio Lions website at <http://www.ohiolions.org/> for additional information. Lions Clubs are 100% volunteer, with a motto of "We Serve" that has lasted for 100 years.

### Do I need to be some great athlete to participate?

Absolutely not. The 5K walk/run is all about having exercise and fun with the family, friends, or total strangers. There will be some who are a little more competitive, and we'll let them start out up front, but you can jog, walk, trot or roll (as in wheelchairs, strollers, etc – no bikes!) through the course.

### Is this a professional level event? Is it USATF certified?

No, and we aren't pretending to be, either. While we will operate as professionally as we can, please don't come anticipating elaborate gimmicks or costly hooks to draw in the public. After much discussion, it was decided that we wanted to put as much money as possible toward the cause that we feel very strongly about – pediatric cancer research and assistance. We are volunteers who happen to

believe that the general public can enjoy themselves, exercising and enjoying fellowship together, knowing they are making a difference at the same time, and can do so without the glitz and glamour, all of which eats up money.

### **Are there age limits?**

Nope. This is a family friendly event. Anyone who can walk, run or roll through the course is welcome. Strollers, wheelchairs, and service dogs are all allowed. Competitive runners will be lined up at the front for safety reasons.

### **When is the deadline for registration?**

Online registration will end **one week prior**. However, to get an event shirt in your size guaranteed (which will be available to be picked up at check-in) you **must** register no later than November 1, either through mail or online. You can register on race day as well, but there will not be a shirt available guaranteed in your size. All registrants will be provided with water, snacks, and other items.

### **What do I need to bring?**

If you registered on-line, we ask for you to bring your ID. All participants are encouraged to wear comfortable clothing suitable to the weather conditions. Please also bring any PPE (i.e. masks) that Ohio Law requires at the time of the event.

### **When should I arrive?**

If you are already registered, please be present at least 30 minutes prior to the race to allow for time to check in. If you are registering same day, please arrive an hour before the race to ensure we can get everyone taken care of prior to the starting gun.

### **Are pets allowed?**

Other than service animals, we cannot have any four legged friends joining you that day. Sorry! All service animals are welcome provided they are clearly identifiable as such. (i.e. harnesses, covers, etc.)

If you do have a service animal, please notify the volunteers at check-in.

### **Can I just come and cheer on the walkers?**

Absolutely! Love to have you out there.

### **What happens if there is bad weather?**

Unless you are a wicked witch, you won't melt. Obviously, if there is seriously inclement weather, such as thundershowers or tornadoes, we won't be walking...or running. Check your area's weather. Our website, **[district13oh5.org](http://district13oh5.org)**, will announce any changes to schedules on the day of each event.

100% of net  
proceeds will  
go to pediatric  
cancer causes.
