OH5 Pride Report

District Governor Jackie Christensen

October is **Vision Awareness Month**. I want to challenge ALL clubs to do vision screening in your community during the month of October. With Knights of the Blind being my theme, vision is what pulls at my heart strings. I hope you all join me for celebrating our chance to help someone have better vision!

Another October event is **Medication Safety Awareness for the Blind (MSAB)**. We have been contacted by En-Vision America to help them at the National Federation for the Blind of Ohio's convention which will be held in mid-November. Please see information later in this newsletter (Page 5). IPDG Mike Kerek, has already volunteered to staff the booth and we need a few more Lions to help us out for this great event! Please contact me if you are able to help and let me know what shift you can work. Let's show En-Vision America how important vision is to District 13-OH5!

I just recently got back from the USA/Canada Lions Leadership Forum. It was a GREAT time with lots of wonderful leadership seminars. A chance to catch up with many Lions Family members from all over the US and Canada. Including spending some time with 1VDG Jason and Lion Amber Gray and my fellow Governors from Ohio.

While at the Convention I had some time during the Spouse's Breakfast, hosted by Ohio's International family, to spend time with ID Justin Faber, our International guest for the convention next year (see picture attached). Justin is a friend of mine from that state up North whom I've known for many years – I actually did my Helen Keller presentation at his District Convention. When everyone was asked to stand up and introduce themselves I got a challenge from ID Justin in front of everyone I will need your help with. If our

District doesn't grow our membership by the convention, I will have to wear a maze and blue (you know what state I mean) jersey during the convention! **PLEASE don't make me have to wear this!!** However, I also threw that challenge back at ID Justin that if we do grow our membership HE will have to wear an OSU Jersey during the convention. Now this is one I'd like to see!! I need your help with this challenge. If every club grew to just 1 more member than you started with on July 1, we will absolutely meet that challenge.

I'm happy to say the **Worthington Noon Lions Club** has already helped us with this goal. During their recent membership night they gained not 1, not 2, but 3 new members!!! Way to go Worthington Noon!! Now the goal is to keep those members. Get them involved early and find out what they are passionate about and be open to trying new things. This is something we can all do, all you have to do is **just ask**.

My work obligations still continue with mandatory overtime and I'm sorry there are many of you I won't get a chance to visit because of this. However, **please** keep me posted on the activities

your club is doing, so I can at least visit your club on the weekends during these activities and get some time with your club. I love seeing what you all do for your communities. Every club's service is different and I really enjoy experiencing all of it. You can email me at: cwpaws13@gmail.com

There is LOTS to read in this newsletter, I hope you all take the time to read the articles, and attend the club events you are able to because District 13-OH5 is the BEST District in the State. Thanks for all you do in the name of Lionism! IT'S GREAT TO BE A LION.

Yours in Lionism,
DG Jackie

Yep! That's our own PDG Sam Bates, out on the field with the OSU Alumni Band at the game on August 31st. Lion Sam was a drum major during his years at OSU and, apparently, hasn't lost his touch!

Be on the lookout

Leadership Development is critical to the overall success of any organization. Your club, zone and district cannot prosper without good leaders. Once a potential leader is identified, he or she can be provided with information, training, mentoring, and motivation to advance. All Lions are encouraged to be on the lookout for potential leaders and to turn their names and contact information into the District Leadership Committee: Steve Kaplan at skpk1984@aol.com.

The Troy Lions contribute shoeboxes or plastic containers of the same size filled with sanitary and school supplies for kids in harms way outside the US. This is a program sponsored by the ministry of Franklin Graham; last year our gifts went to Peru. The plastic containers are welcomed as containers to carry water. Our shoeboxes will be collected prior to Thanksgiving. If your club would like to contribute, please contact 2nd VDG Joe Jackson for more information - shoelessjj71@gmail.com

What is YOUR Club doing to support
LCI's War on Diabetes?

Would your club members like to learn how to do diabetes testing? You can learn to do screening at a regular meeting, and receive a starter screening kit from the District. You can then go out and screen up to 200 members of the community. Teach your friends and neighbors about the hidden dangers of untreated diabetes, and promote health and wellness. To arrange for training, contact Lion Jane Jarrow, lionjjarrow@gmail.com.

October Is Vision Awareness Month!

Ever since Helen Keller inspired Lions to champion the cause of blindness in 1925, we've served and advocated for the blind and visually impaired. Raise awareness of Lions fight against preventable blindness. **This year, World Sight Day is October 10th.** Has your club planned any activities to remind the community of the importance of sight conservation? Here are some reminders of how precious vision is, and why Lions have long been recognized as the *Knights of the Blind*.

What Is the Difference Between a Vision Screening and an Eye Exam?

[information drawn from the website for Vision Service Plan (vsp.com)]

What does a vision screening do?

A vision screening serves to detect the presence of ocular or visual health issues and with that detection, a referral is made to a local optometrist to complete a comprehensive eye examination. The difference between the two is that a comprehensive eye exam actually diagnoses visual health issues and ocular conditions in a way that a vision screening just can't, simply because there's a difference in equipment and in the depth of the examination.

What's the advantage of a comprehensive eye exam?

Not only is your eye doctor able to tell exactly what your prescription is during the comprehensive eye exam, they're also able to look at the health of the back of the eye using special drops that dilate the pupil. During the eye dilation, the doctor is able to see the retina and to check for early indicators of diabetes, warning signs for glaucoma and any other possible retinal findings that could be detrimental to the overall ocular health.

Isn't Modern Technology Wonderful?

The latest technology available to people who are blind provides an opportunity for them to access print materials on the go. **Voice Dream Scanner** is an optical character recognition (OCR) **scanner**. It was created for use on a cell phone. It **scans** an inaccessible document or text image and converts the text to an accessible document that can be read out loud by the built-in reading program in the cell phone. Blind individuals can buy it from the App Store for (ready?) just \$6!!! New, affordable technology provides a level of independence and dignity that people who are blind have struggled to achieve until now. Learn more about Voice Dream Scanner at www.voicedream.com/scanner

Help Staff an Information Table

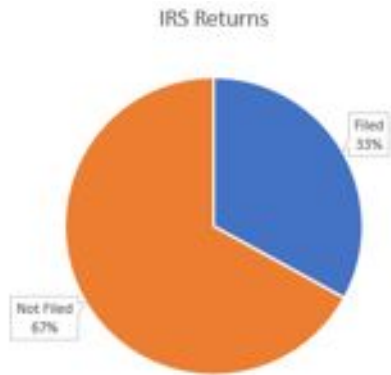

Medication Safety Awareness for the Blind

On November 2, the Ohio Chapter of the National Federation of the Blind will hold its annual conference at the DoubleTree by Hilton Hotel, Columbus/Worthington. The Lions of OH5 have been asked to help staff an information table for conference attendees regarding Medication Safety Awareness for the Blind. We will be sharing information about ScripTalk -- a prescription readers specifically designed for visually impaired and print impaired individuals to encourage medication safety. It is free for patients at many pharmacies, including Walmart, Sam's Club, and more.

We need folks for two shifts on that afternoon: 11:30-2:00 and 2:00-4:30. If you are interested in helping out, please contact DG Lion Jackie Christensen, cwpaws13@gmail.com

Filing Deadline Approaching – Which side is your club on?

Only 33% of Lions Clubs in OH-5 have filed their IRS return for 2018-19 and only 49% have filed their Attorney General return. If your club is using the standard fiscal year of July 1 to June 30, then you have only until November 15th to get both of these returns filed. Do not wait until the last minute. If you need any help, please contact Lion Steve Kaplan at skpk1984@aol.com for assistance.

From the F&P Committee

Hi, again, from Lion PDG Dave Luttrell. I am currently serving as the Chair of the state committee Finance and Long Range Planning (F&P for short). I was asked to write a column for district newsletters about what happened in the July and August F&P meetings. As I started to do that, it dawned on me that I really need to report on last year's activities first.

Around 2018-2019 we led a change, approved by the Council of Governors (the 7 sitting District Governors of Multiple District 13 aka COG) to cut mileage in half, and to eliminate meal reimbursements at the state level. F&P suggested, and the delegates in May 2018 approved eliminating two state committees. Finally, F&P adjusted the dues allocation of \$12.16 per Lion per year at the state level to try to balance the State Council Fund, the Office Operations fund, and the remaining funds to keep all of them afloat. In my mind in Fall 2018, I thought this would be sufficient for 3-4 years. I was wrong – it made it until August 2019 before some concerns showed up.

For the 2019-2020 year, the Finance and Planning Committee met in July and then in August, and finally with a joint meeting with the Council of Governors in August. F&P has recommended further options to reduce costs

and promote a growth in membership. The State Finance & Planning & COG discussed & approved most of the 2019-2020 budgets as well as the current five year forecast.

F&P is working with the Global Leadership Team to reduce costs for June 2020 training of Second and First Vice Governors. We are discussing ways to try to make state conventions more affordable, how to better train, and how to readjust the dues allocation (if practical).

F&P has been busy. I hope to be able to share our progress with you in the November timeframe. We will be looking at the five year forecast. And as a heads-up, we shall be starting to discuss a dues increase for some time in the next few years.

What can you do to avoid a dues increase? That's all within our control – if we increase the number of Lions in Ohio each year it will delay or even avoid a dues change. Will you choose to help?

Lion PDG Dave Luttrell (Hilliard)

2019-2020 Chair Finance and Long Range Planning Committee

I hope this has been useful. Have comments?

RESOURCES FROM LCI

“Just ask” your community to serve

Now that the year has begun in earnest, it's time to begin thinking about your club's recruitment strategy. The **Just Ask** guide will be your best friend in developing your club's unique membership strategy! This key resource will take you through the four steps of member recruitment:

- 1 Preparing your club
- 2 Creating your club's growth plan
- 3 Implementing your club's growth plan
- 4 Welcoming your new members

Your club is bound to have its own needs and challenges, and the Just Ask guide will help you tackle them. Assess what your club needs in a new member, and what members of your community will respond to in a Lions club. A successful recruitment strategy can be as simple as “just asking” your community to serve alongside you, but a little research goes a long way. Get to know the **Just Ask** guide this month to gain insights on how you can best open your club to new members.

It's easy to think of a dozen reasons why someone might not want to join your club – that they don't have time, or have other commitments – and it's easy to make excuses not to ask someone if they'd be interested. But you'll never know for sure until you “just ask” them!

(To download the guide, go to the Lions Clubs International website and search “Just Ask!”)

The Power of Action

Have you explored the resources available from LCI's Global Action Team (GLT)? The GAT is a continuous loop of resources and feedback. From an initiative's beginning to the time it reaches clubs, the team is set up to be agile and flexible, allowing the association to provide expertise while incorporating necessary changes as instructed by Lions. This is how, together, we can ensure everything delivered is at its best. The most recent GLT Quarterly Newsletter included these features:

It's a Brand New Year

Our GAT Newsletter is designed to focus on you: the districts. In this newsletter, you'll find a guide to the steps you need to take in order to be successful in your position. We look forward to working together to make this fiscal year a great one, and your GAT staff specialists are always here to help you along the way.

Let's Prepare

In order to ensure that you are ready to tackle the new year, make sure to visit the GAT landing page and GAT Leadership page to familiarize yourself with your GAT area leaders, review roles and responsibilities and check out the new GAT Field Guide.

Let's Begin!

Make sure your team is ready to go by reaching out to your region and zone chairs and having your clubs appoint their GAT members. They can also connect with the GAT on our Facebook Group.

Let's Learn

Equip your team with the necessary knowledge, tools and resources to get the job done by familiarizing yourself with the new resources on the GAT webpages. Be sure to review your district's goals, and take a look at the new GAT Overview presentation.

Let's Strategize

Work with your team to plan out your schedule for the year. Do not forget to schedule your training events and apply for your Leadership Development Multiple District and District Grant.

Spotlight on New Voices

While the New Voices program will still support gender parity by encouraging women to join our association and take leadership roles, the program now includes other new voices: those of young people and other underrepresented populations.

Dear Aspiring Lion Leader,

We are pleased to inform you that the MD 13 GLT will once again be offering a "Regional Lions Leadership Institute" to the Lions of Ohio. Levels I and II will be limited to thirty participants each.

The Lions Institutes are indeed the "Ivy League" of leadership training. The institute at both levels will be a three-day immersion into developing and improving your leadership skills. This training will not only help you in your work with Lions, but also in your profession and your life.

This institute is designed solely to enhance your leadership skills. It will not be about fund raising, membership, or service projects. It will be held Friday, October 18 thru Sunday, Oct 20, 2019. Attendance is required for all three days.

The cost to participants is \$185.00. The total institute cost per participant is over \$350. Your only other expenses will be your incidentals and transportation to and from. Your hotel room and 2 dinners and 3 lunches will be paid in full by MD 13 GLT. Grants from LCI and funds from the MD-13 GLT committee allow you to attend for approximately half of the institute cost.

We invite all Level I graduates to enroll in the Level II program. Encourage Lions in your clubs and district that may be stepping up to club or district offices to enroll in the RLLI Level I. We assure you that it will be well worth your time and involvement.

Your application can be filled out and submitted via email to MDS Debbie at ohiolions@gmail.com or mailed to MDS Debbie Luttrell at the Ohio Lions State Office, 4074 Hoover Rd., Grove City, Ohio 43123. A deposit of \$75.00 must accompany your application for the application to be accepted.

We are proud to be able to offer this opportunity to the Lions of Ohio and look forward to receiving your application. If you have questions, feel free to contact any member of the Executive Committee or your District Coordinator.

Sincerely,

PDG Jay Carey
MD 13 GLT Coordinator

The Tri-Village Lions Present
After 9/11: How Strangers Made a Better World
An Afternoon To Give You Hope for the Human Race

“Never forget!” has become the mantra of those who urge us to remember, and to learn, from the tragedy that was 9/11. Adults remember the day that our world changed forever, and still mourn the loss of innocent lives. We have heard the stories of bravery and heroism that surrounded the events, and the aftermath, of that day. But not everyone has heard the tales of ordinary people everywhere, who responded with extraordinary kindness to those who were caught up in those tragic events. It seems that when things are at their worst, people are at their best!

Those are the stories we hope to share on **Sunday, October 6**. We’ll share stories from a first responder who was sent, with his unit, to help with the rescue and retrieval efforts at Ground Zero, and who experienced, first-hand, the kindness and caring of New Yorkers who couldn’t help with those efforts, but could support those who did. You’ll hear stories from an everyday hero who wasn’t part of any rescue team, but felt compelled to go to the site before the ashes settled, to try to help in any way he could. And you will hear the remarkable story of the little towns in Newfoundland whose people opened their hearts and their homes to the stranded “plane people” from international flights who couldn’t go home for four days, and who couldn’t know what they would find when they got there.

Why is it important to hear – and remember – these stories? Because it reminds us that we are all part of something bigger than ourselves. Our actions matter. Each of us *can* make a difference. Those individual actions may not be felt or remembered on the world stage. They may never be known or recognized by anyone. But every offer of kindness, every selfless act, every contribution you make towards a better world will, indeed, make our world a better place.

We thought about naming the event “The Feel Good Sunday.” We expect that when you leave the panel discussion that day, you will leave with a smile. Come and hear about the kindness of strangers in response to unthinkable tragedy, and consider how you can make a difference to someone else every day, in little ways that count.
