Making a Difference 1 Lion at a time!

Governor Mike Kerek

Fellow Lions,

On behalf of those we serve, I thank you.

For the little girl with her brand-new glasses, studiously poring over the words in her book which are in focus for the first time in her life.

For the high school FFA student, proudly wearing his new member jacket that his family could not afford, feeling like he's a part of, not apart from, the rest of the club.

For the Korean War veteran who couldn't afford a flag pole, who stares up in silent contemplation as the Stars and Stripes flutter in the breeze from the new pole erected that morning.

For the line of hungry people of all ages, waiting patiently for their turn to receive what will be their only meal for the day, the only option for life-giving sustenance that they have available to them.

For the middle-aged woman, recently diagnosed with diabetes after receiving a surprising reading at a routine glucose screening the previous week, giving herself her first self-injected shot of insulin.

For the young boy in a hospital bed, hooked up to IVs and monitors, weak in body yet strong in spirit, smiling as he holds up his latest Lego creation for his mom's approval.

For the parents who sit on a blanket in a local park after a family picnic, watching their children gleefully play in the litter-free playground.

For the blind man, going to work on his own for the first time thanks to the Pilot Dog that has become his companion and independence life-line.

For these people, and the countless thousands that we touch in a myriad of ways every single day, thank you for your service. Thank you for making a difference, one at a time.

First Vice District Governor Jackie Christensen

Fellow Lions,

As Governor Mike's year is coming to a close I find myself being nostalgic as I'm going to miss being able to work with him on a regular basis! He has been a great leader for this District and they are big shoes to fill. I am thrilled, though, Governor Mike agreed to be on my Cabinet next year.

I look forward to spending time with all of you next year, helping you with your events, and hopefully keeping this District running smoothly. Our cabinet is at your service so please let us know what we can do for you!

My theme for next year is Knights of the Blind! What a surprise, right?! 😊 It's rather fitting I get to be your District Governor on this upcoming 100th year of Ohio Lions service to the world where Helen Keller challenged us to be "Knights of the Blind in this crusade against darkness". Lions vision service has made wonderful strides in the past 100 years and we will continue to work to eradicate preventable blindness and help those without sight to lead a better, more normal, healthy and active life. One of my goals for next year is to help us further this cause by getting every club in our District doing vision screenings in their communities. Won't you join me in helping to save the sight of a young person? We can teach you how if you don't already know.

I was actually thrilled to be contacted by someone from LCI about what our District in particular and what we have done with vision service. I had a half hour conversation about all we do throughout Ohio, not just in our District, to continue making strides in vision screenings. During my DG training in Illinois, our instructor, PID Gotto, heard me talk about my RLLI group and what we tried to do in the state with a mobile vision van and my district in particular about wanting to get all my clubs doing vision screenings and he apparently forwarded my contact info along to LCI. I was pretty happy about that and to find out someone was actually listening.

My other goals for our District next year, besides vision screening, are as follows:

- More women in Lions and more women stepping into leadership roles – we have a LOT to offer ladies! If I can do it, so can you. There are many roles out there that need your leadership. Join me in helping to make this organization even GREATER by contributing our unique perspective!
- More family of Lions! I love visiting clubs that have children at the meeting or other family members a part of the same club. Family is what Lions is all about and families are who we all help, so why can't we all, as a family, be members of a Lions Club? After all, those children of Lions members are our future Lions. Show them how important service to their community is by setting that example for them and let them help you in your service to the community.
- I have several "formal" goals from LCI and I'll share those with you next month.

In this, our upcoming 100th year of Ohio Lions, let's celebrate OHIO! You'll hear about what all we'll be doing to celebrate in the coming months. But in the meantime, if you have any ideas about how we can celebrate, let me know. Whether it's about our 100th anniversary or about your clubs, I am always open to new and better ideas. Please don't hesitate to share them with me.

Newsletter Editor—2018-2019

Deadline for all articles is the 25th of the month. Send to: cwpaws13@gmail.com

Next month's newsletter will be my last as your newsletter editor as this District
13-OH5 year comes to an end. You will all be left in good hands as Lion Jane
Jarrow will be my newsletter editor for 2019-2020 Lions year and I'm very
excited about that.

I was disappointed more clubs did not get there club activities to me this past
year so we all discover what other clubs throughout our District do for service
and fundraising in their communities. But maybe you will all think about doing
that with Lion Jane. I certainly hope so! This is a newsletter for all our clubs,
not for your District Cabinet. I will, however, continually encourage my cabinet
to get articles in the newsletter to keep all clubs informed about what is
happening with our different areas of service in the District, State, and at the LCI
level. Knowledge is power and the more you know the more you can help your
communities!

Thanks for all you do! And, especially, thanks for allowing me to serve as your
newsletter editor in 2018-2019.

LETTING KIDS BE KIDS

Camp Hamwi & Diabetes Youth Camps

The Central Ohio Diabetes Association's summer youth camps allow children and families to connect with a community of support, part of a lifelong path to living well while navigating the challenges of diabetes.

Campers learn about diabetes management — including nutrition and carbohydrate counting, insulin therapy, and blood glucose monitoring — while participating in exciting traditional summer camp activities.

Camp staff include cabin counselors, social workers, nurses, dietitians, and physicians. Many staffers have diabetes themselves.

Camp Hamwi serves youths ages 7-17, and children as young as 3 can attend diabetes day camps at Hoover YMCA Park. Scholarships are available thanks to our generous sponsors.

HELEN KELLER SIGHT SAVER AWARD

In 1925, when Lions International was only seven years old, the legendary Helen Keller spoke to Lions members at their annual convention and challenged them to become **“Will you not constitute yourselves *Knights of the Blind in this crusade against darkness*”**

Quote from Helen Keller in that address: “Will you not help me hasten the day when there shall be no preventable blindness; no little deaf, blind child untaught;” set the Lions’ course. Since this pivotal moment in 1925, the Lions have founded eye banks around the globe and, millions of Lions members worldwide have devoted their service careers to **“hasten the day”** by helping people with visual impairments.

As a tribute to this inspirational woman, The Central Ohio Lions Eye Bank has created the Helen Keller Sight Saver Award. The award is an excellent way to honor an exceptional Lion, Lioness, non-Lion individual, business or organization. Recipients are typically persons or groups who have distinguished themselves on behalf of sight and who see and care for the needs of those less fortunate than themselves.

A \$1,000 donation to the Central Ohio Lions Eye Bank allows the donor to present a Helen Keller Sight Saver Award. The award recipient receives a beautiful plaque and pin. The recipient’s name is put up on the Helen Keller award board at the Central Ohio Lions Eye Bank. Both the donor and the recipient have the satisfaction of supporting worthwhile Lions projects. Donations can be in the form of a one-time payment or cumulative donations over four years to equal \$1,000.

The Central Ohio Lions Eye Bank was founded in 1973 on the campus of The Ohio State University, thanks to the support of the Ohio Lions clubs. In December of 2005 we moved to our current location at The Eye Center of Columbus. The Central Ohio Lions Eye Bank operates a laboratory accredited by the Eye Bank Association of America for performing comprehensive eye banking service, from donor recovery to microscopic evaluation, donor eligibility determination, storage, and distribution of surgical eye tissues. The Central Ohio Lions Eye Bank with the help of our healthcare community, has been able to provide over 18,000 corneas for transplantation since its founding in 1973. Our goal of advancing eye care through research and medical education is also accomplished with eye research projects and through residency training for physicians who will become eye care specialists. The Eye Bank provides corneas to patients in need, regardless of financial circumstances, insurance status, race sex, country of origin or other demographics

Mission

To restore, improve, and preserve sight by connecting eye donors and educating physicians and enhancing eye research through quality eye banking services.

Vision

To open greater opportunities for sight restoration

CENTRAL OHIO LIONS
EYE BANK

Be a part of the vision.

GLOBAL SERVICE TEAM (GST)

SPRING IS BUSTING OUT ALL OVER!!

The Global Service Team (GST) in OH5 is looking to help our clubs meet their service goals in helping the Environment.

Would you like some “seed” money to accomplish your goal to help your community?

Perhaps start a community garden to help your local food pantry? Plant some flowers at a Senior living community to make it a little brighter? Plant a tree in memory/honor of a Lion in your club to beautify a park? We are here to help.

There are ten \$50 grants that can be used to help fund your service event. Create your event and complete it, then send in the following information to me:

- 1) Write a short paragraph or 2 explaining your environmental service project;
- 2) Include pictures of the event to share in the newsletter. AND
- 3) If possible, include youth to help you with your project.

Once completed; your club will receive a \$50 reimbursement. Hurry, there are only 10 grants available and they expire on June 30, 2019.

As well as being recognized in the newsletter and at next year’s district convention, you will be eligible for service hours on MyLion.

Beautify the district and share the beauty of “service” to those in your community!!!

Diabetes Screening Service Project

Lions of District 13-OH5—Here's another GREAT service projects for those of you who have been trained to do Diabetes Screening! I was contacted by Alicia Thomas, who works out at this Fitness Center. For the 2nd year in a row they are having a "Kick Diabetes" event and fundraiser. All donations go to the Central Ohio Diabetes Association. This will Occur on June 8th, 2019 (flyer has the incorrect year on it!), at KZone Fitness Center, 5726 Westbourne Ave, Columbus, OH from 8 AM until 1 PM. We are in need of 5-10 Lions who are trained in diabetes testing to work this event for us. You can work in a couple hours shift or for the full time, if you so

desire. They are hoping for 150 attendees at this event so it's a BIG deal. This came about because the owner's mother got diagnosed with diabetes, so they have been dedicated to helping to raise money for CODA for the last 2 years. Let's have a great showing and let them know what LIONS are all about! Where there's a need there's a Lion!!

If you are able to assist on this date, please contact DG Elect, Jackie Christensen, at cwpaws13@gmail.com or at 614-530-1861 to schedule your time to assist. Another activity you club will get service credit for participating so be sure your club secretary knows you are helping out. Another event showing us: It's GREAT to be a Lion!

Lions Code of Ethics

I was reminded recently that sometimes we Lions forget we are supposed to think positively and to promote Lionism. I wanted to share our Code of Ethics to remind us all what it means to be a Lion! Pay special attention to the last one which many of us forget most sometimes.

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

VOICEcorps Reading Service needs YOU!!

Lions of District 13-OH5,

We all have the opportunity once again to participate in a District Service Project!! This can become an annual event and it happens right here in our own District.

I was contacted by VOICEcorps Marketing and Development Director, David Noble, about participating in a OHIO LIONS day at VOICEcorps Reading Service, 2955 W. Broad St., Columbus, OH. This would take place on Tuesday, May 21st the weekend after the State Convention.

They are asking for ANY Ohio Lion to contact them and schedule a time to come and do some reading for their service. You would arrive 15 minutes before your scheduled time for some instruction, read for 20 minutes, and they will also give you all a tour of the facility after you are done. Another great way to see what Lions service for the blind is all about! A feel good project to know you are helping the blind to hear about those things they cannot see. The reading service has volunteers read anything and everything that would be of interest for information to the blind—grocery ads, books, magazines, newspapers, store sale ads, etc. You name it, they read it. We will be spreading the word about this project throughout the state hoping as many Lions as possible have time to stop in during the day and read for them. Of course, those of us who work during the day cannot participate so we need those of you who do not work during the day to fill in and make us proud because we'll be thinking of you that day and wishing we were there too!

If you are able to assist, please contact David Noble at the following:

Phone: 614-274-7650 or

Email: dnoble@voicecorps.org

Don't forget to let your club secretary know you are doing this so your club gets credit for your service work!

Our Final Stretch!

What a year it has been! Let's continue the momentum and keep the celebration going.

Recruit women into clubs. Encourage women to take leadership positions, now and for next year. Appointments for leadership positions will be made soon, so **continue the momentum of New Voices** by ensuring that talented women are included.
