## ROARING BACK from the Pandemic

This month, the focus is on what clubs are doing to bounce back. Please look over the holiday sales (starting on pg. 7) and the upcoming activities (starting on pg. 17) that suggest... we're baaaacckkk!

## Spotlight on Service from One of Our Own!

PDG Lion Jackie Miller is honored for her commitment to service and to Lionism (p. 6).

## LIONS EXCHANGE

Here is a place to check out requests from other Clubs in the District for help on their projects/activities, or to post your own (page 6).

## **“Working Together, It All Fits”**

Alerts and Reminders from  
District Governor Joe Jackson

## **They Won Club Excellence Awards... Are You Next?**

Congratulations to both Worthington Noon and Reynoldsburg for earning Club Excellence Awards from LCI! Any Lions Club can apply for this award; please send me your club's application to be signed ([shoelssjj71@gmail.com](mailto:shoelssjj71@gmail.com)).

## **Peace Poster/Peace Essay Contest**

All entries for this years contest are due to DG Joe Jackson by November 15. Remember, the theme is, “We are all connected.”

## **Super Braxton 5K**

Super Braxton 5K is November 6 at Summit High School in Reynoldsburg. This event is a great opportunity to raise funds to contribute to oncology research. Thanks to the many Lions and other families that help organize this event. Remember, you can register as a virtual runner and enjoy your Saturday morning coffee at home or another venue.

## **Video Enhancement Machines**

Video Enhancement Machines are available to assist low vision individuals in OH-5. These machines are old school and function without any computer assist. There are other ways to help low vision individuals; however, newer machines can be too expensive for many folks in need. Currently, there are two older machines left; they could be used in the library of a long-term care facility or by an individual. Please contact DG Joe for more information at [shoelssjj71@gmail.com](mailto:shoelssjj71@gmail.com)

## Unclaimed Funds Reporting

An URGENT Reminder *(Warning!)* from Compliance Chair  
Lion Steve Kaplan

According to the Ohio Unclaimed Funds Law (Revised Code Chapter 169), all businesses (including Lions Clubs) that operate in the State of Ohio, are required to file an Annual Report of Unclaimed Funds to the Ohio Department of Commerce. Lions Clubs usually do not have any unclaimed funds (abandoned bank accounts, safety deposit boxes, paychecks). However, clubs must still file an annual negative report.

The negative report may be filed electronically through the Ohio Business Gateway or by printing out form OUF-1 from the Ohio Department of Commerce website. If filling out the printed form, include all of the contact information at the top. The FEIN is the same as your club's EIN (never write in a Social Security Number). The Report Year is the current calendar year. Check the "NO" box, sign, date, and mail to the address on the bottom of the page.

The State's annual unclaimed funds reporting deadline is **NOVEMBER 1**. Failure to file could result in civil penalties of \$100 per day. If you need any assistance, contact your district compliance chair,  
Lion Steve Kaplan @ [skpk1984@aol.com](mailto:skpk1984@aol.com).

Columbus Northeast Lions PDG Ray Empson and Secretary Jeff Craig donating \$1000 to the Salvation Army.

The Westerville Lions welcomed their newest member, Lion Phillip Kline, at the October 21<sup>st</sup> installation. L to R: Lion Bill Phythyon, President, Lion Debbie Bennati, Membership Chair, and new Lion Philip Kline.

## Get Ready to Serve

*From GST Lion Ben Dawson*

I want to thank everyone for participating in the FALL INTO SERVICE. I saw 9 clubs during that time on MYLION, but MYLION'S website is acting up a lot. I am sure other clubs did service in October and have not added them in because of reporting problems. I have found it easier and simpler to report service using the MYLION app. The problem is not many people using app. Download MYLION app (you will need your member id to register). Have your club secretary send you Membership report showing your id. It's easy from there. Download how to use from MYLCI or contact me I will be glad to help. All officers should have the app. After attending some club meetings, Zone meetings, etc, I assure you our District rocks!

You'll find information about the global cause of protecting our environment on pg 5.

*Lion Bob Sheetz - Worthington Noon Lions Club*

## PROJECT IDEAS ENVIRONMENT

### LEARN

- Tour a recycling and waste management facility with your club.

### ACT // BEGINNER

- **Plant trees.** Consult your local environment authorities to determine the type and number of trees needed, as well as the location for planting.
- Meet on a monthly basis and clean up a beach, community space, or roadside area as a club.
- Hold an environment-themed photo contest at a local school. Reward the winner with a tree planted in their honor or another green form of recognition.
- Challenge all Lions in your club or district to add at least one green habit to their daily lives. Inspire others by sharing your actions on social media. Habits might include:
  - Using a reusable water bottle or coffee mug rather than disposable products.
  - Changing to energy-saving lightbulbs.
  - Setting a time limit for your shower to reduce water consumption.
- Develop a Green Living Tip Sheet and share it electronically with members of your community or network.
- Recognize a local organization or community leader for their efforts in environmental conservation.
- Calculate your carbon footprint with an online calculator. If your footprint is bigger than you would like, purchase carbon credits that are Gold Standard Certified and brainstorm ways you can lower your carbon input.
- Volunteer with your local park service to maintain trails. You will help more people access and enjoy nature!
- Commit to "Meatless Mondays", or not eating meat one day each week.
- Collect used cellphones and donate them to individuals in need.

### ACT // INTERMEDIATE

- Lead an after school nature walk for young students. Encourage them to make observations and ask questions, then have them draw a picture of their experience afterwards.
- Host a community viewing of an environmental film or documentary.
- Save water by surveying your homes and community for leaks in sinks, communal spigots or water fountains. Contact relevant officials if repairs are needed.
- Work with city officials to paint "no dumping" signs near road drainage areas.
- Identify where to recycle toxic items and share/advertise its schedule of collection campaigns.
- **Organize an environmental mural competition.** Paint the winner's artwork in an appropriate area to beautify your community and promote environmental awareness.
- Implement a community recycling drive where people donate gently used items to charity organizations.
- Share a meal with students at your school. Afterwards, teach them how to sort their recyclables and trash.

### ACT // ADVANCED

- Develop a demonstration garden or landscaping plot using native plant species to encourage restoration of the local natural habitat and water conservation.
- Sponsor a training program for small farmers on how to make and use organic fertilizers and pesticides.
- Produce a monthly nature program on the local public radio station. Feature environmental topics of local interest, interview environmental activists in your community and promote Lions environmental projects.
- Host a public debate on controversial environmental issues in your community. Share the results with government officials.
- Partner with a local carpenter (or use a DIY tutorial) to build a rain barrel. Then, hold a training with community members to promote using barrels for watering and irrigation.
- Organize an alternative transportation incentive program in your community to encourage walking, biking, public transportation and carpooling.
- Work with local schools to establish organic school gardens and a composting program to improve the quality of school meals and reduce waste.

## Focus on PDG Jackie Miller – ***SHE SERVES!***

Congratulations to PDG Jackie Miller for being recognized by her employer, State Auto Insurance, with the Jay Yano Community Service Award. Lion Jackie speaks eloquently to her commitment to service, and to Lionism, in the video announcing her award (<https://www.youtube.com/watch?v=H3CZiVZO168>). In her honor, State Auto presented an impressive award to PDG Jackie, and a VERY impressive donation for \$2500 to LCIF.

We, as Lions, take our activities and service as an everyday part of our lives. It is good to remember that we share a commitment that is not necessarily pursued with such enthusiasm by others – and that when they know and hear what we are all about, they may be inspired, as well!

## LIONS EXCHANGE

## At Thanksgiving You Can EAT WELL and DO GOOD With the Tri-Village Lions!

Order pies from the famed Der Dutchman Restaurant and Bakery to serve to your family and friends as part of your Thanksgiving feast. Consider ordering more pies to be donated, in your name, to Thanksgiving dinners offered by churches and shelters throughout Central Ohio for folks who are less fortunate.

This is a fundraising event for the Tri-Village Lions. The price for the each pie is set to include roughly \$5 for the Tri-Village Lions. We will use that money to support the many service and philanthropic activities for which the Lions are known.

Please let us know how many pies, of which variety you would like to order for your own use, and how many pies you wish to donate.

*YOU CAN MAKE A DIFFERENCE!*

Braxton Long lost his 3 year battle with cancer on July 24, 2017 at the age of 8 years old. He loved life, was optimistic and kind by nature, and had a smile on his face to the end.

Each year in the U.S., the parents of approximately 15,300 kids will hear the words "your child has cancer." Across all ages, ethnic groups and socio-economics, this disease remains the number one cause of death by disease in children.

Yet less than 4% of funds raised for cancer research goes to pediatric cancer.

## Rudolph 5K Virtual Run/Walk hosted by Westerville Lions Club sponsored By Nationwide Children's Hospital and Salaita Orthodontics

Sun December 6 - Sun December 13 2020

\$25 Registration ends December 6, 2020 at 2:00pm EST

### Description

The Westerville Lions Rudolph Run/Walk 5K is a family-encouraged 5K event which typically kicks off the Westerville Lions Children's Christmas Parade in early December. Due to the COVID-19 pandemic, this year's 5K Run/Walk is going virtual! The parade itself has been cancelled with plans to resume in December of 2021. The Rudolph 5K Run/Walk will generate funds to benefit Westerville area organizations.

### Westerville Lions Club

The [Westerville Lions Club](#) was founded in 1928 as the community's first service club. It is comprised of local men and women who individually and jointly volunteer their time to provide service to the Westerville community. All profits from any Lion event will go toward Lions charitable organizations that will fight the major causes of preventable and reversible blindness.

### Giveaways

We have a select number of keepsake knitted caps printed by [Rising Moon Custom Apparel](#) that will be included in race bags with a few lucky randomly-selected registrants. Additionally, all participants will receive a pair of Christmas socks, as well as a pair of gloves with finger-tabs that allow you to text. Race bags will also include local restaurant coupons and other handouts.
