LIONS CODE OF ETHICS

TO SHOW my faith in the worthiness of my vocation by Industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position of action towards others, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.

LIONS MISSION STATEMENT

To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.

A member of the Busan Jae-il Lions Club since 1977, President Choi has held many offices within the association, including club president, cabinet secretary, district governor and International director. He also served numerous times as a DGE Group Leader and served on 11 committees as a member of the International Board of Directors. In addition, he was a chairperson of the 39th OSEAL Forum in 2000 and a host committee chairperson at the 95th Lions International Convention in Busan in 2012, the largest convention ever held in Lions history.

In recognition of his service to the association, President Choi has received numerous awards, including the Humanitarian Partnership; Senior Master Key Award; 100% District Governor Award; multiple International President's Leadership Awards; multiple International President's Awards; and an Ambassador of Good Will Award, the highest honor the association bestows upon its members. Lions Clubs International Director Justin Faber District OH5 Convention Speaker

Justin K. Faber, from Deckerville, Michigan, USA was elected to serve as International Director of Lions Clubs International at the association's 102nd International Convention, held in Milan, Italy, July 5 through July 9, 2019.

He became a Lion in 2001 after joining the Ubyly Lions Club. Director Faber was instrumental in changing his club from an all-male club to a diverse club that is the pillar of the district today.

He has held a number of offices within the association including MD GST Chairperson, MD Governmental Liaison Committee Chairperson, and Council Chairperson. As the council Chairperson he navigated the political scene in the State of Michigan to revise an age-old law that abruptly disallowed Lions from collecting monies in the streets. This small act allows Lions to raise over one million dollars annually in the State. Director Faber was a presenter at the USA/Canada Leadership Forum as well as the Michigan Forum.

In recognition of his service, Director Faber has received several Presidential Certificates of Appreciation, an International President's Leadership Award and an International President's Award. He also was one of four District Governors in CA1 to receive Dr. Yamada's Dignity Award in both halves of the year. Director Faber is also a Melvin Jones Fellow.

Director Faber started his first small business at the age of 19, Fabe's Family Concessions. He also owns and operates two other small businesses, Ameriheat and Thumb Rentals. Director Faber enjoys every aspect of being a small business owner and the challenges that go with it.

Director Faber joined the Michigan Army National Guard and served as a Military Policeman for eight years. After the attacks on the United States on 9/11 he was deployed to the Pentagon. He has been awarded several awards and accommodations to include the 210th MP Battalion Soldier of the Year.

Director Faber graduated summa cum laude from Central Michigan University (CMU), Mount Pleasant, Michigan. He was awarded a double major in Political Science and Nonprofit and Public Administration. He also has a minor in Leadership. Director Faber also has earned certificates in: Civic Engagement, Public and Social Entrepreneurship, and International Non-Governmental (NGO) Administration. He is currently pursuing a Masters in Public Administration and will graduate December, 2019.

In addition to his Lions activities, Director Faber is also a member of the Thumb Veterans Organization, the Knights of Columbus, the Michigan Association of Fairs and Exhibitions. He is a member of the Sanilac County Veterans Board and has served as a Sanilac County Brownfield Redevelopment Authority as Chairperson. Director Faber previously served on the Sanilac County Board of Commissioners, two terms as Chairperson of the board. Also, he is a board member of the Sanilac County Historical Museum.

Director Faber has a passion for history and collects historical artifacts. He also enjoys travelling and spending time with his family.

Lions Clubs International FOUNDATION

Melvin Jones Fellowship

The Melvin Jones Fellowship is the backbone of LCIF, providing 75 percent of the foundation's revenue. A recognition of humanitarian work, an MJF is an honor presented to those who donate US\$1,000 to LCIF or to people for whom a donation was made by others. Contributions can be made by individuals (including non-Lions), clubs or districts. Contributions can be made in one sum, or in installments of a minimum of US\$100 over a five-year period. Melvin Jones Fellows receive an attractive lapel pin, a plaque and a congratulatory letter.

MJF FAQs:

- The Fellowship was established in 1973 and the Progressive program began in 1986 in response to Lions' request for a way to extend their commitment to LCIF.
- There are 54 levels in the Progressive program.

Philanthropic Donations

Most clubs donate because they believe this is the correct thing to do as “*We Serve.*” Most clubs want to be recognized for what they do. Perhaps you personally don’t think it is important to have your club recognized but think of your newer members at convention. There *is* pride generated when you see your club’s name in front of the entire district! Pride is an excellent retention tool.

When your club makes a donation you may send it to the Lion responsible for that area who will forward it on to the correct agency. Of course, you may send it directly to the agency. However, if you do send it to the agency, please send a message to the Lion responsible to that area so your club can get the credit it rightfully deserves!

Many of these groups make excellent Lions club meeting programs.
