LIONS CODE OF ETHICS

TO SHOW my faith in the worthiness of my vocation by Industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position of action towards others, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unwavering loyalty in word, act and deed. To give them freely of my time, labor and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.

LIONS MISSION STATEMENT

To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.

Lions Clubs International FOUNDATION

Melvin Jones Fellowship

The Melvin Jones Fellowship is the backbone of LCIF, providing 75 percent of the foundation's revenue. A recognition of humanitarian work, an MJF is an honor presented to those who donate US\$1,000 to LCIF or to people for whom a donation was made by others. Contributions can be made by individuals (including non-Lions), clubs or districts. Contributions can be made in one sum, or in installments of a minimum of US\$100 over a five-year period. Melvin Jones Fellows receive an attractive lapel pin, a plaque and a congratulatory letter.

MJF FAQs:

- The Fellowship was established in 1973 and the Progressive program began in 1986 in response to Lions' request for a way to extend their commitment to LCIF.
- There are 54 levels in the Progressive program.

Philanthropic Donations

Most clubs donate because they believe this is the correct thing to do as “*We Serve.*” Most clubs want to be recognized for what they do. Perhaps you personally don’t think it is important to have your club recognized but think of your newer members at convention. There *is* pride generated when you see your club’s name in front of the entire district! Pride is an excellent retention tool.

When your club makes a donation you may send it to the Lion responsible for that area who will forward it on to the correct agency. Of course, you may send it directly to the agency. However, if you do send it to the agency, please send a message to the Lion responsible to that area so your club can get the credit it rightfully deserves!

Many of these groups make excellent Lions club meeting programs.

Ohio Lions Sight & Hearing Committee or Ohio Lions Sight & Hearing Foundation Inc.
