Creston Leos add a little sweetness to FAMILYFEST! By Myrna Johnson

Our Creston Leos - where a huge drawing card - look at the line up out the door! Leos served cotton candy from 1 - 4 pm on Monday 13th February at Creston & District Community Complex.

Lions donated wonderful wooden toys to be part of door prizes for the children - check out table by the door.

An excellent addition FAMILYFEST to job, done by all - thank you to Lions and Leos.

**DRIVE DOES NOT
WORK IF IN PARK OR
REVERSE!**

By 1VDG Harry Lippincott

Time and energy are needed to be effective in a membership drive. Wanting new members just for numbers does not work. You cannot look at your membership drive in that way. You must have a compelling reason for your membership drive to generate enthusiasm and excitement. It shouldn't be directed to "losing" the ability to continue with what projects your club participates in. It should be directed to what it is that you do! Focus on your successes with service projects and what the future may hold if that prospective member joins the club.

A crucial part in a drive is your members. Members will make it happen, not just the effort. Maybe consider re-orienting your club. Make sure the members are knowledgeable on what it means to be a member in the World's Largest Service Organization. You must be consistent on what it is that you are "selling" so to speak to the prospective members. Members want their opinions to be heard. How can you prepare for a membership drive, if the members are not on board? Yes, you may not get everyone to agree, but if a member is invested in the process then it will lead to a better chance of success.

The club must go into a drive with a goal in mind. Your goal can be set as high as you like, but it must also be reachable. I encourage all clubs to conduct the **"Spring Ahead Membership Drive"** in March. Your club can be eligible to receive funds of \$300.00. Awarding of funds is based on your clubs membership and percentage increase. This is for the month of March only.

Welcome to *Your* Leader Dogs for the Blind

A Leader Dog empowers people who are blind with the skills needed for independent daily travel by offering: **Guide Dog Training**

Leader Dog provides highly-trained, qualified guide dogs to people who are legally blind, 16 years or older, with basic orientation and mobility skills, and can physically and mentally use and care for a dog in the intended manner. In 1991 LDB began providing guide dogs to people who are both hearing and visually impaired.

Accelerated Orientation & Mobility Training (commonly known as white cane training)

This residential program pairs clients and instructors 1-to-1 to quickly help clients obtain the basic orientation and mobility skills needed to travel safely with a cane. About 50% of these clients return to train with a Leader Dog.

GPS Training

Like your cars' GPS, this hand-held technology allows clients to know where they are, what direction they are traveling and what businesses are nearby. All guide dog clients from the U.S. and Canada receive this device free of charge.

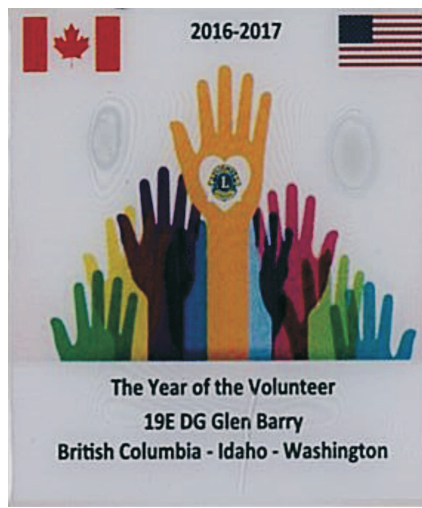

Summer Experience Camp

A unique summer camp for teens ages 16 and 17 who are legally blind combines summer fun with an introduction to guide dogs, leadership training and the opportunity to spend time with peers who are facing similar challenges.

CANADA - NATIONAL FLAG DAY by [Myrna Johnson](#)

Yes, Creston Lions, stepped up to “Share your Moment with the Flag Challenge”- talked a few town staff and local residents to join them on front steps of Creston Town Hall. They bravely stood in our freezing rain filled afternoon - to smile, celebrate and wave our beautiful Canadian Flag.

Hi fellow Lions:

It is getting very close to the end of February and we are finished 19E's annual club visitations. I would like to thank all the clubs in our district for the warm reception you showed 1st VDG Harry Lippincott and myself while visiting your clubs. I would really like to thank all the Zone Chairs for the great effort they put in to making my visits run as smoothly as they did. I would also like to thank you 1st VDG Harry for helping me with some visitations that I could not make, I appreciate your help.

I would like to thank some very good friends who just happen to be Lions for providing a place for me to stay and in some cases more than once (that shows tolerance). I would also like to thank all the other Lions (and there were quite a few) who graciously offered accommodations if I needed them for some of visits and that was so very much appreciated.

I really want to thank all the clubs that gave me gifts and made donations on my behalf to the different charities and foundations. My very gracious thanks to all of you.

It is my wish to see as many of the Lions in our District in Castlegar the end of April as possible, you won't be disappointed, and it's going to be a fun time.

Note: To those clubs that I was not able to be at personally I would like you to know that your names will be added to the banner for you so that every Lions name will be on it.

Greetings all, on February 24, 2017 from your DG Glen

Well at the time of this writing, we have **126 days** left in this year of Lionism. There is still plenty of time to add to our numbers by keeping the valued members we already have and add to the existing membership with quality new members. We will still strive to get onto the plus side of the membership side of the ledger.

Spring Ahead Membership Drive

What Is It?

The Spring Ahead Membership Drive is a 2017 project that will ask each Lions Club in MD19 to hold a membership event during the month of March 2017.

Why should my club participate?

Almost all Lions Clubs will benefit from new members. More members equal more service. Also, participating clubs have the opportunity to win some great prizes. We will send more prize information soon.

So what do we do next?

3. Plan a membership event for anytime during March, 2017. You can plan an open house, contact potential members at a community event, or walk your local businesses with membership applications. We will be sharing more great ideas as we get closer.
4. Send an email to MD19 Public Relations Chairperson Kathy Crawford at katmc@live.com to let us know that you are going to participate. We will share the names of clubs that plan to participate and share your ideas.

The MD19 Membership Manual includes a complete Open House manual. This is a proven method for holding an open house. Find the manual at: <http://www.lionsmd19.com/manuals/>

Please don't wait till March to bring in new members, bring them in anytime. But, please plan to participate in the **March Membership Drive** as well. Let's end this year with as many new members as we can. And let's not lose any more valued members.

I would like to welcome all the new members that have joined our Lions family this year so far. Would

If all clubs would bring in at least **ONE** new member between now and June 30 that would be great. **How hard can that be**

Happiness is..... **VOLUNTEERING**

Now is the time to nominate a special lion from anywhere in 19-E for the Jim Wilson memorial award!

Just send a nomination letter about the special Lion that you would like to see receive the award (with an explanation of why this Lion is so deserving of this year's Jim Wilson Memorial Award), and remember if you nominated someone last year that wasn't chosen nominate them again this year. Mail nominations to Lion Michael and Kim White, Po Box 39, Coolin, ID 83821

All entries must be **received** by Friday March 10th

One Lion will be chosen from all the entries received by March 10th, a group of Lions will chose the winner and then the award will be presented at the April, 2017 Spring Conference.

Please **help support** the award by donating your **New, Old and Unwanted Pins** to the Jim Wilson Memorial Award. Contact Michael & Kim White to pick up your donation if needed.

For any questions, Please contact Michael and Kim White at

Kmwhite61963@aol.com or call 509-998-5699.

Spring Ahead Membership Drive by PDG Brian Ross GMT District E

A great way to entice new members would be to have a community project that would involve many local individuals and groups. Plan an event; invite the community to participate, task different groups for precise measures of involvement. Define what you would like to accomplish. Become visible in your communities.

The Spring Ahead Membership Drive is a 2017 project that asks each Lions Club in MD19 to hold a membership event during the month of March 2017. Three prizes will be awarded:

1. Best increase in membership by percentage for clubs with 20 or fewer members (as of February 28, 2017), \$300.00 prize
2. Best increase in membership by percentage for clubs with 21 to 50 members (as of February 28, 2017), \$300.00 prize
3. Best increase in membership by percentage for clubs with 51 or more member (as of February 28, 2017), \$300.00 prize How can my club participate?

1. Plan a membership event for anytime during March, 2017. You can plan an open house, contact potential members at a community event, or walk your local businesses with membership applications. Come up with your own unique plan.

2. Send an email to MD19 Public Relations Chairperson Kathy Crawford at katmc@live.com to let us know that you are going to participate. We will share the names of clubs that plan to participate and share your ideas.

3. Check out the MD19 Facebook page at https://www.facebook.com/SAMD2017/?_fb_noscript=1
The MD19 Membership Manual includes a complete Open House manual. This is a proven method for holding an open house.

To be eligible for this contest all members must be brought in during the month of March and reported on the March membership reports.
