## Creston Lions - Gettin' their Irish On

Happy St Paddy's Day, Lions!

Our Creston Lions started the *Wearin' of the Green!*

Wonderful to see all members at our meeting - out sporting their attire with green, singing Irish songs, scheduling of volunteers for Archery Shoot on Sunday.

Photo of our evening, an **Irish Blessing** and wishing all a great **St Patrick's Day** by Lion Myrna Johnson

### AN IRISH BLESSING

May love and laughter light your days,  
and warm your heart and home,  
May good and faithful friends be yours,  
wherever you may roam,  
May peace and plenty bless your world  
with joy that long endures,  
May all life's passing seasons  
bring the best to you and yours!

## To all **Lions, Leos and Lioness** in District 19-E:

At this writing there is about 30 days till conference time. There are bills to pay, food to order and facilities to secure for the seminars and all of this is dependent on the number of registrants. So please, please, please send in your forms as quickly as possible.

Come on Leos you are the Lions of tomorrow, learn, have fun and meet other Leos. This conference is a great place to learn, have fun, renew old acquaintances and make new friends. I mentioned how nice it would be to have representatives from each club in our district, so if your club has a little extra money in their administration account and can maybe help a few of your members with some of their expenses it is a great experience.

At this time the host hotel (Fireside) is fully booked but the Super 8 across the street still has openings. **Book Now! And thank you all so much!!!!!!!!!!!!!!**

## Lion Maury Murphy, 100% Lion for 66 plus years by Lion Myrna Johnson

A little more information on Creston Lions " Hug-A-Lion Day event. Maury was busy talking to the public on all things Lions. supervising the cooking of hot dogs and Leos spinning cotton candy!

**Lion Maury Murphy**, LCIF # 1186133, is a **life member** of LCIF and is a role model for all Lions. Lion Maury has been in **perfect attendance** for **66 plus years**.

In 1962 Maury began making an annual visit to the Creston hospital where he visited with patients and distributed Christmas goodies to lift everyone's spirits at that special time of year and continues to do so. Maury also began collecting glasses to support the **Lions Vision Program** at our **Hug-A-Lion Day** his number was 50,243 and as of writing **today** he has collected **50,335 pairs of eye glasses!** Maury served as Secretary of the Creston Lions for 31 years, collected monies from the **LCIF Mints** for **20 years** and started the **Adopt a Highway Program** in 1962 in Creston, B.C. On Remembrance Day, Maury marches up the pavement to the Cenotaph then stands to attention in the cold to honor all our fallen heroes.

Maury is still very active in the community and still lives on the family farm they moved to in 1927. Truly, a man to admire!

Thought you would like to see a few more of our highlights.

# Special Olympics at Hug-A-Lion Day by Myrna Johnson

Thanks to our Creston Special Olympics joining us today at Hug-A-Lion Day! Frances Collison gave a heart moving speech - amazing speaker!  
Well done, Frances!

Steps on how to make the World a better place:

1. Join a Lions Club.
2. Stay in Lions Club.
3. Get others to join Lions Club.

**BECOME A LION**  
AND MAKE A DIFFERENCE TO YOUR COMMUNITY

# LEADERSHIP 101

While visiting clubs in 19-E this year I emphasized the need for new leaders. This were leaders at the club, zone and district levels. We are offering this training at our District Conference in Castlegar B.C. April 28, 29 and 30<sup>th</sup> (cabinet).

The cost was originally \$35.00 USD but this will be offered at \$35.00 CAD for Canadians wishing to take advantage of this great training at an affordable price. If you know anyone in your community that is not a Lion they can also take this training. We need to have at least 15-20 people to make this viable.

Reserve your spot now.

“Thinking about becoming a Leader? Served in a Leadership position but feeling a little rusty? New and improved Leadership Development Training (Leadership 101) is a one day course designed to train you to become an effective presenter and Leader. This new program will reinforce your old skills and introduce you to new techniques necessary to effectively lead your members into the future.

YIL GLT Frank Bega

This course is a real **confidence builder** and will help in any of your future endeavors.

## Open House Success Stories by IPDG Bob Yeoman

Has your club had an open house yet? Is your cub planning an open house? Let me share a few success stories from the past couple of weeks. **Spokane Suburban North** held an open house on 3/19. Individuals were invited, snacks were served, questions were answered. During the event we had a short LCIF video playing so invitees could see what Lions do through LCIF. While all this was going on one of the members played guitar and sang in the background. We took in 2 new members during the event and 4 more at the next meeting. Great job President Craig Deitz and members of Suburban North. **Post Falls** held an open house on 3/8. Again snacks were served, speech's were made regarding Lions, club activities, Dues, History, LCIF. As a result of this open house 4 invitees made commitments to join at the next meeting. Congratulations to President Mike Jarrett and members for planning a great event. The **Smelterville Lions** also had another open house for the second year in a row. While I do not have details of this years event, here is what they did last year. Individuals were invited, snacks were served, speech's were made regarding Lions, club activities, LCIF Video was shown by Zone Chair Frank Bega. A Q&A time followed. Last year the club took in 7 new members. This year the results were 3 new members. Another great job by President Jay Huber and members of his club. Four things are in common with all these events, people were invited, snacks were served, information was given out and new members joined. Three clubs brought in 13 new members this year. I hear some clubs say they can't get new members. Well try an Open House as these three clubs did. Think positive and plan an event, you might be surprised and we all like surprises.
