## District Governor's Message

**DECEMBER**

## MERRY CHRISTMAS LIONS OF DISTRICT 19E

I hope all of our Canadian Lions had an enjoyable Thanksgiving Day in October and that our US Lions had an enjoyable Thanksgiving Day last month.

Please enjoy the upcoming Christmas Holidays with enthusiasm and an open heart to those in need. If your club doesn't already have a Christmas community support event, please take the time to create one and share your good fortune with others.

To those clubs already onboard with a Christmas Project, keep up the good work and thank you for your foresight.

*"Looking for the Lion in Everyone"*

### **"Better to Give Than to Receive"**

"It's better to give than to receive," is something we have all heard throughout our lives. However, as stewards of helping our communities, I'm not really sure which is more important. We certainly can't help or give as much as we would like without first receiving funds. Therefore, in our position as Lions, I believe both are equally important. Unfortunately, many clubs who have lost their signature projects are having to search for ways to earn/make funds.

I urge you to take time to plan what causes you want to fund and what activity/project you are going to implement to fund them. Focusing on causes that resonate with the existing concerns of large numbers of people often generates more funds. This is also true of finding members who are willing to chair and help with the activities. There is a bigger buy-in when there is a connection by all participants.

I also would like you to consider all of our less fortunate community members at this time of the year who may not know where or if they will get a meal, have children who may not receive Christmas gifts, or they simply don't have a warm coat for the winter. Often times those less fortunate community members are our next-door neighbors or attend our churches, or they are the children who are attending our schools.

If you don't know where to turn, you can call your local school(s), talk to a school counselor, and ask if they know of a family in need. They can't give you the names, but they can provide you with the family dynamics and let you know what is needed. Let's make this holiday season, as we always do, a little brighter for others in our communities.

**HAPPY HOLIDAYS  
1<sup>ST</sup> VDG PEGGY HARRIMAN**

### **TIS' THE SEASON**

As Lions our mission throughout the year is one of service and giving. Service to our communities and giving to those in need. We focus on identifying the greatest need in our communities and then responding to that need. We have historically been very successful in fulfilling our mission.

Perhaps in our zeal to serve our communities, we have overlooked a critical organization that desperately needs our help. I am talking about our own Lions Clubs. We have become an integral part of serving the needs of our community, and the loss of our club would seriously impact the well-being of our home. Over the last few years, our District (E) has lost three Lions Clubs and membership has dropped below 1,300 members. Remember at 1,250 members we can be asked to redistrict, shuffling our clubs into other districts/zones with little input on our part.

A gift to ourselves could involve inviting friends, neighbors, and members of other organizations we have partnered with to help us celebrate the holidays. We can and should showcase our accomplishments and community service. ASK these visitors to join with us as Lions and become members of our own clubs. WE can then offer to pay their initiation fee of \$35. This is a great gift to our new members and an even greater gift to ourselves for it is imperative that we reverse the trends currently occurring and begin to grow again.

Please consider giving the gift of life to our organization and offer to pay the initiation fee for all new members. It will mean so much in the long run and cost so little.

**HAPPY HOLIDAYS  
IPDG LYNDON HARRIMAN**

**FRANK BEGA, DISTRICT GOVERNOR  
DISTRICT 19E**

Where do I begin? As a District we are lacking a 2<sup>nd</sup> Vice-District Governor, We are missing seven (7) Zone chairs, and numerous positions on the District Cabinet.

Where has all the enthusiasm about being a Lion and serving your community and helping people throughout the world gone?

Every club I have visited to date has had at least one member who exhibited the skills and Lions Club Knowledge to be able to fill a position on the cabinet, or as a Zone Chair, or as the 2<sup>nd</sup> VDG.

It all begins with orientation. What is expected of you as a Lion? What duties and responsibilities will you be faced with? How do you prepare yourself to meet those expectations?

As a District we offer Club Officer Training, but as a District we seldom address the orientation requirement. We assume that it will be taken care of at the club level. This is perhaps the most critical training session that in many instances never takes place. All a new member hears is "just do something".

What needs to take place is a sit-down session where the sponsor or mentor of each new Lion takes the time to explain why a Lions Club was formed in your area, what projects or activities are specific to your community, and where that new member or new members will fit into the overall scheme of things.

There are at least two versions of New Member Orientation on the LCI website. If you are not able to reach them, please contact one of the following: PDG Brian Ross, our District Membership Team Coordinator; 1<sup>st</sup> Vice-District Governor Peggy Harriman; your Zone chairperson; or me. We are all prepared to reach out and make sure your questions are answered or your problems are solved.

If properly mentored/oriented, new members will hopefully see the need for leaders and feel honored to seek a leadership position.

**"SHOCKED"**

Yes, you are reading the word correctly. The reason I am shocked is that for the month October 15 clubs did not report Monthly Membership. I have been in this District for 22 year and in all that time the most I recall is 5 clubs not reporting.

Two years ago, 90% of the District Clubs reported. The absence of 1 or 2 clubs reporting maintains all reporting to LCI at the 90% level. I wonder why there's such a large number of non-reporting clubs. I do know there has been difficulty for some of the Secretary's when using the MyLCI/MyLion website, however, 32 clubs did manage to report before the end of the month. A comment, do you know that when a club is trying to report at the "last" minute you are competing with approximately 46,000 other clubs.

Yes, that is the number of Lions Clubs in the world. This is a major reason why we encourage clubs to report early. We suggest reporting after the 1<sup>st</sup> meeting of the month. However, if you are waiting until later in the month try to remember no later than the 25<sup>th</sup> of the month.

I would be interested in knowing the issues you experienced if they were LCI website related. Hopefully, some of you will be glad to share.

I will remind all club officers that training is always offered at Spring Conferences. Additionally, the district has individuals that will come out and train your officers (minimum 2 clubs attending). These folks just like you, have a family, they may have full-time jobs and likely numerous other obligations, but they are Lions who are willing to help the district.

Respectfully,  
**PDG Harry Lippincott**  
**District 19E Administration Assistant**

Ford Motor Company has stepped up and added a hum noise to their electric cars that both guide dogs and vision impaired people can hear.

Mattel has released a Braille version of their popular game, **Uno!** Both people who are sighted and those who are visually impaired can play the game together with the same deck. The game can be found at Target for \$9.99.

Ben and new guide dog "Pablo" have returned from Leader Dog school and are doing well and are inseparable. Ben and "Pablo" have been in the CDA Press and interviewed by KHQ-TV. In both cases the Rathdrum Lions Club was credited for making this happen.

## **CHILDHOOD CANCER**

Although Nationally Childhood Cancer Awareness has come and gone and Lions Childhood Cancer isn't until February, it's important to remember that the disease continues, and there are children in Pediatric Cancer Centers receiving treatment.

So, while you are toasty warm this cold, wintery season, consider making or buying new hats, caps, head scarves and blankets to donate to a childhood cancer center. Or while you are home with your family during the holiday season, think about those families who are spending it in the hospital. If possible, have your club write greeting cards full of well-wishes and encouragement to be shared with patients and their families at a local cancer center.

Thanks to the many Lions clubs for your donations to the Sacred Heart Childhood Cancer Center. I know there are other clubs who have used Amazon to order gifts, and there are still others who are continuing to gather needed items for the Sacred Heart Cancer Center, as well as other cancer centers utilized by community members in our district. Your gifts are very much appreciated.

### **Happy Holidays and Season Greetings to Everyone!**

When we look forward to the holidays and the New Year, we should look back to those that we have helped and to the future of our organization and those we will serve.

Has your club planned an open house? Are you on the lookout for new prospective members? Are you running out of ideas and fundraising activities?

The solution? Keep your members busy and active and generate freshness with new members. There are many opportunities to accomplish this by following a well-planned *"Blueprint for a Stronger Club"*. Create a plan with your membership committee, then follow the plan. Use an *"Open House"* guide and invite prospective members. Follow the plan and use guidance from the *"Just Ask Guide"*. It does work!

I had the opportunity to attend an open house with the Spokane Shadle/North Lions. It was well orchestrated, invitations sent out, guests invited, with speakers talking on the opportunities and history of lions. Pizza and cake were offered to all those in attendance. Speakers spoke well and were quite informative on local, district, multiple district and International issues. Their goal was to increase their membership by five. They may have gotten ten new members out of this event. It was so encouraging for their club that they plan to have another event in the spring.

The success of our organization relies in the hands of our clubs and its membership as we strive to keep us young at heart and our communities strong.

## **Peace Poster Report** **Margie Walters/District Chair**

Six clubs chose to participate in the Lions Club International **Peace Poster Contest: Davenport, Chewelah Valley, Lake Windermere, Coeur d'Alene, Spokane Central and Sand Creek.** The district winner was from the **Chewelah Valley Lions Club.** Her name is Zoya Zaitzev. Her poster was sent to MD19.

## **Northwest Foundation**

White Cane donations from District 19E clubs are lagging behind in comparison to last year. Many clubs have not sent their donations. Please send your donations before years end. Clubs donations, no matter how small, helps the Foundation to continue their valuable work and continue supporting our clubs and community members.

Let's make it a Merry Year!

**PDG Ken Cook**

## **Lions Club International Foundation**

Lions Club International Foundation has a new program that should make most everyone happy. The past couple of years I have visited clubs (not all), sent emails, visited Zone meetings to promote donations to LCIF. I have heard it said more than once we want our funds for local needs. Well LCIF has made that possible. A new Grant program has been started for Districts and Clubs. The new District and Club Community Impact Grant Application is referred to as DCG.

Here is how it will work to the best of my knowledge at this time. As I learn more I will share with the District.

\* Club must donate \$5,000 to qualify; District must donate \$10,000 to qualify.

\* Donated funds can accumulate over a 15 year period.

\* Club or District will be allowed to receive 15% of donation. If your club donates \$5,000 this year you would be eligible to receive a grant for \$750.00 next year. You would be helping your community and supporting LCIF programs.

\*Restricted funds are not included. Restricted funds are earmarked for Disaster, youth, vision, etc. when the donation is made.

\*Funds donated in fiscal year 2019-2020 are available in fiscal year 2020-2021. Currently our District has nearly \$6,000 from fiscal year 2018-2019 available.

\*Club can control their own funds for a community project OR release to the District for a District project.

Encouraging all members and clubs to make a donation to LCIF soon. We have seen a number of disasters recently, most current being fires again in California. If you can only give \$5.00 that is fine. Asking each club and member to give as they feel led.

**Bob Yeoman**  
**LCIF Chairperson**

## "Looking for the Lion in Everyone"

District 19-E 2020 Spring Conference  
May 1, 2, 3  
"Looking for the Lion in Everyone"

Time to celebrate the wonderful district we are a part of and all the accomplishments of our clubs.

We have so much to be proud of, so let's join together and plan to attend the District 19E Spring Conference. The conference will be a great time to connect with other Lions, participate in leadership and officer training and great seminars. Enjoy a wonderful boat cruise on Lake Coeur d Alene. Showcase all the amazing talents you have and the great service your club has done and participate in Contests and Awards. Join us for **"Swingin Safari" Fun Night**. Honor our Lions who have passed away at the memorial service. Get to know other Lions in the Hospitality Room. Have a great time during lunch as we raffle off desserts with proceeds being split between Camp STIX and Camp Winfield.

The conference will be at **Best Western Plus in Coeur d Alene**. Everything will take place on the main floor, so very convenient for everyone. Breakfast is included in the price of the hotel room.

We are fortunate to have International Director Gus Brown and Lion Barb join us for the weekend celebration. They are from Cape Vincent, New York and are looking forward to meeting the Lions of District 19E as he likes fly fishing, golf and outdoor activities and Barb enjoys outdoor activities and quilting.

We would love the clubs or members to donate coffee for break times. Bring raffle items so that we can make the raffle the biggest and best ever.

### Contest & Awards

Fellow Lions,

To keep Contest & Award a part of our Spring Conference, we need help from you. Take a little time to put together a bulletin, brochure, business card, scrapbook, or website. Plan a musical performance or share a story. Let's keep Contest & Awards going!

The rules are on MD19 website at <https://lionsmd19.org> or contact me.

Creston LC also partnered with Save On Foods to hold a cookout in the parking lot at the local mall. Local media and Social media shared the story which led to about \$900 in direct public donations. Creston LC was able to present a cheque in the amount of \$2,348 to Brayden's Dad (Dale), Brother (Josh) and Uncle (Mike).

## **Remembrance Day Nov 11**

## **Spokane Shadle North Lions Open House**

Spokane Shadle North Lions had an Open House recently. The membership committee met a number of times and planned this event by using MD 19 Open House guidelines. We went above the guidelines and prepared gift bags with pens, wrist bands, note pads and more. Members submitted names, invites went out, follow ups went out. Speakers were invited from Soles to Souls, Camp STIX, and Young Life, all organizations we have supported for a long period of time. Also invited District Governor to speak on Lion organization, Ist Vice District Governor to speak on women in Lions, Immediate Past District Governor to speak on Lion History and Membership Chair to help sell Lions. Members spoke on club history, vision, finances, LCIF, activities. The Open House has resulted in 5 new members and 1 member reinstating his membership. New members will be inducted by District Governor Frank Bega on 12/8. Have been told that at least 4 others are giving consideration to joining the club. We will have a second Open House in the spring.
