January 2020 Newsletter...Part II

Tidbits from 19E District Administration Assistant PDG Harry Lippincott

As we reach the end of the 1st half of the Lions year and the end of the calendar year, I am providing suggestions for Club Secretaries and Club Treasurers to undertake in January.

Membership (Secretary and Treasurer)

In mid-January your Club Treasurer will receive a dues billing statement. Included with that statement will be listing of the current members as recorded at LCI. It is recommended the Secretary and Treasurer review that member list to assure those listed are the members currently active in the club and that the club is not paying dues for dropped or deceased members. Additionally, for Club Secretaries this review presents a very good time to update each member's information as shown on the web site. That information is current mailing address, phone numbers, email address, etc. You get the point.

Dues (Treasurer)

Working with the Secretary use the list of members that you will receive from LCI. Rationale explained above. Do not forget that LCI dues billing means that when billed the dues are due. That basically means by the end of January.

New for this 2nd half billing from MD19 will an increase in dues that was voted in at the MD19 Annual Convention in October in Wenatchee. I have copied the schedule for the dues increase below. I recommend the Club Treasurer keep a copy of the schedule readily available.

During the 98th Annual MD19 Annual Convention, delegates voted to increase the per member club assessment. That increase was based upon a recommendation that passed at the spring 2019 Council of Governors meeting. The minutes of that meeting can be found here:

<https://lionsmd19.org/downloads/minutes-2019-spring.pdf>. The following chart clarifies how those numbers add up. Remember, clubs will be invoiced based upon the LCI membership as of December 31 and June 30 of the Lions fiscal year. The assessment is due payable to MD19 by February 28 and August 31. Please note this chart only reflects the assessment by MD19, LCI will charge separately. At the end of this assessment cycle in July 2026/2027 members will be paying US \$0.75 per month more than they are currently paying.

		1st half	2nd half
Current MD19 charges	\$ 18.60 per member per year	\$ 9.30	\$ 9.30
JAN 2020	\$ 3.00 goes into effect	already paid	\$ 12.30
July 2020-June 2021	\$ 24.60 per member per year	\$ 12.30	\$ 12.30
July 2021-June 2022	\$ 24.60 no change	\$ 12.30	\$ 12.30
July 2022-June 2023	\$ 25.60 per member per year	\$ 12.80	\$ 12.80
July 2023-June 2023	\$ 25.60 no change	\$ 12.80	\$ 12.80
July 2024-June 2025	\$ 26.60 per member per year	\$ 13.30	\$ 13.30
July 2025-June 2026	\$ 26.60 no change	\$ 13.30	\$ 13.30
July 2026-June 2027	\$ 27.60 per member per year	\$ 13.80	\$ 13.80

Fellow Lions, **Happy New Year!**

We lions have a Vision for this coming year from our inner sight.

It's 2020...Why not have the perfect Vision?

2020, the year of each club doubling membership by each member asking one new person to become involved with their communities. **Goal: Could be 2020 members in District E.**

Another 2020 vision, have each area of District E having 20 clubs or more in Washington, 20 clubs Idaho, and 20 clubs in British Columbia. **Goal: 60 healthy clubs instead of 47.**

Another 2020 vision, having officers, zone chairs and District representation on all levels. **Goal: To obtain perfect reporting and participation from all clubs.**

We can accomplish this in many ways, new members, increasing women membership, Branch Clubs, Specialty Clubs, or new clubs in new communities. Our future does not fall on the hands of a few but the body of us all. We need to take it upon ourselves to ensure our presence is known not only in our communities but those not having organized clubs to help them.

Our District team is there to help you, our MD19 team is there to help you and most of all Lions International has provided on their web site many great tools to achieve membership increase and retention.

Are these Goals attainable? Possibly! We could have fun trying!

Let us look forward to a Perfect Vision in 2020

PDG Brian Ross
