## District Governor's Message

While I have had many wonderful moments as District Governor this year, one fact stands out and it is one I must celebrate with enthusiasm and pride. A recently added Cabinet position is the District Administrator.

Without the creation of this position and the good fortune to find someone not only willing to step up and fill the position, but armed with the knowledge and determination to ensure that he would be available, and steadfastly do his best to assist our club officers during a trying time with the new member and service reporting system, many positive aspects of this year would not have been achieved.

The requirements of the visitation schedule coupled with the distances traveled and hours spent doing so make it nearly impossible to focus on the administrative side of the District Governor equation.

The District Administrator for District 19E, PDG Harry Lippincott, reached out to the zones in our district that did not have a Zone Chairperson and reminded the clubs of reports due; sent out training videos to those club officers needing them; helped at least two clubs who were not able to log on to the new Lion App get caught up with the flow and become current with their reports.

In short, he truly was my right hand man which allowed me to focus on the fun part of the job, meeting and greeting Lions from throughout the district and sharing pertinent information concerning our district goals, International President Choi's goals, not to mention the number of new Lions and Leos I was able to induct during those visitations.

So, on behalf of myself and all the members of District 19E, *thank you Harry Lippincott*, for all your help and support this year.

### **KINDNESS MATTERS**

As most of you know, IPDG Lyndon Harriman is a professional Santa at a local mall. In turn, I am the local manager for the Santa set in which he is the Santa. Kindness Matters was never shown to be such an accurate and true statement as it was this holiday season.

As Lions, we are expected to be giving and caring, and we do an excellent job. However, it's nice to see others perform such kindness. I had a customer that was extremely upset about having to pay the price for pictures that she was asked to pay. Fortunately, I had a coupon that took \$10.00 off of her package and offered it to her. The surprising part was that she pulled me aside after completing the transaction and asked to pay for the customer's package next in line. She said it wasn't about the money, it was the principle of the thing, and she wanted to pay it forward after I helped her.

In another instance, a grandmother of two came to the set, saw the prices posted, hung her head, and told her grandchildren she was unable to buy pictures. However, the children were able to come in to visit Santa. While the children were visiting, a gentleman behind them in line who saw and heard everything, came up to me and asked to pay for their pictures anonymously.

Why bring this up? Because kindness matters! No matter how large or small, we need to remember that what we do matters, and our communities are better for it. I'm sure there are times when you may feel that there are just too few of you, but remember that it doesn't matter how big your club is or how much you do, it does matter. On the other hand, it's also important to remember that without you there isn't a club in your community to make a difference.

***Keep up the good work my fellow Lions!***

*IPDG Lyndon Harriman*

### **Leadership is for Everyone**

It is all too easy to sit back and bask in the glow of our past successes. Every member is capable of holding higher office in our organization and should seriously consider assuming higher office. Our desire to serve our communities can be expanded greatly by the infusion of new leaders, new ideas and fresh energy.

One of the crises facing our organization today is the loss of experienced leaders through retirement, aging out or even death. We desperately need new leaders, upcoming leaders and members preparing themselves to step into potential leadership positions. This need starts at the club level and encompasses leadership positions at the zone, district, multiple district and the international level.

Let's look at the club level. Members who have successfully served on service, planning or fund-raising committees, have the experience to step in as the chair of a committee the following year. Members who have participated in activities and served as active members are ready to step up as a vice president, assistant treasurer or assistant secretary. This prepares them for leadership in the coming years. Additionally, members should attend training sessions at the Spring Conference, reviewing duties of those offices. Members should also consider attending Northwest Lions Leadership conferences, Leadership 101 and other Lions training and leadership programs.

Club officers should also consider running for higher office. The office of Zone Chair requires a Lion in good standing, who has successfully completed a term as club president or club secretary. Where a problem arises is when a club has officers who have held a position for many years. This effectively blocks other club members from aspiring to higher office. Of course, the same is true for even higher offices, you have to have been a Zone Chair to run for Vice District Governor and so on to higher offices.

Every member should strive for higher offices and tell other club members what position(s) interest them. We ALL have the potential to make a difference. Let's set our course now so we are in a position to assume a new leadership position next year.

**HAPPY NEW YEAR!**

## RETENTION

*MARGE BEGA*

**Retention** is just as important as **Extension**. If you have a Lion that feels like there is nothing left to offer their community, remind them of the 54 people they have served, as that is the number one Lion serves in some way in one year.

Remind them of how they felt the first time they helped someone or helped their community when it was needed. Yes, we need new members, but we also need to retain the members we have... we need their knowledge and experience to continue helping when help is needed.

## GLOBAL SERVICE TEAM

### **We Serve, But Do We Report It?**

According to the MyLion metrics, District 19E clubs have reported a total of 206,914 people served by club activities. Our goal for the year is 500,000, so we are currently at 41% of that goal. I feel that we are on course to meet the goal. Even though we are nearly halfway through the Lion Year, some clubs have responded that their first service activities would be tied to the holidays. I am also confident that more clubs have been providing service, but have not yet reported it.

A recent review of MyLion shows that of the 47 clubs in District 19E, 28 are reporting their service activities in MyLion. That equates to 60% which is actually higher than I had expected based on the difficulty clubs have had in using the new program. Thank you to the Club Secretaries and Club Service Chairs that have been reporting.

For those clubs who have completed service projects, but have not been reporting them, again, I encourage you to the YouTube video that explains how to post past activities (<https://www.youtube.com/watch?v=kP3498MrHxE>). Realizing that secretaries have many recordkeeping tasks assigned to them, I am suggesting that clubs find a tech savvy member to serve as the Club Service Chair so that that person could be posting the service activities. I also encourage club secretaries to reach out to friends or relatives that may be able to assist them in learning the new MyLion program. **I have been advised that our District Governor Frank Bega (frankbega@frontier.com) and our District Administration Assistant PDG Harry Lippincott (hlippin1@comcast.net) can also now assist clubs to report their service.** Please, take them up on their offer to help!

In the November District Newsletter, I announced the launch of a service incentive program for the District. Each club that completes a service project for each global cause (Diabetes, Environment, Hunger, Vision and Pediatric Cancer) during this Lion-Year will have their club's name put on a ticket and placed into a drawing. At the end of the Lion year 2019-2020, three ticket(s) will be drawn and the clubs whose names were drawn will be reimbursed up to \$200 for money spent for their projects. Check the November newsletter for details (it is posted on the District 19E website (<http://e-district.org/userfiles/112/file/Newsletters/2019-2020/19E-DG-2019-11.pdf>)).

At this time, one club, **North Pend Oreille Valley Lions Club**, has completed and reported projects for all five Global Causes. Three clubs (**Green Bluff, Hauser and Spokane Shadle North Lions Clubs**) have completed and reported projects for four of the five Global Causes. And four clubs (**Chewelah Valley, Lake Windermere, Medical Lake and Rathdrum Lions Clubs**) have completed and reported service projects for three of the five Global Causes. Keep up the good work!

Respectfully Submitted,  
Kim Di Rienz  
District 19E GST Coordinator

### **C.A.R.E.**

CARE is working in Honduras. Today programs are structured around empowering vulnerable groups. Such as children, women, indigenous people and rural populations.

MD19 is funding the 2-year school gardens for Healthy Nutrition pilot project, which will target 40 communities in five municipalities in southern Honduras. The focus of this project is to create garden learning spaces at schools to improve agriculture and nutritional food knowledge, promoting conservation and preservation of natural resources.

To date our district has had only 7 clubs donate a total of \$1,305.00. We need to have all clubs donate to this MD 19 supported annual project. Please donate soon. Last fiscal year we had 100 % participation from all clubs.

Our involvement with CARE started with PDG Gordon F. Smith, MD19 Executive Secretary-Treasurer for over 25 years. Any club donating \$500.00 US or Canadian is then eligible to request a Gordon F. Smith CARE Fellowship. This can go to a Lion or non-Lion. Contact the MD19 office for more information.

Checks for CARE should be mailed to the following address: Be certain CARE is noted on the comment line.

### **Lions Club International Foundation**

Our major Foundation LCIF does great work both at home and around the world. The Foundation was started in 1968 and a couple of years ago surpassed 1 billion dollars in grants. Currently we are in the middle of CAMPAIGN 100 in which we want to raise \$100 million in each of 3 years and provide service to 200 million individuals each of those three years.

To date giving for District E the Excellent district is \$1844.00 behind giving at this time last year. At this time the District has given \$14,378. Each of the last three years our giving has gone up. Only 14 clubs in the district have donated so far this year, last year we had 100% participation.

I know some clubs like to use your money for local charities and I applaud that. Melvin Jones our founder started Lions with the idea of supporting the local community. Since that time, we have grown and become an international organization. Many parts of the world do not have vision centers, local Dr. Offices, Cancer treatment facilities, food banks to help those in need. That is where some of our donations go. Recently I had a local Lion share about he and his wife helped feed fire fighters on the fire lines in Australia. Funds to provide the food was from LCIF. The U.S. and Canada are sending firefighting teams as there is a need. As District E we can help fund that need.

Asking all clubs, members to help fund LCIF by giving to our major Foundation. All you need to do is go to LCI webpage and select DONATE, follow the prompts after that.

Thank You

PDG Bob Yeoman  
LCIF Chair.

## ENVIRONMENT

### **New Year – New Ideas for Environmental Projects!**

Small actions can add up to help others. I was wondering what to do with the Christmas cards that we received, so I went online and found a great way to recycle them. St. Jude’s Ranch for Children (<https://stjudesranch.org/recycled-card-program>) has a program to find uses for all types of greeting cards.

They accept the fronts of your recycled cards (except for Hallmark, American Greetings and Disney which they are unable to accept due to copyright laws) which are used in their recycled card program in an effort to provide teens with life and work skills. This could be a simple club project!

Just cut the front of your greeting cards and send them to: **St. Jude’s Ranch for Children, 100 St. Jude’s St., Boulder City, NV 89005.**

They also accept new cards (any occasion) with or without the envelopes. Please do not send cards promoting other charitable organizations. If you have any questions about the program, please call 702-294-7100.

**What are some Green Resolution that you can consider this year?** Here are seven ways to reduce your impact on the Earth:

1. **Recycle.** If you aren’t in the habit— start today and encourage others to do the same. Recycling not only saves natural resources, but also saves energy!
2. **Remember the other important “Rs”- Reduce and Reuse.** Help to lessen the amount of waste by buying items that use little or no packaging, or “buying in bulk” which reduces unnecessary and excessive packaging; and, find ways to use items over and over again (e.g. refilling your empty water bottles).
3. **Buy recycled-content products.** Remember to “look for it, ask for it.” Resolve to “buy green” by purchasing at least one recycled-content product on a regular basis, such as paper towels or computer paper, that is made with post consumer content.
4. **Free your home from toxins.** Don’t flush paints, solvents or chemicals down the toilet. Toilet bowl deodorizers, cleaning solutions with lye and many spot removers contain harmful solvents. Baking soda and vinegar substitute as great all-purpose cleaners. A wide variety of non-toxic cleaners, such as Seventh Generation, can be found at stores like Whole Foods Market and Trader Joe’s. Cut down on pesticides and fertilizers in your garden and limit what you wash into rivers, bays and oceans.
5. **Spare the Air.** Resolve to minimize using your car whenever possible. Use public transportation, carpool or bicycle once or twice a week for more exercise and cleaner air.
6. **Learn to Compost.** Convert yard clippings and vegetable peelings into nature’s fertilizer. Your garden will love you for it. Many cities and counties offer composting workshops and free or discounted compost bins.
7. **See the Great Outdoors.** Whether city, county, regional or state/province - visit parks. Park volunteer or docent opportunities and special programs geared to kids represent ways to contribute to your community and enjoy nature at the same time.

Kim Di Rienz  
Environment Chair

***“Looking for the Lion in Everyone”***

***Important information for Hotel registrations: There are other activities going on at the hotel and it is also Bloomsday weekend, so they are guaranteeing us rooms until April 3<sup>rd</sup> and then we lose our block of rooms. Please encourage your members to register early to get a room.***

**Friday, May 1st:**

**Registration opens:** Stay tuned....more information to come.

**Raffle opens:** Stay tuned....more information to come.

**Voting Registration opens:** Stay tuned....more information to come.

**Leadership Day:** Encourage your officers and potential officers to attend this valuable time of learning. Suggest that clubs might pay for part of the attendance cost. Also, grants are usually given through the NW Lions ‘service and Leadership Foundation.

**Cruise on Lake Coeur d Alene:** Cost is only \$25.00 dollars a person. Snacks and drinks are available for purchase on the boat.

**Dinner on your own Friday night:** There are lots of great restaurants around, as well as in the hotel.

**Contests and Awards:** Encourage your club members to submit an entry in one of the many categories. Showcase your talent. More information from the Contest & Awards Chairperson.

**Fun Night: Swing-in Safari.** North Pend Oreille Valley is in charge of this event, so you know you will not want to miss this event. Be on the lookout for your best Safari outfit or maybe an animal outfit, after all the Conference theme is “**Looking for the Lion in Everyone**”. More information from Fun Night Chairpersons. (Hint: Get your dancin’ shoes on...The Rhythm Dawgs return! The fun dance band that entertained at IPDG Lyndon Harriman’s Spring Conference.)

**Displays:** Come and visit the many display tables. Visit with representatives of many activities Lions support, as well as learn about others.

**Saturday, May 2<sup>nd</sup>:**

**Registration Opens: Stay tuned!**

**Raffle Opens: Stay tuned!**

**Voting Registration Opens: Stay tuned!**

**General Session:** What our clubs have been doing? Let’s hear about our district and their great accomplishments. Hear the important news our Lions have to share.

**Memorial Service:** This is a time to honor our Lions who have passed away. Let’s celebrate their lives and service.

**Seminars:** We will have seminars in the morning and afternoon.

**Officer Training:** Encourage your new officers to attend Officer Training. This is a requirement for achieving Secretary and President’s Excellence Awards.

**Service Projects:** We will be putting together Feminine Hygiene Kits. Be saving your hotel toiletries as you travel and bring them to the Conference.

**Tail Twisting:** Patty Allen will be giving a seminar on Tail Twisting. This is a very exciting and fun seminar to attend.

We will have other seminars finalized in the near future.

**Saturday, May 2<sup>nd</sup> (con't):**

**Voting:** We will be voting for our District Leadership, LCI and MD issues. Make your voice count.

**Lunch/Dessert Raffle:** All year long, DG Frank and Marge have been promoting Camp STIX and Camp Winfield, which are very dear to their hearts. This year, Frank has asked that a dessert auction be done during our lunch session. Come and bid on one of the amazing homemade desserts made by the talented Priest River Lioness Club, as well as others. All proceeds to benefit Camp STIX and Camp Winfield.

**District Governor's Banquet:** This is truly a night of celebration of our district and our members. Our International Director will be giving our message of good will. Dress code: For Zone Chairpersons and leaders: formal attire. For others, formal dress is nice, but can be more casual.

**Sunday, May 3<sup>rd</sup>:**

**Transitional Cabinet meeting:** Time for DG Frank to thank the outgoing cabinet and 1<sup>st</sup> VDG Peggy to welcome the new cabinet.

**General Information:**

**Registration:** \$20.00 dollars per person. We are charging the same for both US and Canada to encourage our Canadian friends to come to the conference.

**Hotel:** Best Western, \$131.00 dollars a night, **Lions rate** until April 3<sup>rd</sup>. **Free breakfast is included.** Be sure to say you are booking for District 19E Conference when you call. If you get a central booking person and not the hotel, ask them to transfer you to the hotel registration.

**Meals:** All Meals will be served. Meal prices are exactly what the hotel is charging us, which includes a 25% service fee. There will be vegetarian options at each meal.

**Coffee Breaks:** We would like to encourage all clubs to make a donation of \$25.00 towards the cost of our coffee breaks. By doing this your Clubs name will appear by the coffee station and in the program. Please contact Laura or Cheryl if your club will donate towards this.

**Raffle:** Coeur d Alene Lions Club will be in charge of the Raffle this year. Please ask your clubs to donate raffle prizes or money and the club will buy prizes.

**Hospitality Room:** Once again, PZC Roger Schramm and the Spokane Shadle North Lion Club will be hosting the hospitality room.

**International Director:** International Director Gus Brown and Lion Barb join us for the weekend celebration. They are from Cape Vincent, New York and are looking forward to meeting the Lions of District 19E as he likes fly fishing, golf and outdoor activities and Barb enjoys outdoor activities and quilting. Let's show them how great the Lions of District 19E are.

**Spokane Shadle North**

Spokane Shadle North Lions were in the holiday spirit at their annual Christmas party with a visit from Santa, Christmas trivia contest, raffles and singing Christmas carols. Members brought and donated scarves, blankets, gloves, socks, hats, 200 toothbrushes for the homeless, providing three boxes of cold weather items to City Gate.
