District Governor's Message

While not everyone will agree to this, it is true none the less. If you hold on to a leadership position at the club level, you are preventing other Lions from becoming eligible to ascend the leadership ladder should they have the desire to do so.

If you are a club president but do not wish to step up to become a Zone chair and have held your position for more than 2 years I would like for you to reconsider your reasons for remaining in that position. Same applies for club secretary. I strongly encourage each of you to either move up or move over. Help open the door for others to become eligible to become leaders.

Anybody holding a position as a club officer should consider reaching out to a fellow member to act as a shadow, or perhaps apprentice, to learn what is involved in becoming familiar with that particular position.

The same applies to the District Cabinet. If you have a particular passion and want to help our district move forward in that area, please feel free to contact me or the 1st Vice-district Governor Peggy Harriman to let us know that you are interested in being a cabinet member and share your experience and what makes you the best choice for that position.

Remember, the Northwest Lions Leadership Institute is being held at the Harrison Hot Springs, British Columbia June 4th through the 6th. Anybody who has not previously attended or who has not held the position of District Governor is welcome to attend. IPDG Lyndon Harriman will be one of the facilitators, so you will know at least one person at the training; for more information, google www.nwlli.org. Grants are available to all members of MD-19 through the MD-19 Service and Leadership Foundation.

It is imperative that we as Lions step forward into leadership roles as we have many things we still need to do for our communities.

LCIF CHILDHOOD CANCER MONTH
1ST VDG Peggy Harriman
Childhood Cancer Chair

CHILDHOOD CANCER:
ADDRESS THE INEQUITY

80% OF CHILDREN
WITH CANCER
WILL **SURVIVE**

IN HIGH-INCOME COUNTRIES

ONLY ABOUT
20% OF CHILDREN
WITH CANCER
WILL **SURVIVE**

IN LOW-& MIDDLE-INCOME COUNTRIES

As mentioned in an earlier article, February is Lion's Childhood Cancer month. As such, I am hoping that you will join Lions in celebrating this month by completing a service project that targets Childhood Cancer. Below is a list of projects suggested by LCIF, but before you check out the partial list of projects, check out the WHO statistics on Childhood Cancer.

Identify nearby childhood cancer centers and provide craft materials, puzzles and games to children receiving therapy or treatment. • Prepare healthy meals for families with children undergoing treatment. • Post monthly articles about childhood cancer on your club or district website and social media accounts. • Provide cancer support related books and magazines to your local school or library. • Write cards full of well-wishes and share them with a local cancer center. **Remember this month is also Valentines. It does not take a lot of effort or funds to provide a child with a Valentines card filled with well wishes.** • Give gift cards to identified families in need or a nearby childhood cancer center. Cards could cover expenses like gasoline, parking, food, etc. • Make or buy new hats, caps, head scarves and blankets to donate to childhood cancer centers. Find other ideas for Childhood Cancer in Lions Resources. **ON BEHALF OF CHILDHOOD CANCER PATIENTS EVERYWHERE, THANK YOU!**

ON A SIDE NOTE: February 13 is the application deadline for Matching, Diabetes, Hunger and Childhood Cancer grants to be reviewed at the May 2020 board meetings.

OPEN HOUSE

Wouldn't it be wonderful if we didn't have any issues to deal with in our communities at the global, national, district or local levels? And, wouldn't it be equally as wonderful to have many hands so that our workload was lighter? If this is your dream, maybe it's time to reach out to your community to inform them about the work that you do and to recruit more members.

I would like to tell you about a club that recently did just that. Spokane Shadle North Lions recently had a very successful Open House where they recruited five new members and rein- stated another by using the MD19 website: https://lionsmd19.org/downloads/open_house.pdf.pdf If you would like to learn more about their success, please reach out to Shadle North Lions Club President Rick Kienholz; Phone: (509) 953-4461. Well wishes for a successful membership drive!

GREATEST NEED
BY
IPDG LYNDON HARRIMAN

Whew! The holidays are over for another year. As we bask in the afterglow of the happy season and the memories of the people and the charities we helped this past year, we need to look ahead.

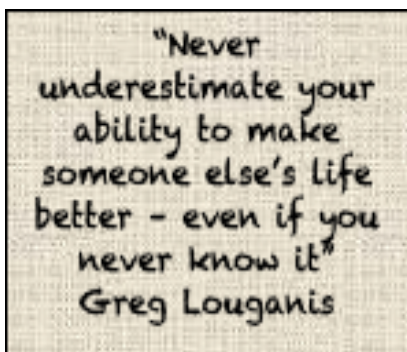

Today, right now clubs should be planning for the remainder of this Lions year. Service projects, fund raisers and activities should be at the top of our planning list, and we should be ready to act on these plans. We should be aware that February 13, 2020, is the deadline to apply for matching grants for three of our pillars of Lionism; Diabetes, childhood cancer and Hunger.

Speaking of hunger, food banks across our district are hurting. Food stocks are at an all-time low, and food donations are not on the forefront of clubs' minds. It should be. The need is greatest right now, and the public remembers how they donated turkeys, food and money for Thanksgiving and Christmas. It's not a priority at this time, but the need is at its highest.

What can we (Lions Clubs) do? Donate money to your local food bank. Money given can often be parleyed into three to four times what you or I could buy with the same amount of money. Another option is to plan and execute a food drive. Contact your local grocery stores and hold a food drive to collect both money and food during a weekend. Often a food bank can supply you with lists of items they are in desperate need of.

Whatever your club decides to do, during your planning for the remainder of the Lions Year, don't forget your local food bank. Your community depends on it!

RETENTION
MARGE BEGA

What can your club do when a member is considering quitting?

Sit down and talk one on one...

Here are some questions you might want to ask.

- Did you feel you were not making a difference?
- Did you feel you did not belong?
- Were there too many conflicts among members?
- Did you not receive recognition for your achievements?
- Were the meetings boring?

I'm sure there are many more questions that will come to mind as you sit and talk. Talking one on one is just one way to bring out problems that need to be addressed. When you see their answers, it will show you where your club, as a whole, need to work and improve to retain members new and old.

ADMINISTRATION NOTES

As we go into February there are some important items club should be aware of.

DUES: Club Treasurers should have in hand dues billing statements from MD19. Dues are due and payable by February 28, 2020. If a Club Treasurer did not receive either an email or hard copy statement it is your responsibility to contact the MD Office.

"I think of dues paying to MD similar to what would happen if you worked for a Company that one day they just decided not to pay you. No explanation or other information. Think how that would affect your household. The MD and LCI are no different when dues are not paid forward."

Your club has likely already collected the funds, so there should not be a reason the dues cannot be paid by the deadline.

There are some clubs that have not paid their 1st half dues. You should know who you are. If there are questions you should review your accounts and if you are one of the club please pay those back dues immediately.

NOMINATIONS & ELECTIONS: LCI recommends Club Presidents form a nominating committee in February. The nominating committee then can present the list of candidates to club membership March. Elections of officers for the 2020-2021 year should held no later than April 15, 2020 and reported to LCI by April 30, 2020. This time frame allows for club contact information used by LCI, MD19 and District 19E to be readily available at the start of the new year. The contact information for Club President, Club Secretary and Club Treasurer is extremely beneficial to a District Governor when developing visitation schedule, to know who Club Secretary is to enable contact to provide important information regarding districts events and the Club Treasurer for LCI and MD19 for dues billing statements.

TRAINING: Club officers that will be new to the 2020-2021 need to be aware that at each 19E Spring Conference training seminars are offered for Club Presidents, club Secretaries, Club Treasurers and Club Membership Directors. This is done to provide information about the positions and to provide a platform to answer questions you may have about your position. New officers are encouraged to attend. Possibly your club has funds that can help with expenses.

Nothing I have presented above differs from information and requirements stated in the Club Constitution and By Laws that govern how every club functions for these matters.

PDG Harry Lippincott,

District 19E Administration Assistant

PZC Tom Walters

A comprehensive Leadership Development class for all Lions will be held at the Spring Conference on Friday, May 1st in Coeur d' Alene. Registration is \$35.00 with lunch included. The program is approximately 6 hours long and covers many topics relating to club leadership. Registration forms will be available with the next district newsletter. If you are interested in attending this class or have any questions contact GLT Tom Walters at tomargie7@gmail.com.

On Saturday, May 2, there will also be club officer trainings offered at the Spring Conference, as usual, for Presidents, Secretaries, Treasurers, and Membership Directors. It would be great to find some new facilitators for these seminars. Power point presentations are available. Facilitators often work in teams. Again, any interested Lions may email GLT Tom Walters.

CARE

Barb Yeoman

Founded in 1945, CARE is a leading humanitarian organization fighting global poverty. Our mission is to serve individuals and families in the poorest communities in the world. Drawing strength from our global diversity, resources and experience, we promote innovative solutions and are advocates for global responsibility. We facilitate lasting change by: strengthening capacity for self-help; providing economic opportunity; delivering relief in emergencies; influencing policy decisions at all levels; and addressing discrimination in all its forms. We place special focus on working alongside poor women because, equipped with the proper resources, women have the power to help whole families and entire communities escape poverty.

To date our district has donated \$1305.00 to CARE. This total has come from only 6 clubs in the district. I encourage all clubs to donate to this MD 19 program. Note that the above article refers to women have the power to help whole families. A recent Lion Magazine referred to women taking on major roles in Lions. Let's reach out to women of these poor countries and assist them in helping their families.

Send checks to the following address and be sure to note CARE on the memo line.

LCIF

PDG Bob Yeoman

With 5 months remaining in our fiscal year donations are basically even with same time last year. To date we have \$20,656 in donations which is \$224 behind last year. I know that clubs in district E can make up that difference. Here are a couple of ideas.

- Have a dedicated fundraiser with all proceeds going towards LCIF. This might be a yard sale when the weather gets better, select an item and sell raffle tickets, sell flags to local businesses and install 8 times a year.
- Members donate \$20.00, \$50.00, \$100.00 or more in support of our major foundation. Remember 100 % of all donations to LCIF go back to the community as a grant.
- Secure a donation from local businesses. Check can be made out to your club, deposited into your bank account and your treasurer donates to LCIF. I will help any club interested with material for presentation.
- Remember the natural disasters in Australia, Puerto Rico and the Philippines. Our donations can help these countries.

Checks should be mailed to the following address:

US clubs: LCIF, Department 4547, Carol Stream, IL 60122-4547.

Canadian clubs: LCIF C/O Stan Durward, Box 38, Sunderland Ontario L0C 1H0

The Benefits of Being a Lion

When you become a Lion, you become part of a global network of volunteers working together to make a difference. Here are just a few of the great benefits you can expect.

Join a Community of Good

There are over 48,000 Lions clubs around the world. Each is filled with people like you who've decided to take action and serve others. Lions form unique friendships and meaningful connections that can last a lifetime.

Put Leadership Skills into Action

A Lions club is a great place to develop your leadership skills and put them into action. Each club offers opportunities to lead, along with first-class training from our global association.

Access a Global Support System

Every Lion and club is supported by our international association. More than 300 Lions International staff members are constantly working on tools and technology to enhance your service.

Experience the Feeling of Service

At the heart of Lions clubs there is one constant: service. Giving your time and energy to others is a fantastic way to help your community. Yet, it also provides a great feeling for you that can spread and have a positive impact in your life and how you approach the world.

Value

Is to one's self worth and the inner feeling of being the catalyst to future generations of humanitarian service. Along with the pride of accomplishment in your community. Please, "Ask Others" to join you. One club in our District has now brought in 8 new members another 7. Please send us a letter of your success stories.

Camp STIX

PDG Laura Wintersteen-Arleth

Camp STIX. Such a great camp for kids with diabetes. We will be celebrating our 20th year June 21-27, 2020. Camp's theme this year is: Class of 2020. Our district has been such a wonderful support of this amazing adventure for kids in many ways: clubs providing scholarships, volunteering, attending the Camp STIX auction and attending Lions Day at Camp STIX.

Camp STIX has expanded now: **We are now called: STIX Diabetes Programs.** We are a unique non-profit organization which offers an unparalleled camp experience and community for children living with Type 1 Diabetes (T1D). STIX fosters the ability for these youth to build relationships and community, realizing they are not alone in living with T1D.

The reason for the change of name is that we now have 3 camps: **Camp STIX**, for kids 9-18; **Camp TWIGS**, a day camp for kids 6-9 and **Adventure Camp**, focusing on diabetic management and the unique challenges diabetics face during the transitional years from being a teenager to becoming an adult (ages 16-19). The 2019 Adventure Camp was hosted in West Glacier, Montana at Great Northern Resort 275 miles outside of Spokane for a 4 day weekend retreat.

The support of the Lions is even more important now. Each dollar you provide goes to the kids and making sure they have the best time ever, as well as learning skills they need to be successful in life.

Some important dates and information about camp:

- 1. March 14: Share the Experience Dinner Auction.** If you have an auction item to donate or would like to attend the auction: www.campstix.org for information
- 2. May 1-3: District 19E Spring Conference:** During lunch on Saturday, there will be a dessert raffle, with half the proceeds going to Camp STIX diabetes programs and half going to Camp Winfield in British Columbia. Come prepared to bid on some great desserts and support camp. **Camp STIX will also have a display table at the conference: come and visit them**
- 3. Donations/Scholarships:** Please consider sending a camper from your area to camp or donate to camp for a scholarship for a camper in need. Such a valuable investment
- 4. Lions Day at Camp STIX:** Friday, June 26th at Camp Reed. Come and volunteer your time making smudgies, helping with meals and getting to know the campers and staff, who are all so appreciative of the Lions.
- 5. Program on Camp STIX:** Would you like a program on Camp STIX Diabetes Programs for your club or zone meeting? Contact Laura Wintersteen-Arleth

The investment you make in camp today is an investment in the future of the campers who attend Camp STIX diabetes program camps.

We are never really happy until we try to brighten the lives of others."
Helen Keller
