DISTRICT 19E NEWSLETTER

DG Paul Bogaard

"New Mountains to Climb Together"

August 2021

Greetings everyone!

I am hoping your Summer went well as we are about to enter into Fall. There is already a "bit of a nip in the air" but Summer is not over yet! We still have many fires, but the smoke has cleared, and relief is in sight.

Covid just won't go away! I see hospitalization rates are at nearly all-time highs and Health Care workers are getting burnt out. I am really hopeful that we will turn a corner soon but until we have more people vaccinated this might not come as soon as we wish.

I continue to see Lions Clubs working on Service Projects and Fundraisers, which is very commendable. Our Goal is still to increase membership by one net member per Club over the year and hopefully add a NEW Club or two.

Meetings with Clubs continue to be a challenge as we continue to have restrictions and border issues.

There is a plan for redistricting MD19, and the intent is to strengthen Districts and hopefully draw on a larger base of members to have for Leadership going forward.

There will be very little impact on Clubs as Zones will stay as they are. There will be more information to share soon.

I hope you are well and take care of one another.

"New Mountains to Climb Together"

BUDGETING

There are so many causes that the Lions Clubs International Foundation covers. There has got to be one that is close to your heart. Mine is Childhood Cancer, not because a child I knew suffered from Cancer, but because nine members of my family passed due to Cancer, and I know the pain and suffering they experienced. No child should have to endure such agony. Other causes included under the LCIF umbrella include Diabetes, Sight and Hearing, Environment, Youth, Disaster Relief, Humanitarian efforts, and Hunger.

Therefore, I would like to suggest, if you haven't set your club budget yet, that you increase support for LCIF. As you prepare for the 2021-22 Lion year, it is important to remember that there are needs beyond the boundaries of our own community. It has never been more apparent than this year with the devastation of fires, flooding, hurricanes, and tornadoes, not only across this continent, but across this planet. One might say, we need to keep our funds here because our community has needs.

All of our communities have needs, that's why we do what we do. However, you never know when your own community may need the help of LCIF. We had several communities last year in MD19 that received funds from LCIF for disaster relief to COVID 19. You just never know when your community will need additional help, so please consider giving additional funds to LCIF either as a club or as an individual.

And while I am talking about budgeting, let's not forget about our other important causes. Remember CARE, the MD 19's charity. MD 19 is helping educate young Haitian girls over the next two years.

And, of course, let's not forget Leader Dogs and Guide Dogs. Remember, Helen Keller charged Lions to be Knights of the Blind in 1925. So, for over 95 years, Lions Clubs International has helped those visually impaired, and with the establishment of the Knights of the Blind Committee at the MD 19 level last year, it renewed our commitment. Therefore, please consider increasing your commitment to either Leader Dogs or Lions Foundation of Canada by increasing your donations.

GLOBAL MEMBERSHIP TEAM (GMT)

Most clubs are now returning from summer breaks. With our borders slowly reopening we again look forward to visiting our friends and neighbors on both sides. We have missed the comradery and cheerfulness of our lion's group.

The following information should be given to the club membership chairperson or if you do not have one it reverts to the club president to complete. If completed and your club shows the highest percentage of growth a \$250.00 stipend will be awarded to your club at the end of this Lion's year.

Dear Club Membership Chairs,

This year it has been decided to send each of you the following list of responsibilities as reported in the USA/Canada Lions Leadership Handbook. We as membership chairs are the stewards of meaningful growth and stability to our clubs.

The Membership Chairperson is an elected officer of the club and a member of the Board of Directors. These two facts underscore the importance of that position. It is only with a dedicated group of dedicated Lions that we can fulfill our motto: "We Serve." It is not meant to imply that the Membership Chairperson alone is responsible for recruitment and satisfaction.

Constitutional Duties and Responsibilities:

- *Create a plan for club membership growth and present the plan to the club's "Board of Directors for approval and support. After approval forward plan to District GMT.*
- *Understand the different membership types and programs offered by LCI.*
- *Create a plan for membership satisfaction and present to the club's Board of Directors for approval and support.*
- *Understand and incorporate membership satisfaction programs into membership growth initiative.*
- *Encourage the recruitment of new members and promote award programs to the club members.*
- *Ensure that new members receive A new Member Orientation and participate in the Lions Mentoring Program.*
- *Serve as a member of the zone level membership committee.*
- *Submit Membership Chairperson Recruiting Reports and the Club Membership Satisfaction Report to club officers once each month.*
- *Cooperate with other club committees to fulfill position responsibilities.*
- *Assist club officers in organizing a Club Excellence Process workshop to examine your community's needs, assess your current membership satisfaction and develop action plans.*
- *Conduct exit surveys with members who leave the club.*

It is important for everyone to note that nowhere in this list does it say that the Membership Chairperson is responsible for recruiting all of the new members himself/herself. The responsibility for recruiting and retaining Lions is borne by every member of the club. The Membership Chairperson creates the plans, sends the reports, and encourages the members in their efforts. The focus should be that the result of membership growth is greater service to those in need in our communities.

Thank you for your time and service,

PDG Brian Ross GMT District 19E pdgb.ross@gmail.com

We look forward to hearing from each club in our District and how our success will be accomplished.
GMT Committee

"New Mountains to Climb Together"

RETENTION

What can your club do to convince a member that is considering quitting?

Sitting down and talk one on one, here are some questions you might want to ask.

- ❖ Did you feel you were not making a difference?
- ❖ Did you feel you did not belong?
- ❖ Were there too many conflicts among members?
- ❖ Did you not receive recognition for your achievements?
- ❖ Were the meetings boring?

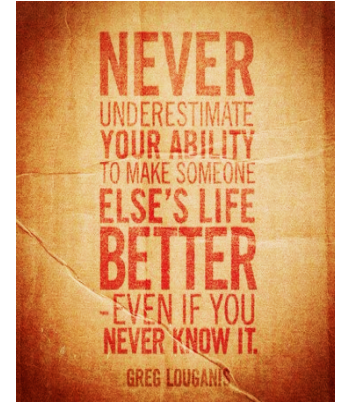

I'm sure there are many more questions that will come to mind as you sit and talk.

Talking one on one is just one way to bring out problems that need to be addressed.

When you see their answers it will show you where your club as a whole needs to work and improve to retain members new and old.

GLT

CHILDHOOD CANCER

With a new Lions year come new challenges but the clubs in District 19E are making a great effort to fundraise for this very worthy category. In June, the Chewelah Lions Club held a first annual "corn hole" tournament. A fee was charged to be in the tournament. They also sold burgers and dogs to the participants and raised \$500.00 which was donated to the Anna Schindler Foundation. Twenty volunteers were involved with this event with a total of 140 hours of volunteer work.

The Spokane Shadle North Lions Club held a yard sale and raised \$681.00 for childhood cancer. The Rathdrum Lions Club set up a table at "Rathdrum Days" with information about the many worthy causes the Lions support. They asked the public to donate to the cause which they felt was the most deserving and childhood cancer made the most in donations.

Finally, the weekend after Labor Day, the NPOV Lions club will participate in the annual Highway 31 Yard Sale. We have done well in past years giving over \$500.00 to the Anna Schindler Foundation and Camp Journey.

Childhood Cancer Chair

"New Mountains to Climb Together"

PEACE POSTER AND PEACE ESSAY

Dear Presidents/Secretaries,

My name is Margie Walters, and I am the District 19-E Peace Poster Chairperson. I know many of your clubs have not sponsored the Peace Poster contest for youth ages 11,12, or 13, but I am encouraging you to promote this contest. If your club has participated before, I hope you continue this worthwhile project. It is a great opportunity to encourage young people to express their visions of peace. It is also a positive public relations activity for your clubs. Last year, due to Covid only one club participated in the contest. The 2021-2022 peace poster theme is **"We Are all Connected"**. The sooner that you can contact schools to find out if they are interested in promoting the contest the better. Home School students are also eligible, so if the school districts have Parent Partnership programs you can contact them also. As soon as you know the schools that will participate you will need to order peace poster kits from Lions Clubs International (shipping takes 3-4 weeks). You can distribute the kits at the beginning of the school year, so students have plenty of time to work on their posters. The posters need to be completed by November 1st, so your club can pick the winner that will go to the district governor in Canada or to me in the U.S. by November 15. Please let me know if your club will be sponsoring the Peace Poster contest, as soon as possible. Contest rules are attached to this letter. I have also attached information regarding the Peace Essay contest for visually impaired students. For more information and/or to order your kits contact 1-630-571-5466. If you have any questions you may email me at tomargie7@gmail.com.

Sincerely,

Margie Walters

Peace Poster Contest 2021-2022 Contest "We are All Connected"

For over 3 decades, Lions clubs around the globe have been sponsoring a very special art contest in schools and youth groups. Creating peace posters gives children everywhere the chance to express their visions of peace and inspire the world through art and creativity.

To order a Peace Poster Contest Kit go to:
lionsclub.org/shop or MyLion/shop

Kit includes:

All Contest Guidelines and Rules

School or Youth Group Contest Guide and Rules

Participant Flyer

Sticker to place on back of winning poster

Certificates for contest winner, school or youth group

Artwork size: no smaller than 13"x20", no larger than 20"x24"

One entry per student and students' original creation. Use flexible material that can be rolled for shipping

Media: chalk, charcoal and pastels should be sealed with fixative spray.

Three dimensional entries will not be accepted. Nothing may be glued, stapled or attached. No lettering or numbering on the front of the poster

DEADLINES

November 15: Postmark deadline sending one winning poster to Peace Poster Chair or District Governor

December 1: Postmark deadline to send one winning poster to MD Council Chair

December 15: Postmark deadline for MD Council Chair to send one winning entry to Brand and Marketing Strategy Department at International Headquarters.

February 1: International winners notified on or before this date.

"New Mountains to Climb Together"

"We are All Connected"

2021-2022

Your club can sponsor visually impaired students in the Lions Club International Essay Contest

The contest is open to students who are considered visually impaired according to their national guidelines and will be 11, 12, or 13 years of age on November 15, 2021. Eligible birthdates are November 16, 2007 through November 15, 2010. One grand prize winner will receive an award and US \$5,000

Only a Lions club can sponsor the contest in a local school, organization, youth group or individuals sponsored by Lions club.

Essays must be no longer than 500 words, submitted in English, typewritten in black ink and double spaced. Each essay must be submitted with a completed entry form. Essays submitted without complete entry forms will be disqualified.

Only one entry per student per year, and each entry must be the work of only one student. Essay entries cannot have already been published

Any essays found to be plagiarized will be disqualified, and the student will be prohibited from entering any future Lions competitions.

DEADLINES

November 15, 2021 – Postmark deadline for a club to send one winning essay to the district governor. **Note:** A participating club should notify its district governor in advance of sending an entry.

December 1, 2021 – Postmark deadline for a club not belonging to a district to send one winning entry directly to Brand & Marketing Strategy at Lions Clubs International.

December 1, 2021 – Postmark deadline for a district to send one winning essay to the multiple district council chairperson. A district not belonging to a multiple district must send its entries directly to Brand & Marketing Strategy at Lions Clubs International (postmarked by December 1).

December 15, 2021 – Postmark deadline for a multiple district to send one winning essay to Brand & Marketing Strategy at Lions Clubs International.

February 1, 2022 – Club presidents of international winners will be notified on or before this date.

CARE

First off thank you to all the clubs that supported CARE this past fiscal year. Donations this year will help with the education of teenage girls in Haiti. The importance of supporting Haiti became more important this past week due to an earthquake. Haiti has not fully recovered from the devastating earthquake they encountered in 2010.

We have a goal this year of \$4500.00 which will help MD 19 raise \$40,000.00. Clubs and individual members can receive a Gordon Smith Fellowship with a donation of only \$500.00. The Fellowship is an additional way to support the Lions-CARE project chosen each year. Through CARE MD19 Lions have helped the local inhabitants build clean water systems for themselves, improve maternal health for women and children, and stop the sexual exploitation of children to name a few.

With the July figures already reported I want to thank Spokane Central Lions for being the first club to donate to CARE in the amount of \$500.00. This will entitle the club to a Gordon Smith Fellowship. It's the responsibility of the Club to request the Fellowship by contacting the MD 19 office.

ZC Barbara Yeoman
CARE Chair MD19E

LIONS CLUB INTERNATIONAL FOUNDATION (LCIF)

Welcome to the final year of Campaign 100! As we look back on the last 12 months, we have so much to celebrate. Every week for the last 52, campaign donations rose. This is due to your time and dedication. Every CA I area worked hard to overcome challenges wrought by the pandemic. Donations increased because many areas succeeded in increasing overall individual and club donations. District 19 E had over 80 individual donations, *thank you* to all the individual members who supported LCIF in 2020-2021.

As District LCIF Coordinator I'm asking all club leaders to promote LCIF this year within your own clubs. The size of donation is not important, the thought of supporting LCIF is what matters. The recent Lion magazine had great reading regarding LCIF on pages 50 thru 55. Learn how International President Alexander's club raised funds for an ambulance. See how individual grants helped fight Childhood Cancer, fight Hunger, provide disaster relief and so much more. Remember also that our district has been the recipient of 2 grants recently do to the efforts of PDGs *Peggy Harriman and Frank Bega*.

While our donations were down from the previous year (due to Covid 19) individual giving increased. This final year of Campaign 100 I encourage every Cabinet member, Zone Chair, President to promote LCIF regularly. Recently I spoke at Coeur D Alene to promote LCIF. At the end of my speech President *Maria Andrews* continued to promote LCIF for 5 minutes. That type of enthusiasm needs to be contagious this final year. The goal this year for the district is \$37,000.00 which is less than what we donated 2 years ago.

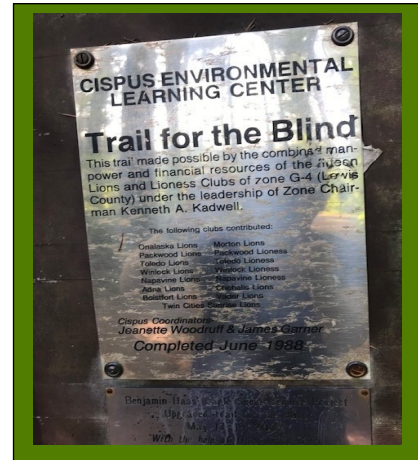

Thank you in advance for supporting LCIF this final year.

PDG Bob Yeoman
LCIF Chair

“New Mountains to Climb Together”

Look Around – Where There’s a Need, There’s a Lion

I want to share some photos that I took while traveling during the past month. It seems that, wherever I went, I found positive signs that Lions have been at work serving their communities. When you visit new places, take a moment to look around and see if you can find evidence of Lions’ service.

And I encourage the clubs of District 19E to consider leaving their mark on their community in the form of a project or partnership to improve public spaces. Adopt a park or scenic viewpoint – add a bench or help with maintenance of existing structures. Help with trail maintenance or signage. Keep an eye out for opportunities like these for fun projects that keep Lions in sight.

If your club is involved with a project in a public space, please, email me photos of it so I can share it with other clubs in the district.

Respectfully submitted,

PDG Kim Di Rienz

District 19 GST Coordinator

"New Mountains to Climb Together"

Knights of the Blind (KOTB)

White Cane Awareness Day

October 15

Will You Join the Celebration?

To many, the image of a curved handled white cane has become the symbol of a plea for support of a disabled community in need. A symbol used by Lions Clubs and others to raise money for important services to prevent blindness or assist people who are blind. But for those who are blind October 15, White Cane Safety Day, as it was named by the US Congress in 1964, or Blind Americans Equality Day as it was designated by President Barack Obama (2014), the meaning is best exemplified by the updated logo/label you can purchase from LCI: A solid blue circle with a

current-day straight white cane with a White Cane Day banner attached noting "Lions Support" above the banner, and the words "Independence, Mobility, Safety," below the banner. Whether a blind person uses a white cane or a guide dog to improve their access to and independence in the world, White Cane Day is a celebration of the abilities and achievements of the blind and a commitment to inclusion, accessibility, and safety, locally and internationally.¹

As we approach that day, the MD19 Lions Knights of the Blind Committee (KOTB) encourages all Lions Clubs, Zones and Districts to join in the celebration to increase Awareness of the meaning and importance of the White Cane among our Lions Clubs and within our communities! A variety of ideas and links to resources can be found on the LCI webpage by searching for [White Cane Safety Day | Lions Clubs International](#).

Here are LCI's suggestions:

Mobilize your club to partner with local blindness experts, schools, and organizations for the blind to plan your International White Cane Awareness Day activity.

- Arrange for a person who is blind to demonstrate the use of the white cane and its benefits and share his or her accomplishments and aspirations with the community or your club.
- Invite a representative from a local school for the blind or a low vision clinic to speak about white cane, orientation and mobility and white cane laws in your community.
- Work with your local government officials to create a White Cane Safety Day Proclamation for your event.
- Work with local news media to convey your community's white cane laws to the public.

The webpage also includes links to resources on obtaining a free white cane from National Federation of the Blind; what to do when you meet someone who is blind, including someone with a guide dog; history of the white cane and white cane laws, and information on more ideas and assistance in planning your activities for your Club or your Community, don't hesitate to contact your KOTB District Leadership: Andy Arvidson, KOTB Chair, arvidsonandy@gmail.com (425-218-0190) or Danette Dixon, KOTB Vice-Chair, danettedixon63@gmail.com (425-238-4560). They will connect you with your designated KOTB District Representative.

¹ On a related note, for our Canadian Lions--years ahead of the US and the rest of the world--on February 3, 1946, the Canadian National Institute for the Blind (CNIB) and Canadian Council of the Blind (CCB) jointly proclaimed the first White Cane Week in Canada. To this day, White Cane Week has occupied the same space on the calendar, the first full week of February, and it has also maintained its original purpose: publicizing the abilities of the blind and partially sighted rather than emphasizing the challenges blindness itself presents.
