

2020 Lions District 27B2 Un-Convention

Since COVID19 outbreaks prevented large social gatherings, we had to cancel our Convention. But **WHERE THERE'S A NEED, THERE'S A LION!!** Since YOU can't come to the Convention, we will bring the 2020 Lions District 27B2 Un-Convention TO YOU!! An online YouTube channel has been created for District 27B2, thanks to DG Amy Quig, and she and others have very busy creating videos of our speakers and their presentations for our first **YouTube "Un-Convention."**

You won't have the in-person fun and fellowship (and raffles), but you ARE able to relax in your favorite chair, wear your pajamas, eat and drink whatever you like, and perhaps the money you save (hotel, registration, meals raffles, gas...) could be donated to a Lions Project or your local food pantry. Pretty good deal for such a difficult year!

You may view this by going to YouTube and searching for Lions District 27B2, or use the address below (this information is also on the district website):

Many thanks to our District Governor Amy for this terrific idea!
