#### FAMILY EVENT DETAILS:

- We are at a premier water park and the facilities lends itself to family involvement.
- Cost of registration for family members is FREE.
- Saturday morning will be a morning of service led by members of the local Leo Clubs. Details are still in the works but there will be many age-appropriate activities for all.
- Pizza Lunch will be provided for those family members in attendance.
- We will provide water park passes for the children/grandchildren and their chaperone to visit the waterpark on Saturday afternoon while we continue to attend conference sessions. Because safety of our children/grandchildren is of the utmost importance your family will need to make sure that they have adequate supervision in the water park. We will not be providing chaperones for the water park.
- This event will give your children/grandchildren an opportunity to learn about service and Lion's. Hopefully someday they will want to follow in our footsteps because of what we are offering now.
- Please use the separate Family Registration Form for those who will be attending.
