

Sponsorship Information for District 27B2 Conference

Due No Later Than September 30, 2022

We are reaching out to Key Community Members to request sponsorship for the Lions District 27B2 Conference.

Why are we seeking sponsorship?

- All Money raised in Lions Fundraisers MUST go back directly into the community. Not a single dollar raised goes into administrative funds for clubs, districts and beyond. In order for this to happen individual Lions pay membership dues to the International, State and Club level to cover all administrative fees. Volunteering as a Lion is exceptionally rewarding but does include a cost to each member.
- The Conference is an opportunity for Lions in our District to gather for a few days to learn more about Service Projects and to help the clubs with their Service Efforts in your area.
- Contributions as a Gold, Silver, or Bronze Sponsor will help offset the cost of the conference and will help more members participate in the event and make the conference a much better experience.
- Your sponsorship and support will help us provide a New Family Experience at the conference without adding additional expense to the family.

How does this benefit you?

- Your sponsorship will help strengthen and educate your local Lion's Club members so that they are able to provide better and additional service in their local communities.
- Your business will be recognized at our Conference as a Major Event Sponsor. Levels are listed below, along with how you will be recognized.
- Your business will be visible to thousands of Lions in the Lions 27B2 District and beyond.
- Your support will help strengthen your community as a whole.
