Community Art Therapy December 1, 2018

Fundraising Event / Campaign

Dar es Salaam Uhuru (136670)

We conducted our 1st fundraiser titled The community Art Therapy Project.

25 children participated in the art therapy whose aim was to allow positive change through engagement with the facilitator and the art materials in a safe environment.

The children expressed themselves on their canvases and the end result was beautiful.
We appreciate the support of all those who attended and made the project possible.

The project has been well received with positive feedback from parents and the children are eager to attend the next session this month.

All proceeds will be used towards a medical health camp for underprivileged children.

The poster is divided into several sections. At the top left, it says 'Community ART THERAPY Project' with 'ART THERAPY' in large red letters. Below this is a colorful abstract painting of a human eye. To the right of the eye is the Lions Club logo and the text: 'Help your child relieve stress, increase awareness of self, and develop healthy and effective coping skills with art therapy this Holiday!'. Below the logo, it lists the facilitators: 'Ms. Millan Vittoria & Mrs. Sakina Dharsoe, BSc. Behavioral Neuroscience, University of British Columbia'. The ticket price is 'TSHS. 30,000/- only'. The event is on 'Saturday 1st December 2018, 3 - 5 pm' at 'Central Park Cafe, Barack Obama Drive'.
