Childhood Cancer

Dar Es Salaam Savannah (133303)

WORLD CANCER DAY - WELL OBSERVED AT FUN CITY, IN KIGAMBONI - 02/02/2019

Two big buses & member's cars left from Dar es salaam City centre 9.00 am and returned back 5.30 pm

A joint activity to commemorate world cancer day was carried out very successfully at fun city, Hosting a cheerful crowd of 116.

Thanks to club members of Savannah and Sunflower who made the day to be a special one for the kids from Muhimbili children cancer ward and Magomeni Orphanage.

The kids enjoyed every bit of the second as they cheerfully jumped, ran around, busy having fun on various games at the amusement park.

It was a non stop affair for the kids as they spoiled themselves trying to experience every game around there.

The kids were then treated to the taste of the day by the special cook who expertly prepared a very special mouth watering Lunch menu to the delight of the kids. Drinks, juices, tea and water was available to everyone's choice.

Apart from Lion Members and Tumaini La Maisha (part of muhimbili) but also Savannah prospective members and Soukos (an NGO) collaborating with Savannah Club came to experience WE SERVE in Changing Lives.

Speeches by FVDG and representatives of other groups were very educative to all the kids.

Indeed it was a very successful Day in every sense of the word.

As it was time to leave, the kids begged their care takers so that can continue to have fun. But finally, though resisting, were forced into their bus for return trip

On behalf of the two clubs, we would like to thank the following for their successful team work that made this day a memorable one :

Event convenors Lions Hassan Raza & Mahmoud Fundi, Donors, All Lion Members who attended, TLM /MNH staff, Soukos, Fun City management and not forgetting Lion Hasnein for his all round services

With Lionistic regards,
