Beach Cleaning January 2019

Environment

The Uhuru Lions and Leos believe that you cannot solve a problem if you do not fully understand it. For this reason, we have put extensive efforts into observing our environment with focus on the local beaches. This helps to guide us to the best set of solutions.

The Lions & prospective Leos of Uhuru conducted a beach clean up at Oysterbay, our guest Mr.Harrison (Chairman of the Local Government Authority) and green waste pro extended their support during this activity.

We managed to clean up a large area of the beach, as well as raise awareness of the importance of keeping the environment clean to the vendors in the vicinity. It was an overall successful activity.

She lives in the outskirts of Dar and after daunting struggles, she managed to start her own bakery. This woman has been really struggling.

The baker started from scratch making charcoal bread and she has now grown to getting orders of 167 bread loaves each day from a school.

She had to close down due to lack of resources but ladies encouraged her not to give up. She has two children who are dependent on her.

We are proud to have helped her with other ladies.

The activity raised Tzs 650,000/- and we donated. Tzs 100,000/-
