Cooking Gas &amp; Food Donation to Buguruni Deaf &amp; Dumb School July 15, 2018

Other

## DAR ES SALAAM CITY (30851)

Lions club city often make visits to Deaf n Dumb school for regular service activity where more than 150 children aged between 5yrs-16yrs finds their accommodation.

While assessing the requirements of the school we got to know the kitchen was in bad condition with a broken charcoal stove used for cooking foods for kids thrice a day and a Gas stove and gas cylinder were immediately required since they spent TZS 1m on charcoal which was detrimental to the health of the children and the staff working over there.

On 15th July, sunday city club took the pride in informing that we shall be providing the school with 2-burners gas stove with a cylinder which will help them on a long run as well as being eco-friendly.

Some snacks for the children were also provided in presence of Lion cabinet secretary Lion Mustansir Gulamhussein.
