What Every Lion

Should Know

Ordinary People ... Extraordinary Things

Lions Clubs International

Lions Purposes <i>The purposes outlined the aims and goals of Lions organization. It is up to individual clubs to implement purpose.</i>	Lions Code of Ethics <i>The Code of Ethics is a guideline for the personal values that each member should exemplify.</i>
To Organize , charter and supervise service clubs to be known as Lions clubs.	To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
To Coordinate the activities and standardize the administration of Lions clubs.	To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.
To Create and foster a spirit of understanding among the peoples of the world.	To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.
To Promote the principles of good government and good citizenship.	Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.
To Take an active interest in the civic, cultural, social and moral welfare of the community.	To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
To Unite the clubs in the bonds of friendship, good fellowship and mutual understanding.	Always bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.
To Provide a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.	To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
To Encourage service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.	To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

Lions Clubs International

Our Service

Lions are serving a world in need. Lions International is the largest service club organization in the world, with more than 1.4 million members in 49,000 clubs serving 200 countries and geographic areas worldwide. Since our founding in 1917, we have been proving that where there's a need, there's a Lion.

Kindness matters to Lions. Our motto is "We Serve" and Lions put it into action every day. We're caring men and women who come together to be the difference in our communities. We believe we can do so much more together than we can alone.

Lions serve global causes. Lions around the world are rallying around the five global causes of vision, hunger, the environment, childhood cancer and diabetes. We have set a goal of serving 200 million people a year through these causes and other humanitarian initiatives.

Lions empower young people. We believe young people are the leaders of tomorrow. And today. Our Leo clubs give young people opportunities to become volunteers and service leaders, developing new skills and a lifelong passion for service. Approximately 190,000 Leos in 7,600 clubs are serving more than 150 countries worldwide.

We also provide valuable local services to youth such as mentoring, health programs and scholarships. Internationally, we empower youth through our Peace Poster Contest, youth camps and exchanges, and the Lions Quest program that has helped provide positive life skills to over 20 million students.

Our Foundation empowers the service of Lions. We also help our global neighbors through the support of our Foundation, Lions Clubs International Foundation (LCIF). LCIF has awarded more than US\$1.2 billion in grants to support Lions' humanitarian projects.

Lions are making a world of difference. Every day, every way, Lions are investing their time, talents and resources in the communities where we live, work and serve. We believe there is no challenge that can't be overcome when we unite for good.

Our Story

1917: The Beginning - In response to social problems created by World War I and rapid industrialization, a Chicago businessman named Melvin Jones invites business clubs from around the USA to a meeting where the Association of Lions is formed.

1920: Lions go international - Just three years after our founding, Lions became international when the Border Cities Lions Club in Windsor, Canada is established. At the time, Lions were active in 23 U.S. states with a total of 6,400 members.

1925: Becoming "Knights of the Blind" - Helen Keller addressed the Lions at International Convention in Cedar Point, Ohio, USA. She famously challenges Lions to become "knights of the blind in the crusade against darkness." This begins a century-long mission—impacting hundreds of millions of lives through vision related work.

1945: Uniting Nations - Lions and other representatives from 46 nations meet to help establish the NGO section of the United Nations (UN), underscoring Lions International's commitment to a "certain and lasting peace for the world." Today, Lions continue to work with the UN at annual Lions Day with United Nations events.

1957: Leos are introduced - The Leo program is developed to provide the youth of the world with an opportunity for personal development through volunteering. Today, there are approximately 200,000 worldwide.

1968: Establishing our Foundation - Lions Clubs International Foundation (LCIF) is created, with the mission "to support the efforts of Lions clubs and partners in serving communities locally and globally, giving hope and impacting lives through humanitarian service projects and grants." to date, our foundation has awarded more than \$1.2 billion in grants.

1973: Celebrating 1 million members - Lions reached a historic milestone by welcoming our millionth member, Barney Gill from Virginia, USA. Today, we have more than 1.4 million members worldwide.

1985: Disaster relief support expands - LCIF awards its first Major Catastrophe Grant of \$50,000 for earthquake relief in Mexico. Today, we continue to step up in times of crisis by offering grants to support our disaster relief efforts.

Lions Clubs International

Our Story

1990: Launching SightFirst - Lions launch a campaign to help restore sight and prevent blindness on a global scale. More than 488 million people have been impacted over the last 30 years.

2017: Lions turn 100 - The 100th year of serving local communities and the world is celebrated at the Lions Club International Centennial Convention in Chicago, Illinois - the same city where the association began.

2022: Campaign 100 goal exceeded - LCIF exceeds its goal for Campaign 100: LCIF Empowering Service. A total of \$325 million was raised during the campaign, which is the organization's most ambitious fundraising initiative to date.

2023: Partnering for Kindness - LCIF and Lions Quest become a founding member of the Choose Kindness Project, a coalition of the leading nonprofit organizations in the United States championing bullying prevention, intentional inclusion and youth mental wellness.

Fact Sheet

Name

The official name of the association is 'The International Association of Lions Clubs' or simply 'Lions Clubs International'. The name Lions was chosen because of the symbolism of what a lion animal represents - courage, strength, activity and fidelity.

Motto

Lion's motto is 'We Serve' - adopted 1954 International Convention.

Slogan

LIONS = Liberty, Intelligence, Our Nation's Safety - adopted 1919 International Convention.

Official Colors

Purple and gold were chosen when the association was founded in 1917. The purple represents loyalty to country, friends, to one's self and to the integrity of mind and heart. It is the color of strength, courage and dedication to a cause. Gold symbolizes sincerity of purpose, liberality in judgment, purity in life and generosity in mind, heart and commitment to mankind. Often a dark blue is used in place of purple.

Official Emblem

The current Lions emblem (or logo) was adopted at the 1919 convention. Today, Lions worldwide are recognized by it. It consists of a gold letter "L" on a circular purple field. Bordering this is a circular gold area with two Lion profiles facing away from center. The Lions face both past and future; showing both pride of heritage and confidence in the future. The word "Lions" appear at the top and "International" at the bottom.

Lions Vision Statement

To be the global leader in community and humanitarian service.

Lions Mission Statement

To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.

Our Global Causes

Every journey begins with a single step. One act of service, one encouraging word, one gift of generosity is often all it takes to bring hope where it's needed most.

Over the last 100 years, the kindness of Lions and Leos has multiplied across borders, oceans, and continents. With over 1.4 million members, we now have an opportunity to truly change our world.

That's why we're uniting our global service around five areas of need. These Global Causes present significant challenges to humanity, and we believe it's our turn to meet them.

Diabetes

The International Diabetes Federation reports that 1 in 2 people with diabetes are undiagnosed. Lions recognize the needs of the world are changing, and have championed the cause of diabetes to better serve both our communities and the world.

Vision

Ever since Helen Keller inspired us to champion the cause in 1925, we've served and advocated for the blind and visually impaired. Nearly a century later, this long-standing mission continues unhindered.

Hunger

We serve to improve human flourishing. We see how the global hunger and nutrition crisis bears upon our local communities, and believe true community improvement depends on the thriving of its members.

Environment

The earth sustains human life. We've seen how our stewardship of natural resources can improve quality of life and increase engagement in our local communities. Our environment is more than a background: it's our home. And we're committed to caring for it.

Childhood Cancer

Lions and Leos provide support for the needs of children and families affected by childhood cancer through impactful service activities.

Lions Clubs International

Lions Clubs International Foundation

Club Types

Traditional Clubs

Most Lions clubs are formed on the traditional club model. These clubs bring together a group of service-minded individuals who want to better their community, and meet locally on a regular basis.

Specialty Clubs

Specialty clubs are much like traditional clubs, but bring together a group of individuals who share a common interest in addition to a commitment to service. A specialty may share a hobby, like snowboarding or knitting, or a common cultural background.

Virtual Clubs

Virtual clubs conduct some or all club meetings remotely, over the phone or via the internet. This club type allows a more widely-distributed group of club members to plan and execute service projects with ease, and is a great fit for those with busy schedules.

Campus Clubs

Campus clubs offer students the opportunity to build leadership skills, and create a common bond of service with fellow students. Members of campus clubs may also be eligible for student membership.

Leo Clubs

Leo Clubs provide an opportunity for youth and young adults to serve in their communities, develop leadership skills and grow as individuals. There are two kinds of Leo Clubs - Alpha Leos (ages 12-18) and Omega Leos (ages 18-30).

Leo-Lions Clubs

Leo-Lions clubs may be formed by any group of 20 charter members consisting of at least 10 former Leos. These clubs are just one option for Leos to transition to Lions membership. Leos may also form charter or join other types of traditional Lions club.

Membership Types

In addition to regular membership, Lions International offers special membership programs for families, college students, former Leos and young adults.

New members pay an entrance fee of US\$35 or must submit the proper waiver certification form. International dues total US\$50 annually. Dues are billed on a semi-annual basis. Additional club, district multiple district dues may apply.

The Family Membership Program provides families with the opportunity to receive a special dues discount when they join a Lions club together. The first family member (head of household) pays full international dues (US\$50), and up to four additional family members pay only half the international dues (US\$25). All family members pay the one-time entrance fee (US\$35).
