2018 – 2019 CLUB VISITATION PROGRAMME

As is our policy the DG will cover 50% of the club visitation programme with the remaining 50% shared between the First Vice District Governor and the Second Vice District Governor. This is a very intense programme and we aim to have different personnel than in previous years visit. Because of the logistics of our large geographical area this is not always possible. Likewise we try to get consecutive meetings when larger travel distances are involved.

The visiting member will be in contact with the clubs as soon as possible. However if the date allocated to you does not suit please contact them as soon as possible. As the address will only be 20 minutes in length we are comfortable for the meeting date to be a tea or business meeting where most members are present. Preferably, there will be no other guest speaker that same evening. The Club is expected to pay the cost of the meal for the DG/FVDG/SVDG and their partner or driver.

NO RECORDED DEATHS IN AUGUST

There is a Leader in every Lion, Lioness and Leo

DG Helen - District Bulletin September 2018

Hello Fellow Lions, Lioness and Leos

The glorious signs of Spring are all around us – from the daffodils, magnolias, bluebells and blossom on our fruit trees to the green paddocks of growing lambs and calves. With that comes the more frequent lawn mowing, weeding and preparation for seed sowing.

However, my thoughts are with the members of our Lions family enduring the pain and stress of illness, recovering from surgery, undergoing medical treatments or the sad loss of a loved one. Our thoughts and prayers are sent your way. I ask all Lions to consider how you might serve your fellow Lions in times of need. **KINDNESS MATTERS.**

MEMBERSHIP – For the first time this year we are in the positive with +1 as at 16th September. Great work everyone. Keep pushing.

More members = more service = more impact in our communities.

BETWEEN THE LIONS – this e-newsletter, sent out to club secretaries, is the main means of communication from Multiple District to clubs between the 4 scheduled LIONS magazines. Please ensure this is shared with all Lions.

DIRECTORY – please inform the Multiple District Secretary, District Editor and myself of any updates or corrections required. Multiple District office has a PDF copy and this will be continually updated. Clubs can request a PDF copy from MD secretary Mandy. Extra hard copies of the directory can also be requested by clubs.

UNIDENTIFIED DEPOSITS – Club treasurers please check your club statements on MyLCI. As at 31 August thirteen clubs were shown as having significant outstanding debts 60 days old. These look like International dues. Multiple District Secretary Mandy has a large number of unidentified payments sitting in the International account. Please contact Mandy with details of your payment including club name, club number, and date paid and amount paid in NZD if you have paid your account and it has not been credited to your club.

LCIF DONATIONS – should be sent to the District Treasurer Peter Lawry with a copy also to LCIF District Coordinator John Benefield so that payments are tracked and the club is credited correctly.

DISTRICT AWARDS – please send your entries to IPDG Peter Gamble before 30 September. Make sure your wonderful service projects and dedicated Lions are recognised for their achievements.

SPECIAL CLUB AWARDS – When presenting special awards to your members such as Melvin Jones Fellowships, Life memberships, Lloyd Morgan awards let our Editor know so that the recognition can be published.

HOKITIKA CONVENTION – 22nd to 24th February 2019. The registration form is on line – **PLEASE SHOW YOUR SUPPORT AND REGISTER NOW.** Remember to book your accommodation also. A warm West Coast

welcome is guaranteed. Please be aware that with the earlier convention date any remits or nominations will be required by 24 December 2018.

WORLD DIABETES DAY 14 November – Remember to plan your activity for Diabetes. I hope, and expect, all clubs can do something during the year for this global cause.

CLUB VISITS – ARE A REAL HIGHLIGHT. Fantastic to meet so many positive and energetic Lions doing neat things for their communities. Ever wondered what others are doing? Golden Bay pickle onions as a fundraiser, Christchurch North complete a school environment fitness assessment on 26 schools, Christchurch Seaview recently met at the Loburn Rugby Rooms. This club is 3 times intergenerational with the imminent start of a Leo club, Christchurch City Breakfast provided winter blankets for the Riding for Disabled Horses and Rolleston grow Christmas trees. **PLEASE REPORT YOUR ACTIVITIES ON MYLCI.**

Helen.

Lions Clubs International Foundation.

John Benefield. 202E LCIF Coordinator

Pre the ANZI Forum in Wellington the MD202 Lions Clubs International Foundation District Coordinators met with PIP Barry Palmer, PID Sheryl Jensen, PDG Leo Danz and Jeff Arnett (Regional Development Manager, ISAAME and ANZI) who led our training of “Campaign 100”; a three year project by Lions Clubs International Foundation to ensure it has the resources to meet demands in the future. The last 2 years has seen your “Foundation” spending more than the income it sources and naturally we cannot continue that trend.

“Campaign 100” is also programmed to raise awareness in our communities and of the general public which of course also potentially increases membership.

Grants available have been revised with new grant opportunities available; some up to 75% grant from the Foundation and a couple where Club contributions can be raised during the course of the project.

Clubs were earlier requested to appoint a Lions Clubs International Foundation Club Coordinator. A number of Clubs have, but I have not received replies from some clubs yet. I conducted a Workshop in Christchurch on the 15th of September and was very pleased with the way the attendees approached and contributed to the workshop. I intend to conduct workshops in the Blenheim and West Coast areas in the near future.

It is essential that club Coordinators understand the role in this Campaign before Brochures and promotional materials are delivered to them. This is a very inspiring and exciting time to be involved with Lions Clubs International Foundation but we need to work as a team to produce a satisfactory result. A strong support team has been established to ensure resources are available for the project. I am conscious of information overload so will do my best to make sure only relevant info is delivered.

More detail will be provided by Club Coordinators during the next few months and I am sure that once they grasp the concept of “Campaign 100” they too will really feel we are living up to our Motto “WE SERVE”.

Communities of Lions Clubs of 202E have received over 4 times the monies donated by Lions of our District in the last 10 years. Your foundation has assisted a number of 202E clubs with major projects and has broadened the scope of assistance available in future but we must support “Campaign 100” to ensure this support is available for a long time to come. Your Club Coordinator will have information for you shortly.

Ask your club coordinator for the latest updates.

PRESIDENT'S MESSAGE

Pursuing New Horizons with International President Gudrun.

Leadership is crucial to our ability to serve our district, but it takes every Lion around the world working toward common goals to achieve a global impact. Through the support of Lions Clubs International Foundation (LCIF), our global Foundation, we have been able to extend both our reach as Lions and the impact of our service. Through your support of LCIF, we can accomplish so much more.

Campaign 100: LCIF Empowering Service is our Foundation's new three-year capital campaign, which seeks to empower the service of Lions by raising US\$300 million and serving more than 200 million people each year. I want you to join me in promoting this incredible campaign to your clubs, and the best way to start is through leading by example.

Our global Foundation does so much to support the service of Lions, so let's support this incredible campaign together.

I thank you for your generosity and dedication.

In Friendship
Gudrun Yngvadottir
Your International president

HEALTH TIP

- If you are even mildly dehydrated
your blood thickens and your heart has to work harder to pump your blood.
- Most heart attacks happen in the morning. Mild dehydration from not drinking overnight can be one of the contributing factors.
- Thirst is a late sign of dehydration and as we age our ability to feel thirst decreases so dehydration can seek up on us.
- The colour of our urine is a more reliable way to monitor our hydration. Dark urine means we need to drink more water. A well hydrated person's urine is a pale straw coloured yellow.
- Drinking water is better for hydration... sadly coffee, tea, wine and sugary drinks have a diuretic effect on the body so drinks of water after a good night out will help.
- So, have a peek before you flush and remember pale straw coloured wees is the best.

A World in Need

Lions Respond

Lions want to have Fun (Tail Twister History)

Having fun while doing good has been a Lions specialty from the beginning.

In the early 1920s, many U.S. clubs had pep committees charged with enlivening routine club meetings. Lions soon entrusted the merrymaking function to a single energetic and enthusiastic officer, known as the Tail Twister.

How did the name Tail Twister come about? *The World's Biggest Doers*, a 1949 history of the Lions, described this origin story, as recounted by Lions founder Melvin Jones:

"One Sunday afternoon three or four of us were discussing this matter of putting pep into the meetings. One fellow who had been born on a farm said we needed to do what used to be done on the farm. When a cow refused to go through the gate, someone would grab her by the tail and twist. We all laughed, but one of the boys said, 'Why isn't that a good name—tail twister?'"

The fact that lions—*real* lions—also have tails gave the name another amusing twist.

But as a 1941 article in *LION Magazine* made clear: "Of all the officers in the club, he [the Tail Twister] has no rigid code, no well-defined plan of action. He must be a Lion of originality."

Indeed, Tail Twisters have been remarkably creative in promoting fun and fellowship and boosting club treasuries by "twisting" small fines from members for minor breaches of club rules, such as not wearing a nametag or talking during a guest speaker's presentation.

The fines system is both autocratic and democratic. No member can appeal a Tail Twister's levy, and no member is above paying it.

Contests, quizzes, brainteasers, jokes, light-hearted songs and poems are time-tested tools of the tail-twisting trade. Today's practitioners can find and share fresh material on several club websites and on a Tail Twister page on Facebook.

But every day in countless other ways—from pancake breakfasts to picnics with needy kids to big parades at convention time—Lions still know how to have fun.

The Lion

Teaches to avoid confrontation, but to stand up fiercely when necessary. It is through the strength of love, gentleness and patience that the lion holds it's community together.

ANNUAL COMBINED LEO DAY

Sunday 9th September saw 15 Leos from Marlborough Girls College, Boys College and Rai Valley Area School descend on Havelock Domain for their annual get together.

The event began with a general discussion around a proposal to raise funds for the 2019 Kiwi Ranch Camp for diabetic children. After several suggestions were discussed, general agreement was reached that they would work towards holding a mufti day at all colleges at the beginning of 2019.

Quiz Night: RENWICK LIONS

This was a very successful project, resulting in a cheque for \$7,000 being presented to the Renwick Rugby kids to assist with their upcoming trip to the Chatham Islands. Well done to everyone involved, an outstanding effort.

Q. On which day do lions eat people? A: Chews day!

Q: Why didn't the lion eat the detective? A: Because he was under cover.

SELWYN LIONS / ELLESMERE PRIMARY SCHOOLS SPEECH COMPETITIONS

It was with delight that the Selwyn Lions organised and sponsored the Ellesmere Primary School Speech Competitions held at the Lincoln Primary School on Monday, 3rd September.

Selwyn Lions have been running this competition for 12 years and it involves students from Years 7 & 8 from approximately 15 schools from within the Ellesmere School Principals Association area.

This year saw 15 entrants in Year 7 and 14 entrants in Year 8. The quality of the speeches amazed the crowd and judges with a wide range of topics and very confident speakers. The judges were from Liffey Toastmasters and AgResearch, Lincoln.

Winners from Year 7 were:

1st Honor Barnett from Ellesmere College speaking on "Older sisters should be banned".

2nd Judi Immanuel from Yaldhurst Model School speaking on "Is it okay to be me anymore?"

3rd Te Wharekauri McGregor from Templeton School speaking on "The importance of speaking Te Reo.

Winners from Year 8 were:

1st Robert Solker from Ellesmere College on "Gaming is not all bad".

2nd Ameya Raut from Halswell School speaking on "New Zealand should be GST free on fruit and vegetables".

3rd Elli Thompson from West Melton School speaking on "Body image".

All students were presented with certificates and the winners received book vouchers.

Both 1st place-getters received the Selwyn Lion Trophies from President Helen Whittington.

SELWYN LIONS DELIVERING PHONE BOOKS

This is a mammoth task and the club was pleased to have some new members pitching in to help. See photo!!

New member Kathy Dore accidentally dropped off a book at one of the "opt out" addresses, and as the gate was locked, she couldn't reach the book to pick it back up. Kathy had already been talking to the elderly couple across the road who were putting rotten silage on their garden and the chap called out to Kathy and asked if she needed the pitch fork!! It did the trick, much to the amusement of the elderly couple.

New Brighton Lions

Medina Miyakhel with President Alastair Rankin was sponsored by New Brighton Lions and won 202e speechmaker competition and gave her speech to the members at the tea meeting on August 1st. She went on to compete in the Multiple Speechmakers Competition.

It is fantastic when recipients write letters of appreciation

Two letters to Amberley Lions from 2 grateful young recipients

AMBERLEY LIONS

Dear Lions,

It was a real pleasure to come down and help you guys with the wood chop. I really enjoyed myself. It was really cool to help you guys out with moving the wood. It was really fun. I hope you liked my behaviour. It helped me out a lot in my William Pike challenge. This requires twenty hours of service 65 and other activities. This has been a real help towards my twenty hours.

I really appreciate the opportunity to have been with you and to have seen how much work you all put into your projects.

Kind regards,
Joe Hassan.

To Amberley Lions Club

Thank you for your generous support and donation towards our fundraising, so we could compete at the Agrikids Grand Final 2018 in Invercargill. We really enjoyed the Agrikids experience and are proud of our result, coming 6th overall out of 21 teams!

LIONS CHRISTCHURCH SCHOOLS MUSIC FESTIVAL

24th, 25th and 26th October 2018, Horncastle Arena, 7 pm

This is the last chance for Clubs to send me information that could be incorporated into the large Lions promotional display that I will again be setting up at the venue over the period of the festival. Over 4000 children, from more than 100 schools from Christchurch, North Canterbury, and even as far away as the West Coast will again entertain an audience of over 10,000 family members. I will be on duty at the display each evening prior to the start of the concert, but it will also be up during the day, when parents and teachers are there with their children for rehearsals.

If you send me basic information, I would be happy to make up a large poster for you, or you can send me a poster you have had made, or information sheets that people can take away.

We don't know if we will be granted naming rights again in the future, as the Festival organisation wants us to increase our donation considerably – at present Clubs that support the festival contribute \$7000 a year, which is a very small amount when the total cost of the festival is about \$200,000. Funds from the sale of tickets covers about half of that, but the rest has to be raised from sponsors, so our amount is miniscule compared to other sponsors, but for the last 20 years, Lions have had the naming rights. The Festival committee has advised that this will be decided on a year by year basis from now on, and the cost will probably go up once it goes back to the Town Hall.

The festival was started in 1939, by George Martin, a teacher from St Albans school. Many of you will have been members of school choirs or have family members who were involved – I was, and my children, and some of my grandchildren. And an extra memory for me is that George Martin was my choir teacher when I was 10 or 11, and later when I went to Teacher's College in 1977, George was my piano teacher.

Tickets are \$22 for adults and \$10 for school aged children, and are only available from Ticketek, either from their website – www.ticketek.co.nz, or from their box office at the Theatre Royal, or their agency at The Palms shopping centre.

I look forward to receiving information from **YOUR** club, and to seeing you on the night. I will also be selling programmes on behalf of the committee, so come over to the display to get yours.

JOKE

A hungry lion was roaming through the jungle looking for something to eat. He came across two men. One was sitting under a tree reading a book? The other was typing away on his typewriter. The lion quickly pounced on the man reading the book and devoured him. Even the king of the jungle knows that readers digest, and writer's cramp.

LIONESSE CLUB OF NELSON.

Twenty five Lionesses and friends had a very busy Saturday recently. Using a school cooking room and also using the "Southland" recipe, they made three hundred and fourteen dozen cheese rolls.

Some were mixing and weighing ingredients, others were rolling, while other ladies were packing and fulfilling orders.

Chilly bins, boxes, plastic bags and baskets were packed for people to collect

Profit from this project was \$1213 and will be donated to Emergency Services.

- Keep your members – and community – up-to-date on the projects the club is working on.
- Promote your club's activities – and recruit new members.

You can choose between two predesigned website templates that incorporate the Lions Clubs International brand. Both templates include links to information on the Lions Clubs International website, including the Lions News Network, Lions Learning Centre and more.

e-Clubhouse Features

Each e-Clubhouse site features:

- **Club Home Page:** Feature a photo of your club members participating in a project or club activity and provide a brief history of your club.
- **Calendar of Events:** Use the calendar to keep everyone informed of important dates.
- **Club Projects:** Provide information on your projects and let your community know how they can support your projects.
- **Photo Gallery:** Showcase your club's activities by posting photos of recent projects.
- **Contact Page:** Post key contact information for people in your community to call so they can learn more about your club and get involved.
- Up to five additional pages for your club's special functions or news.
