

District A4 Lions Convention 2019 Special Project

Your District Governor and Convention Committee has chosen the
Soldier On Fund
as it's charitable organization for the
2019 District A4 Lions Convention.

www.soldieron.ca *Soldier On is a Canadian Armed Forces program that supports serving members and Veterans overcoming mental health or physical illness or injury through sport and other physically challenging activities. This re-introduction to an active lifestyle provides opportunities to develop new skills, build confidence and meet peers with similar challenges.*

Soldier On supports serving and retired Canadian Armed Forces (CAF) members, Regular and Reserve, with a permanent or chronic, visible or non-visible, illness or injury. They provide resources and opportunities for ill and injured personnel to enjoy sports and recreation in a supportive environment that encourages them to become active for life.

The Soldier On Fund, a non-public property (NPP) fund, is used to support serving and retired CAF members and their families. The Fund provides financial grants to purchase equipment that supports an adaptive lifestyle, and subsidizes the expenses of physical, recreational or sport related activities that directly contribute to adopting a healthy and active lifestyle.

District A4 Lions Family are encouraged to support the Soldier On Fund by making a contribution at the District A4 Convention on April 12-14, 2019 in Cornwall. PDG Lion Andy Etherington will be the Coordinator of this event.

Cheques sent before the convention or presented during the convention should be made out to District A4 Convention 2019. On memo line put Soldier On Project.
