March 22—We held our social meeting and were hosts to Lions Debra Russell and Huguette Bériault from Orléans Lions Club and Jacques Duquette from Clarence Creek Lions Club. Unfortunately, the television remote was missing and so the Orientation presentation was long and boring without the PowerPoint side of the presentation. Lions Michel and Chris won a bottle of red wine each and the rest in attendance received a box of chocolates from Lion Gail thanking everyone for attending.

A few of our members participated in the Vision Screening sessions at a couple of the schools in the Ottawa area and found the experience quite rewarding and recommend others to do it as well.

Nominations are on the table for 2023-2024 Board at our Club. If you are interested in a position or know someone who is, let Lion Andy know because he is in charge of the committee for the new Board.

Why do fathers take an extra pair of socks when they go golfing?

In case they get a hole in one

Singing in the shower is fun until you get soap in your mouth and then it's a soap opera.

My wife is really mad at the fact that I have no sense of direction. So I packed up my stuff and right.
