**District A4 process for packing the glasses:**

- Accept prescription and reading glasses, sunglasses and plastic and metal frames. Children's glasses are especially needed.
- Do not pack cases or contact lenses. Contact Value Village and see if they will take the cases. The money collected will go to a charity.
- Keep your own Club's count and time spent collecting, sorting and packing the glasses and report it to your Secretary for his/her Activity Report.
- Pack eyeglasses in layers separated by a sheet of newspaper in a sturdy corrugated cardboard box.
- Do not write on the boxes
- **Glasses must be properly packed before delivery to Lion Ross. The large quantity of glasses received precludes Lion Ross from packing or re-packing the boxes.**

Lion Ross Baldwin will put the required shipping labels on the boxes and will fill out the bill of lading.

**Please drop your box(es) off at the residence of Lion Ross and Sandra Baldwin, 1030 Connery Avenue, Ottawa just off St. Laurent and Pleasant Park in Ottawa South. It is suggested that you telephone them at 613737-7422 prior to delivery to ensure someone is there to receive the box(es).**
