

## **Have a Lions Information Booth at Club Activities**

An effective method to promote your club and increase membership is to have a Lions information booth at club activities. The information booth should be staffed by a few experienced, cheerful, confident, knowledgeable and well-spoken Lions to discuss club activities and the great things Lions achieve in your community and around the world.

A few crucial items to provide at the booth include:

- A prominent Lions logo that is large enough and positioned high enough for everyone to see from a distance. Include the name of your Lions Club.
- An [annual fundraising poster](#) providing a summary of the funds raised during the year with a total at the bottom of the poster. Ensure that the poster is large enough for everyone to easily see.
- A sufficient supply of brightly coloured, professionally looking club brochures. Be sure to include club contact information on the back of the brochure so they can contact you.
- Lots of photographs, perhaps in a photo album, of “Lions action”.
- Coffee/tea and snacks.

This just one practical idea for you to consider and more ideas will be published on a regular basis.

If your club has experienced successful public relations for an event, please let us know. We need to “get the message out” by sharing these successes to **ALL** clubs in the district.

This is the first year for the District A4 Public Relations and Promotions Committee. The committee members include:
