The Certified List w/ Eligible Member Count Report shows the number of members in each club within your multiple district/ district that have been enrolled in the club for at least one year and a day, as of the first day of the month last preceding the month during which your convention is held. Use this list to determine how many delegates from each club in good standing are entitled to vote at your upcoming convention.

Delegates of clubs with unpaid balances due Lions Clubs International (LCI) cannot vote until you receive a check, money order or verification of payment for the amount due listed in column “F”. Delinquent dues may be paid and good standing acquired up to fifteen (15) days prior to the close of credential certification, as such closing time shall be established by the rules of the respective convention. Any payments received less than 15 days prior to credential certification will not change the voting status of the club. Please follow your normal payment instruction procedures. Proof of payment must be sent to international headquarters at once so that the clubs receive proper credit. Payment instructions can be found on the LCI website. You may call the Accounts Receivable & Club Account Services Department at 630-203-3810 up to 15 days before your convention for an update on payments made by delinquent clubs. Calling as soon as possible will help resolve payment issues.
