DISTRICT 5CA FORMS WITH CLUBS FROM 5CE & 5CN

While there is no record of it, we know the first Leo Club was formed in Maryfield. It was not until 1983/84 that those in power decided to put that information in a directory. In 83/84 there is some info regarding a Leo clubs in Lanigan, also in 97/98 clubs appear in Prince Albert & Martensville. Kipling, MacDowell, Regina, Regina Beach, Pelly and the Edgeley Youth/Leo's group were not well represented in our printed history. (Further info would be appreciated)

In January 1986 the PDG's started a new "stand alone" meeting. It was called, among other things, the: Sask. Conferences, The Sask. Forums or Provincial Forums. It ran in January each year at a different location. From old Directories the following was determined. Ran till mid 90's when the DG's figured they had too many Conferences to go to and also from lack of attendance. (Information from PDG Bob Hill 5CE, 1979/80)(also PDG Ron Arnold, 5CA, 1981/82)
