

Saskatchewan Lions Convention
Oct 24,25,26/2025 Saskatoon Travelodge

The Lions of Saskatchewan are holding a provincial convention. The Lions motto is "We Serve". The Clubs in Saskatchewan have fundraised to contribute to parks, foodbanks, Guide dogs for disabled, school programs, medical assistance, charity, Operation Red Nose, youth programs, Eyebank, medical equipment, RMHouse and so much more! These Lions meet at convention to discuss ongoing projects and needs. They pay their own registration, travel, meals and hotel, unlike corporations and businesses that have the funding for such. 100% of funds raised by Lions must go back to the public. For this reason, Lions pay dues each year to cover administrative costs. If your company, business or group could assist towards some of the expenses this convention requires, it would be very much appreciated!
