

19-D Lions Quest-BC Report Cabinet Meeting Oct. 16th , 2022

PDG Norma Bent

DG Debbie, 1st VDG Michael and fellow Lions

It has never been more important to focus on the social & emotional wellbeing of our young people. Our evidence-based programs provide weekly lessons for a full school-year with opportunities for family & community engagement. They can also be used in after-school settings or other child/youth serving groups. Here are the confirmed upcoming dates for the virtual training sessions:

Friday October 21 - 1-3 pm EDT
Wed November 2 - 4-6 pm EDT
Friday November 18 - 1-3 pm EST
Tuesday December 6 - 4-6 pm EST

Hoping you will all take in the Do your Part – Community Rally at the MD Convention on Saturday Oct 15, 2022 in Salon C. This has been sponsored by our District. It is important that we commit to making a difference in our young people of today for their future for tomorrow.

Thank you to the clubs that have supported Lions Quest Canada with a donation. If you have not yet donated, please do so. Every donation from your Club is very important at this time in order to keep programs going and help our Children have healthy safe lives.

Respectively Submitted

Norma J. Bent
