Kindness, a Key to Service

Our Message from DG Joe

We are heading towards spring, a time of new growth of flowers, projects and perhaps even growth in our clubs. South of the border things are starting to look up concerning the COVID virus as communities are moving into new phases of recovery. At this time the rate of

Infections are decreasing, and more people are being vaccinated. I know progress is slower north of the border, but maybe you are starting to see a dim light at the end of the tunnel. Now is the time to think about the election of next year's

officers, if you haven't already started. 2nd half dues are due and I know some clubs have already paid theirs. Thank you.

Plans are being made for the training of officers for the next year. The MD will be offering some online training and the dates will be sent out as they are confirmed.

Our district leaders are working on a plan to also provide training as needed. Please let us know what is needed. Such as secretary, president, treasurer, club administrator, parliamentary procedure, or anything else. We want to personalize the training to your needs, not ours.

District D Virtual Spring Conference April 17, 2021

This year's spring conference will be held virtually via zoom. We will have a guest speaker, ID Mark Lyon; awards, memorial service, humorous stories, and some time for fun and games. Attached to this bulletin is a flyer explaining more of what is happening. Preregistration is required as we need to make sure our zoom license has enough room for everyone. After you register and shortly before the conference, those registered will be sent the zoom link. This will be a time to see and visit with those we have been separated from this past year. Please register and attend this conference as we celebrate our progress this past year. To preregister, go the 19DLions@gmail.com give your name, email address, club name, and current club office held.

Election of District Officers 2021-22 Lions Year

The election of next years district officers will be conducted by email vote. Each club will be sent ballots and the number of the electors each club has. The clubs will send the ballots out to their chosen voters, who will vote for their choices and return the completed ballots to: 19DLions@gmail.com . Ballots will need to be return to this address by April 10, 2021. There are 3 positions open with one candidate for each one. There will be one separate ballot for clubs in D2 and D5 for the election of our representative to the Northwest Sight and Hearing Foundation.

March: the start to Spring. Bring on the robins, bring on the garden seeds. Now is the time to build your birdhouses, build your garden boxes, design your garden marker pegs - peas, carrots etc. Soon we will be able to do roadway cleanup, river & lakeshore rehab., tree planting. Now is also the time to service our tools & equipment for our outside activities. 'Are we ready?'

My feature this month is birdhouses - I found some leftover cedar pickets and turned them into bird comfort! They love them.

EXCITING NEWS FOR DISTRICT D LIONS!
A VIRTUAL CONFERENCE COMING UP ON APRIL 17TH!!
A TIME FOR YOUR CLUB TO TAKE PART IN.....
A SHOW CASE OF SERVICE

Hello to All You Service Minded Lions Clubs in District D,

Our Lions Clubs, in these challenging times, have persevered to continue with some amazing projects, service projects and/or fund raisers to meet service needs.

We are offering you a fantastic opportunity to share with us, at our upcoming District D Virtual Conference, a project which your club has held this Lion's year.

We are asking that each club wanting to disclose a project, choose a club member who is a good presenter and succinct, as we are limiting each showcase to 3 minutes. There will be no judging on this; it is a time to boast and spark ideas for other clubs. We look forward to hearing about the good things happening in District D!

To sign up and present your project, please send your club name and presenter to me by March 31st. My email address is: skihilldn@gmail.com
