

Alert North and South---LCIF South reports for 2-11-23 Cabinet Meeting by zoom

There have been no changes in the Alert accounts, which stand at South \$4537.45 and North at \$3740.49. These funds are available for any worthy emergency with cabinet approval.

I have not accomplished much in getting the word out to the clubs about supporting LCIF. As of December clubs in the south have donated \$3100. Currently clubs in the South have the ability to present 23 MJFs, this is from money already donated. I am not aware of any areas that LCIF is currently working around the world.
