D8 ZC Karen's Remarks

It's April, and finally we are seeing the Tulips and Daffodils start to bloom. Spring is here now and everyone is preparing for Easter activities. A fresh new season Spring also brings the Spring Conference. This year it is virtual again. Please register at 19DLions@gmail.com to get the zoom link. There will be some great presenters in the "Showcase of Service" segment, as well as an auction and game section. We all look forward to seeing you there.

News from all around D8,

"Inspire through Service"

We previously discussed an

Environmental ZONE PROJECT.

A project that individual clubs can do. It can be quite diversified, and based on your individual club and area. Perhaps link it up with EARTH DAY, which is April 22, 2022. Maybe get, and give seedling trees to

elementary schools, perhaps aid in the clean up of forest fires to allow for new trees to be planted. Have a BBQ in May to support the tree planters in your area. Any project that is somewhat related to trees, and new growth initiatives. Put your thinking caps on, and start planning. Zone project should start around Earth day, April 22 and hopefully be completed by the end of the year (June 30, 2022)

Please post your activities on MYLION and send any upcoming plans or info to me, so I can post in the Bulletin. Thank you (kb1@telus.net)
