Bulletin Report

DG Debbie and fellow cabinet members

Thank you to those that have submitted info and pictures for me to put in the bulletin. It is much appreciated.

I am happy to also post anything that may be happening in your club or zone, just send me the details and I will put it in the bulletin.

Please feel free to send any feedback you have regarding the bulletin. I do hope that the zone chairs are forwarding it to their clubs as I only send it out to the cabinet and I am forwarding to club president and secretary in D3 and D10. PDG Joyce is looking after D5.

Respectively Submitted
