

Cabinet Meeting District 19 D, January 29, 2022
CARE Report

I continue to encourage all Lions within MD19 to continue to work towards helping those less fortunate by support the MD19's CARE Project in Haiti.
At this time I don't have any additional information to share regarding our progress, other than we need more clubs to step up and contribute to CARE.

Respectfully submitted,
Kim Davis,
District 19D CARE chairperson
