2021-2022 District 19D District Hunger Chair Cabinet Meeting Report October 30, 2021

DG Joyce, members of the District 19D Cabinet and Guests

The Hunger Chairpersons support Lions and Leos engaged in, or interested in, projects to alleviate hunger and malnutrition. Hunger is an area that clubs are involved with whether it be food bank donations, school programs, homeless programs, senior programs or Christmas events. The Covid-19 era continues to impact the way clubs are able to support their communities and beyond. Hunger continues to rise both locally, nationally and internationally.

This report shows the growth of our Hunger Statistics in MyLion statistics from The chart on the next page shows the metrics for July 1st, 2021 to October 18th, 2021. In the MyLion Metrics we see: How many people were served? - Service Activities - Volunteer Hours - Funds Donated - Funds Raised. We see these metrics in the following areas:

Diabetes - Environment - Childhood Cancer - Hunger Relief - Vision - All Other

When looking at the metrics one can see the material for each of our District 19D clubs. For the purpose of this report I am just reporting the bottom line totals. Also, due to the nature of the material online one will also see the metrics for the other five areas. See the next page.

From July 1st to October 18th, 2021 the metrics totals are as followed:

How many people were served? - 4,788

Service Activities – 26.

Volunteer Hours – 443.

Funds Donated - \$5,000.USD (The MyLION metrics converts to USD)

Funds Raised - \$1,400 USD

I know that clubs do a lot in the area of Hunger Relief. If one clicks on Activities in MyLion, one can then choose past activities and hunger in the left hand column to see a list of hunger related club projects.

Don't forget that there are many hunger resources provided on the Lions International website. <https://www.lionsclubs.org/en/start-our-global-causes/hunger>

LEARN Hunger Facts – DISCOVER We Have a Plan (Part of this is Act where one can explore Service Project Planners and other resources designed to help you and your club get involved with hunger efforts in your community. One can learn more about Food Collection Initiatives, about Direct Food Service, and about Hunger) - CELEBRATE Our Story is Hope.

Program information can be downloaded at some of the links.

Remember, “We Serve!”

Respectfully Submitted
