

D8 Zone Chair Report submitted to 19D Cabinet meeting for Aug 21, 2022

Hello to DG Deb and my fellow cabinet members. Unfortunately I am unable to attend in person as I will be in Alberta at a long overdue family reunion.

My goal for this year is to personally visit all the clubs in my Zone. I am having my first visitation on Aug 19, when I meet with Valemount on my way to Alberta. They have agreed to have lunch with me and I am looking forward to meeting them in person. (This has been a hard goal to achieve)

My second goal is to try and oversee D3 and D10. I will be including them in my D8 bulletins and zone meetings. In doing so, I will continue to have Zone meetings by zoom so that I can include everyone from far away. Sadly, I don't feel that I would get their attendance at an in person Zone meeting. Hoping to generate interest for Zone Chair positions for 2023-2024

MMR'S are getting done, as well as Service reporting in my Zone and hopefully I can get D3 and D10 doing the same.

It has been a busy summer for all that I have chatted with, so I feel a lot of good things are getting done.

Respectfully Submitted

**Karen Bassett
19D-8 Zone Chair**
