

Fall Cabinet - October 2021

Lions Foundation of Canada.

To train the Diabetic Alert Dog Guides, they use saliva samples that local donors collect during hypoglycemic episodes? The samples are collected using cotton dental rolls or small gauze pads then frozen until needed for training.

Standard Poodles are a very high energy, fun-loving, and intelligent breed. When their training is fulfilled a Standard Poodle can be a loyal companion and a wonderful pet.

Due to an overwhelming amount of applications for Labrador Retrievers and Golden Retrievers new applications are not being accepted for these breeds at this time.

Both Autism Assistance Dog Guides and Facility Support Dogs give and receive lots of hugs. Both Dog Guides are trained to give “hugs” on command. This can help an anxious child or overwhelmed individual experiencing a traumatic situation immensely.

LFC Dog Guides has been chosen as a recipient of a \$25,000 signature grant from Canada Post Community Foundation. The Community Foundation awards grants to organizations that are committed to making a difference in the lives of children. Specifically, the grant will be applied to helping applicants of the Autism Assistance program.

A generous Dog Guide recipient, Colleen Walker, (with Hearing Dog Guide, Misty) has offered to match any gift you give up to a total of a \$10,000 match.

Green Capes Lions Club - received a Dog Guide Champion Award for sponsoring Dog Guide teams in six Dog Guide programs within six years – a \$50,000 donation.

Calgary Woodcreek Lions Club from Calgary, Alberta was awarded Top Dog award with their generous donation of \$25,000.
