2021-2022 District 19D District Hunger Chair Cabinet Meeting Report August 7, 2021

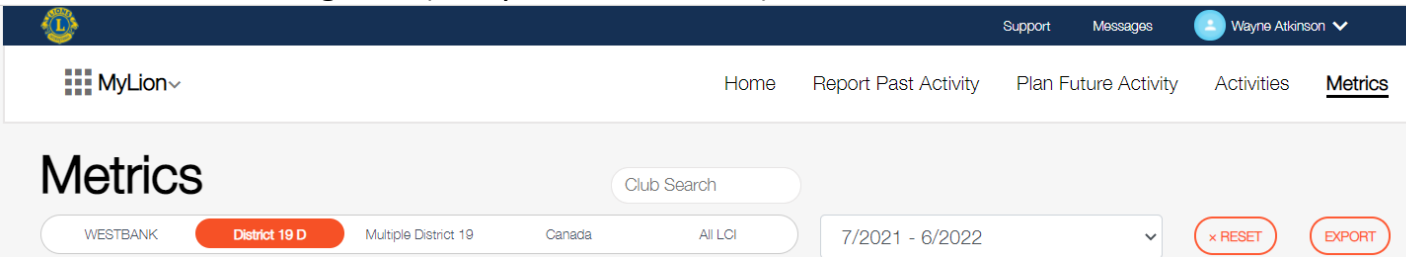

DG Joyce, members of the District 19D Cabinet and Guests

The Hunger Chairpersons support Lions and Leos engaged in, or interested in, projects to alleviate hunger and malnutrition. Hunger is an area that clubs are involved with whether it be food bank donations, school programs, homeless programs, senior programs or Christmas events.

During the year I will keep abreast of material from Lions International and share information that may help clubs address hunger in their communities and beyond.

At each cabinet meeting I will share the metrics provided on MyLion so we can see how we have impacted hunger. We can see full information in MyLion by selecting the Metrics button and choosing Club (in my case, Westbank), District 19D or one of the other choices.

Due to the nature of MyLion we see the following Metrics:

People Served - Service Activities - Volunteer Hours - Funds Donated - Funds Raised
We see these metrics in the following areas:

Diabetes - Environment - Childhood Cancer - Hunger Relief - Vision - All Other

The next page is the first report, taken from MyLion on August 4, 2021. We are just five weeks into the 2021-2022 year and most August activities will not be accounted for until the end of the month. The following is a summary.

From July 1st, 2021 to August 4th, 2021 we see the following for Hunger Relief:

People served - 380

Service Activities – 3 (1 club with 1 activity, 1 club with 2 activities)

Volunteer Hours – 17 (1 club with 3 hours, 1 club with 14 hours)

Funds Donated - \$0

Funds Raised - \$0

MyLion cannot show the projects unless they are reported. Let us share our service so we can celebrate helping one another. Remember, “We Serve!”

Respectfully Submitted

PDG Wayne Atkinson

Lions District D MyLion 2021-2022 Metrics - August 4, 2021

People served - Service Activities - Volunteer Hours - Funds Donated – Funds Raised
 Diabetes - Environment - Childhood Cancer - **Hunger Relief** - Vision - All Other
