

District D Cabinet Meeting 8-21-22 Okanagan Falls

LCIF South Report

LCIF Campaign 100 is now complete. This campaign was started in 2018 at the 101st international convention in Las Vegas, Nevada. The plan was to raise 100 million dollars each year for 3 years. Due to Covid-19 and other things, the campaign was extended another year. We made and exceeded our goal.

Over \$7 million has been given for frontline relief of Covid-19.

LCIF continues to help around the world. We have been active in relief efforts in the Ukraine area to help those who have been forced to leave their homes.

We all are aware of the needs within our communities for food and housing. Those in the rest of the world are experiencing the same needs, or more. Let's continue to support, not only local needs, but also the needs around the world.

Remember, our own district has received more from LCIF, than what we have given. In an emergency, our DG can request and receive funds to aid in rescue or relief efforts.

Please continue support of LCIF.
