## D8ZC Karen's Remarks

It's February, and **LOVE** is in the air. Soon it will be Valentine's day. Hope everyone is able to share it with a loved one. Spread your love also to those that are alone in these times. Sometimes a simple phone call can make someone's day.

News from all around D8,

## *"Inspire through Service"*

Our wonderful PDG Wanda Eddy is turning 50 on Valentine's Day, drop her a note and wish her a wonderful Birthday.

Our last Zone Meeting was January 22.

We discussed an **Environmental ZONE PROJECT**.

A project that individual clubs can do. It can be quite diversified, and based on your individual club and area. Perhaps link it up with EARTH DAY, which is April 22, 2022.

Maybe get, and give seedling trees to elementary schools, perhaps aid in the clean up of forest fires to allow for new trees to be planted. Have a BBQ in May to support the tree planters in your area. Any project that is somewhat related to trees, and new growth initiatives. Put your thinking caps on, and start planning. Zone project should start around Earth day, April 22 and hopefully be completed by the end of the year (June 30, 2022)

Please post your activities on MYLION and send any upcoming plans or info to me, so I can post in the Bulletin.

**Don't Forget to do your MMR's before the 20th.**

Please let me know what your club is doing. I would love to attend or even post your projects or announcements in my monthly bulletin. Email me at [kb1@telus.net](mailto:kb1@telus.net)

## Important Upcoming Dates: Mark Your Calendars
