

Report to Summer District 19-D Cabinet – 2021/2022
On-line Meeting
Global Action Team – GLT-D Coordinator
October 30, 2021, Lion PDG Bob Ayotte

Cabinet members, not all is sunny and rosy this morning. We continue to see a lack of volunteers to Club, Zone, and District leadership positions. In the latest Club Health Assessment, the list of positions that has been shown as not being filled is staggering. Almost every Club had perhaps one position not stated as being filled.

Some Clubs had no President, Secretary, Treasurer, etc listed. How can these Clubs function? That does not mean those Clubs do not have people in those chairs. It just means that the filling of those positions has not yet been reported using MyLCI.

MyLCI as a reporting tool has been in existence for over 10 years. Surely by now most Clubs would have at least one member that is not shy about using this wonderful tool. Zone Chairs, look at the Club Health Assessment, reach out to those Clubs that have not completed the filing of positions on MyLCI. When I review the latest roster from MD19, many of those same Clubs have Lions in those positions. What is happening here? It is not sufficient for people to claim that they have not had the training to use the tools. Club Officer training sessions have been offered several times, on-line, in the past few months.
