

Report to Summer District 19-D Cabinet – 2022/2023
Global Action Team – GST-D Coordinator
August 21, 2022, Lion PDG Bob Ayotte

I wish to thank Lion PZC Dorothy for her long tenure as the Service Team leader for our District.

In the past few years, our Clubs have been quite successful at using the MyLion system for reporting activities, it has not been 100%, but as close as practical.

At present, many Clubs are providing service to our communities, either directly through one-on-one interactions in our community, by fundraising, or by donating to worthy causes, making our community a better place to live.

I encourage all Clubs to name a Service Chair, so as to assist the Club Secretary, Club Administrator or Club President at reporting all those wonderful activities.

An important and not well used segment in MyLion is the planning of future activities. There are many ideas and planning guides available in MyLion, that could be useful to you and your Club.
