DG Joyce's Message

This has been a very fun and rewarding Lions year for me, as the COVID restrictions were lifted somewhat and I was able to cross the border to visit many clubs in Canada, in addition to my visitations to the clubs in WA. VDG Debbie Allan and 2VDG Mike Livingstone helped with the Canadian visitations and both were very supportive of my year as District Governor.

Three 'celebrations' of the year were held this spring, and all were well attended. Our virtual spring conference on April 23 had a successful raffle which brought in \$1100 for CARE. Two picnics; May 8 at Camp Winfield in Lake Country, BC and June 5 in Leavenworth, WA both had good attendance, despite rain both days. Raffles held at each picnic yielded \$250 for Camp Winfield, and \$250 for Camp Stix. There were also many donations towards planting flowers at Camp Winfield in memory of the District Cabinet Secretary, Jennette Britton, who passed away in February. Quesnel Lions Club donated \$300 towards the garden / yard at Camp Winfield, thank you Quesnel.

I am pleased to introduce our new district officers: District Governor Elect Debbie Allan from North Kamloops Lions, and Vice District Governor Elect Mike Livingstone from Okanagan Falls Lions. We also have a new Zone Chairperson, for D2, Chuck Robinson, from Lake Chelan Lions. We welcome them and will give them whatever support they need to carry on the service to our communities in District D. The transition takes place on July 1, 2022.

THANK YOU to all Lions that welcomed me into their clubs with friendliness and kindness.

I am wishing for a wonderful summer to you all.

DG Joyce

LET'S WELCOME SUMMER!!!

ENVIRONMENT

Hello District D

Here we are June 2022 the end of this Lions year. But not the end of our environment year, we have ongoing work to do to protect this earth. I will be your Chair for next year. Our District being International and far reaching in area makes in person visitations a challenge, but I will do my best to communicate by the DG Bulletin and visit when I can. I hope our clubs will embrace change and promote all things environmentally friendly. I did attend both District picnics and demonstrated how to make a bird feeder from a 2 liter soft drink container. I was impressed with the interest and participation. **Recycle, Reuse, Renew, Report** Angus

CLUB OFFICER TRAINING

The first session was held on June 11th and had an excellent turnout. Below are the links for the remaining training, as you can see there are 2 dates to choose from. The training will go from 9 am to 12:30. You only need take in one of the dates. Please get your club officers together and any members that would like to attend and register. There is always something you can learn, even if you have been doing the position for a while. And for new officers it is really important to know what is expected of you and what information is available, where to find it or who to ask for it. So let's see good attendance for these sessions.

POEMS BY PZC ANGUS FOR DG JOYCE AND IPDG JOE

Hail to District Governor Joyce
Who brings her message with clear voice
No variation from her plan
Simple and clear as she can

She makes her plans and follows thru
Her dedication and ethics are very pure
The border closure caused concern
The rules and regulations not always firm

Visits to Canada and travelling alone
Can sometimes be chilling down to the bone
We welcomed her in Kamloops City
To have her bypass us would be a pity

Although the challenges have been unique
Solutions to the problems is what she'd seek
Leadership and wisdom Joyce displays
Upbeat and forward are her winning ways

Thanks for your tireless effort to keep us strong
To follow your example we can't go wrong
So Joyce your year is almost done
But we'll always share love between BC and Washington

IPDG JOE

There once was a Governor Joe
Who was always on the go
Off to the shop or to check the pear crop
But Lions was always the show

Dorothy with smiling face
Delivers a message with grace
From committees to share on to zone chair
The spotlight she had to embrace

We Canadians love them the most
They are always the welcoming hosts
They invite us in with a wide smiling grin
Of our great friendship we should certainly boast

Back and forth across the line
We have done many a time
From lions business to fun we get the job done
And it always turns out just fine

Of Lions there is no doubt
Service is what we're about
We all work together no matter the weather
From the border north and south

I hope this poem creates joy
From this Canadian boy
Who loves a glass of wine most any old time
And I've never been known to be coy
